She eventually went on to rule the unified Kashmir encompassing the Lohar Kingdom and Kashmir for a period of forty-four years, taking it to glorious heights and making it the most powerful kingdom in mediaeval Asia. Wilderness Odyssey-Mast & Yoder Bontrager 2014-07-08 Life with the Amish isn't always milking cows, shucking corn and baking apple pies. Travel alongside these eight Indiana youth/newlyweds on their two-week expedition deep in the mountains of Colorado. They encounter some very unexpected happenings that affect them profoundly. As recorded by their own pens – sometimes hilarious, sometimes hair-raising incidents – from the top of the Sears (Willis) Tower to the top of the Rockies. In their own words: Reality Strikes. Here I am in the mountains, miles from civilization...Nobody knows where I am...no road close by...the foremost thing on my mind is my fellow campers. They don't have the slightest clue what swallowed me up! I half-awaken to some disgruntled sounds from David's tent...Sometime later we're jerked awake by the loud POP of the pistol. The night is pitch black and makes me aware that I am quite alone...Occasionally, I swivel my head around to check for eyes in the dark. If a bear smelled all this blood and fresh meat he'd probably think I owed him a handout... Not for the fainthearted Thinking about taking a vacation in the mountains to get away from it all? Read this group's account to give you a sneak preview of what to expect. But then, you might not meet up with a TV reporter's microphone thrust at you – or realize the sun is setting and you are on the wrong side of the mountain, alone, with no clue in which direction camp is.
