Leading Your Church Through Conflict and Reconciliation-Marshall Shelley 1997-01-01 This first volume in the Library of Leadership Development helps pastors and lay leaders understand, prevent, and redeem conflicts. Its authors tell their stories and explain the principles that help them lead through the storms of congregational life.

How to Lead in Church Conflict-K. Brynolf Lyon 2012 The hurts of people often spill over into the life of the congregation causing conflict. Your chair of finance is going through a nasty divorce and is mad at God. The mother of one of your Sunday School teachers is chronically ill. A major factory in your community has relocated, taking with it many of your church members' jobs. Some losses in your own life remain painful and unresolved. And you wonder why the church council meetings are so rancorous and your church is mired in unproductive conflict. What do you do? How should you lead? According to Lyon and Moseley, conflict is often about ungrieved loss. When conflict occurs, pastors and other church leaders must know how to be present in the dynamics of grieving loss, encouraging space for a new thing to emerge. With rich and helpful illustrations, this book reveals how leaders can understand group-wide dynamics of conflict, ground their leadership in the liturgical meanings and rhythms of church life, and accompany congregations through potentially destructive realities toward the creative possibilities that conflict can bring.

Communication and Conflict Management in Churches and Christian Organizations-Kenneth O. Gangel 2002-03-05

Church Conflict-Charles H. Cosgrove 2004-10-01 If church is like a family, it fights like one too! As in any family, conflict in the church family is natural and inevitable. But the way the church family handles its fights can make or break ministry. By using stories and examples of real problems at actual churches, Cosgrove and Hatfield have applied family-systems theory to help us identify the hidden structural boundaries in any group relationship. They show how the

dynamics and 'family rules' operating in the informal family-like church system powerfully influence how church members relate to each other. Church Conflict-Norma Cook Everist 2004-11-01 You love your work. You love the people--most of the time. They respect you, most of the time. You work together with colleagues, staff, and laity, with energy and enthusiasm, most of the time. But then something goes wrong: a word spoken in anger, a misunderstanding, and things turn sour. What do you do? How do you deal with conflict, whether it be long or short-term, low or high intensity? Conflict is a part of the human predicament, yet it need not define or control your ministry. This book is designed to help the reader ask certain key questions about the nature and scope of the conflict they are experiencing and, based on the answers to those questions, move beyond conflict. The author lays out the variety of responses to conflict, running the gamut from avoidance to accommodation to compromise to collaboration. Written with the real needs of congregations in mind, this book will serve as a reliable guide to all who wish to move through conflict into a more effective and authentic fulfillment of their calling.

Making Peace-Jim Van Yperen 2008-09-01 Conflict abounds in the church of Jesus Christ. Reconciliation within the body, however, will not happen with the right 'method' or 'set of principles.' In Making Peace, readers are challenged to place their church and all of its dissension under the Lordship of Jesus Christ. Thriving through Ministry Conflict-James P. Osterhaus 2009-12-15 Church conflict doesn't have to be an enemy that tears a congregation apart. By learning how to handle it wisely, pastors and church leaders can make resistance one of their most valuable allies. Far from fearing conflict, leaders can turn it into a catalyst for positive change and a stronger, more united church. Through the fictional story of a typical pastor embroiled in conflict, Thriving through Ministry Conflict shows how to handle and resolve conflict in a healthy way. By working through a series of response activities and discussion questions, the reader will gain powerful insights into the emotional dynamics of conflict. Here are the knowledge and tools that can help pastors and church leaders trade self-defeating responses to conflict for an empowering, constructive approach; gain a working command of key conflict survival principles; and cultivate the skills needed to effectively navigate the conflicts every ministry leader faces.

Church Conflict-Charles H. Cosgrove 1994 If church is like a family, it fights like one too! As in any family, conflict in the church family is natural and inevitable. But the way the church family handles its fights can make or break ministry. By using stories and examples of real problems at actual churches, Cosgrove and Hatfield have applied family-systems theory to help us identify the hidden structural boundaries in any group relationship. They show how the dynamics and 'family rules' operating in the informal family-like church system powerfully influence how church members relate to each other.

Look Before You Lead-Aubrey Malphurs 2013-02-15 Pastoral ministry is challenging work, especially when a pastor ignores the church's "congregational culture" when seeking to minister to church members or implement changes. Just as a pastor studies to interpret the Scriptures in order to understand and preach the Bible, he or she must interpret the local church culture to better understand and move it toward accomplishing its mission and vision. In Look Before You Lead, trusted church leadership expert Aubrey Malphurs shows pastors how to read their church's unique local culture, how to change or revitalize it, and even how to combine two cultures when one church adopts another. This unique resource approaches leadership and discernment from a solid, biblical perspective and includes a number of helpful appendixes, such as a behavior, belief, and a values audit, that are key to reading and understanding the culture.

Moving Your Church through Conflict-Speed B. Leas 1985-01-29 With this how-to manual written for clergy and lay leaders, learn exactly what to do when conflict arises. Leas' highly acclaimed theory of conflict levels spells out appropriate responses. Easily applicable concepts and practical strategies.

Transitioning-Dan Southerland 2010-12-21 A biblical look at how to steer a congregation in a new and exciting direction aligned with God's unique purpose for them. Transitioning is written to help church leaders and their congregations successfully navigate change and discover that the rewards far exceed the risk. Drawing principles from the book of Nehemiah, Southerland maps out an eight-step strategy for moving from being a traditional, ministry-driven church to a purpose-driven church. Transitioning illustrates practical, field-tested concepts with examples from the Bible and Southerland's own experience. A detailed workbook section with fill-in-the-blanks, scripture passages, and action steps helps pastors and their leadership teams convert knowledge into reality.

Leading Women Who Wound-Sue Edwards 2009-02-01 As more churches add women's ministry programs, there is a growing need to address the issues that naturally arise as women minister alongside one another and to one another. Given the fallen nature of the human heart as well as the complexities of personalities, conflict is an inevitable aspect of ministry. How do women deal with emotions when other women are insensitive, manipulative, or just plain mean? What does the Bible tell us? To be equipped for conflict, women must understand and master strategies specifically related to conflict with other women.

Leading Women Who Wound shows women how to effectively deal with conflict within their ministries. Seasoned women's ministry leaders themselves, Sue Edwards and Kelley Mathews walk through several different aspects of conflict resolution including self examination, identification of potential sources of conflict, tools for conflict resolution, and insight on how to prevent and move beyond conflict to minister to those who have been sources of contention. Recognizing that not all conflict results in a happy ending, Leading Women Who Wound gives the tools necessary to minister effectively and move forward with integrity.

The Peacemaker-Ken Sande 2004-01-01 Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In The Peacemaker, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, The Peacemaker is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers.

Discover Your Conflict Management Style-Speed B. Leas 1998-11-01 Drawing on years of experience helping conflicted congregations, Speed B. Leas helps readers to assess their conflict response and discover options appropriate to different levels of conflict. This new edition contains an improved Conflict Strategy Instrument, revised to reflect new learnings and more accurately describe your conflict management style.

Didn't See It Coming-Carey Nieuwhof 2018-09-04 An influential pastor, podcaster, and thought leader believes it's not only possible to predict life's hardest moments, but also to alter outcomes, overcome challenges, and defeat your fiercest adversaries. Founding Pastor of one of North America's most influential churches, Carey Nieuwhof wants to help you avoid and overcome life's seven hardest and most crippling challenges: cynicism, compromise, disconnectedness, irrelevance, pride, burnout, and emptiness. These are challenges that few of us expect but that we all experience at some point. If you have yet to confront these obstacles, Carey provides clear tools and guidelines for anticipation and avoidance. On the other hand, if you already feel stuck in a painful experience or are wrestling with one of these challenges, he provides the steps you need to find a way out and a way forward into a more powerful and vibrant future.

Navigating Church Politics-Randy Wollf 2017-11-08 Are you tired of dealing with church politics? Do you sometimes feel like giving up on the church because of power struggles and conflict? In Navigating Church Politics, veteran pastor and church leadership expert, Dr. Randy Wollf, explores one church's productive, yet painful, direction-setting process. Through an in-depth look at this church's journey and a study of relevant research, he will help you discover: How to recognize and address inappropriate uses of power without sinking the church. How to help people focus on their God-given calling so that they don't have the desire to torpedo others. How to make the most of good uses of power to avoid danger and accomplish the church's mission. How to empower people to contribute their ideas to the decision-making process, so that good decisions are made that people own and want to implement together. How to manage conflict so that it strengthens the church. Many church leaders have faced the unwelcome intrusion of church politics into their ministries. It can be very distracting and frustrating. Yet, Randy shows that church politics is a normal and necessary part of church life. Wherever you have a group of people, you will have good and bad exertions of power. Unfortunately, many Christian leaders check out of leadership, not realizing that the church politics that hurt them could have become one of their greatest allies for enacting positive change. Why do many Christian leaders fall prey to the dark side of church politics? Leaders are often ill-equipped to use and help others use power in ways that are of maximum benefit to their ministries. Both paid and volunteer leaders in the church and in other ministries often find themselves wandering in a daze through minefields of competing interests. Understanding and navigating power dynamics well is an essential part of leadership. This book provides both veteran and emerging church leaders with knowledge about power dynamics and direction for managing these influential forces while leading organizational change.

Surviving Ministry-Michael E. Osborne 2016-05-06 Being a pastor has its rewards and pleasures. But churches can be unsafe places. They are filled with broken, imperfect people. Many ministers of the gospel walk into a church naive about the potential hazards of their vocation. They are vulnerable to difficult people, unresolved conflict, incompatible visions, hidden agendas, mission drift, and sin--their own and that of others. Other pastors feel trapped in a ministry hurricane and don't know what to do. They feel like failures. They're thinking about leaving the ministry. They are looking for help and hope--not from an

"expert" detached from the real world of ministry--but from someone who has suffered through church hurricanes and lived to share the story. Moreover, they need to know they are not alone. *Surviving Ministry: How to Weather the Storms of Church Leadership* includes the author's own story as well as true stories from other pastors who have been in the eye of the hurricane. Discouraged ministers looking for biblical, practical, gospel-centered advice for storm proofing their churches, homes, and hearts have found a friend. *Surviving Ministry* will equip them to stay resilient before, during, and after seasons of difficulty.

Change and Conflict in Your Congregation (Even If You Hate Both)-Rev. Anita L. Bradshaw, PhD 2015-02-13 A warmhearted guidebook to help your church navigate change and channel conflict into a stronger sense of mission and community. Lay leaders, pastors and church staff will be empowered by creative, practical strategies to establish appropriate congregational behavior, offer nonanxious leadership and foster community discussion and discernment.

Redeeming Church Conflicts-Tara Klena Barthel 2012-05-01 Conflict resolution experts provide leaders and lay people a biblical road map for navigating and redeeming church conflicts.

The Peacemaking Pastor-Alfred J. Poirier 2006-08-01 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation, says pastor and experienced mediator Alfred Poirier. The result is pastors trained in biblical exposition, well-ordered worship, and good theology, but with little practical know-how about one of the most important functions they will be expected to perform: conflict resolution. *The Peacemaking Pastor* provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation. Poirier, chairman of the board of Peacemaker Ministries, shows pastors the importance of a reconciliation ministry, gives them a theological framework for peacemaking, and provides practical tools for facilitating the peacemaking process. Written by a pastor for pastors, this insightful book will encourage and equip seminaries and ministry leaders in their original calling--promoting a culture of peacemaking in the church.

The Advantage-Patrick M. Lencioni 2012-03-14 There is a competitive advantage out there, arguably more powerful than any other. Is it superior strategy? Faster innovation? Smarter employees? No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with what they know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides. Simply put, an organization is healthy when it is whole, consistent and complete, when its management, operations and culture are unified. Healthy organizations outperform their counterparts, are free of politics and confusion and provide an environment where star performers never want to leave. Lencioni's first non-fiction book provides leaders with a groundbreaking, approachable model for achieving organizational health—complete with stories, tips and anecdotes from his experiences consulting to some of the nation's leading organizations. In this age of informational ubiquity and nano-second change, it is no longer enough to build a competitive advantage based on intelligence alone. *The Advantage* provides a foundational construct for conducting business in a new way—one that maximizes human potential and aligns the organization around a common set of principles.

Leading Major Change in Your Ministry-Dr. Jeff Iorg 2018-04-01 Many ministries must undergo major change in order to fulfill their mission, and more importantly, to fulfill God's mission, in today's world. This book tells the story of the relocation of Gateway Seminary—as well as other stories of major change. In doing so, it lays out the principles and processes necessary to get the job done. The first section of *Leading Major Change in Your Ministry* outlines foundational concepts to leading major change. The second section explains a six-fold model for leading major change in churches and ministry organizations. The book includes illustrations throughout, not from hypothetical situations, but from real-life ministry challenges in both local churches and large organizations. While theories about leading major change are interesting, practical insight about how to do it—written by someone who has led multiple organizations through major change—is far more helpful. The stakes are high. Leadership decisions in ministries have eternal consequences. Almost every church or organization needs—or soon will need—to be led through major change. *Leading Major Change in Your Ministry* is your guide to successfully getting it done.

Character Forged from Conflict-Gary D. Preston 1999 Conquer the Pitfalls of Controversy One of God's most effective tools for shaping your character as a pastor or church leader are the hardships and difficult times you experience through controversy in the church. Though it is not easy to hear, ministry will get

tough. That is a reality that is important for you both to understand and to overcome. In *Character Forged From Conflict*, author Gary Preston explores how the church--though still the Bride of Christ--can sometimes seem to steal what's most precious to you: your desire to serve God and people. Using scripture and illustrative stories, Preston addresses the key issues for recognizing, avoiding, or appropriately handling conflict including: Reaching out to those who may be in opposition to you Preaching through controversy Resisting the urge to strike back Meeting the important needs of your own family *Character Forged From Conflict*, like the other books in THE PASTOR'S SOUL SERIES, will prove itself a valuable resource for you. Developed in partnership with Leadership, each book addresses key issues and needs of the modern church.

Transforming Church Conflict-Deborah van Deusen Hunsinger 2013 Using real-world case studies and examples, Hunsinger and Latini helpfully guide pastors and lay leaders through effective and compassionate ways to deal with discord.

Growing Your Church Through Evangelism and Outreach-Marshall Shelley 1999-01-14 Rookies may be fun to watch, but there is no substitute for experience. When the pressure mounts, you go with the veteran. That's why *Growing Your Church Through Evangelism and Outreach* can be such a vital resource. It is written by pastors and church leaders who spend their lives looking outward and helping others do the same.

Promise and Peril-David Brubaker 2009-02-28 Congregations cannot exist without finances, priorities, leadership, worship, and decision making, yet these five aspects breed the most conflict between church members and clergy. These conflicts unfortunately tend to bring about the most negative consequences: drops in giving, resignation of leaders, and, perhaps most pointedly, loss of members. The importance of congregations and their effect on our lives is clear, yet what is less clear is what makes conflicts in faith communities inevitable. In *Promise and Peril: Understanding and Managing Change and Conflict in Congregations*, David Brubaker brings the tools of organizational theory and research to the task of understanding the deeper dynamics of congregational conflict. With a doctorate in sociology and more than twenty years working with congregational conflicts, Brubaker helps to explore the causes and effects of conflicts on a wide range of congregations. This book will help congregations avoid the pitfalls of conflict and instead head toward a healthy relationship between and among church staff and members.

Leading the Congregation-Roger Heuser 2010 Classic guidance and advice on how to lead God's people, revised and updated for a new generation of leaders. "Heuser and Shawchuck have done an outstanding revision of their classic volume. *Leading the Congregation*. The pursuits of excellence and spirituality are woven into a beautiful and practical guide for faithful ministry. This volume belongs on the desk of every pastor and in the curriculum of every school of theology. The authors are as courageous in naming the cost, demands, and dangers of ministry as they are faithful in making plain the abundant resources available to enable and enhance effective ministry in our time. *Leading the Congregation* is a book for everyone seeking a practical guide to excellence and faithfulness in ministry."--- Bishop Rueben P. Job, author of *Three Simple Rules: A Wesleyan Way of Living* "Leading the Congregation is an excellent resource for those looking for authenticity and wholeness in leadership. Congregations desperately need the type of leader this book defines, that is, a Christ-centered leader whose sacrificial service provides the welcoming of the soul and the weaving of community in a wounded world."--- Dr. Jesse Miranda, President of the Miranda Center and CEO of the National Hispanic Christian Leadership Conference (NHCLC) "Leading the Congregation is a captivating analysis of the life issues of a spiritual Christian leader and the congregation she or he serves. I relish the insights of the authors from spiritual formation, psychology, organization, and leadership analysis. It is a real help to the busily involved Christian leader so that one can understand the reality one is immersed in. It is an extremely welcome book."---Elder Oscar Owens Jr., Christian Education Director of West Angeles Church of God in Christ "Young leaders, you will not just love this book; you will get it! Heuser and Shawchuck thoughtfully address perhaps the most challenging aspect of leading in the church today: the `with others' part."---Chip Espinoza, coauthor of *Managing the Millennials*

Guidelines for Leading Your Congregation 2013-2016 - Pastor-General Board of Discipleship 2012-11-01

Autopsy of a Deceased Church-Thom S. Rainer 2014 Presents twelve lessons on keeping a church alive, discussing the consistent themes the author found in dying churches.

Ministering to Problem People in Your Church-Marshall Shelley 2013-11-19 Do you face well-intentioned dragons? Every church has them--sincere, well-meaning Christians who leave ulcers, strained relationships, and hard feelings in their wake. They don't intend to be hostile; they don't consciously plot

destruction or breed discontent. But they often do undermine the ministry of the church and make pastors question their calling. *Ministering to Problem People in Your Church* will guide you in dealing with these challenging people. Based on real-life accounts of battle-scarred veterans, this book helps you go beyond just tolerating problem people to limiting their damage and showing them God's love. You'll discover effective strategies to turn dissidents into disciples. This time-tested book by the editor-in-chief of Christianity Today's Leadership Journal has new chapters on using social media and caring for those with mental illness. It will help you not only preserve your sanity (and maybe your job), but minister more effectively, even to those who make life difficult.

How to Have That Difficult Conversation-Henry Cloud 2015-08-04 Full of practical tips and how-tos, this book will help you make your relationships better, deepen your intimacy with people you care for, and cultivate more love, understanding, and respect between you and others. Successful people confront well. They know that setting healthy boundaries improves relationships and can solve important problems. They have discovered that uncomfortable situations can be avoided or resolved through direct conversation. But most of us don't know how to have difficult conversations, and we see confrontation as scary or adversarial. Authors Henry Cloud and John Townsend take the principles from their award-winning and bestselling book, *Boundaries*, and apply them to a variety of the most common difficult situations and relationships in order to: Show how healthy confrontation can improve relationships Present the essentials of a good boundary-setting conversation Provide tips on preparing for the conversation Show how to tell people what you want, stop bad behavior, and deal with counterattack Give actual examples of conversations to have with your spouse, your date, your kids, your coworker, your parents, and more! This book is a practical handbook on positive confrontation that will help you finally have that difficult conversation you've been avoiding. Includes a discussion guide.

Character Forged from Conflict-Gary D. Preston 1999 Conquer the Pitfalls of Controversy One of God's most effective tools for shaping your character as a pastor or church leader are the hardships and difficult times you experience through controversy in the church. Though it is not easy to hear, ministry will get tough. That is a reality that is important for you both to understand and to overcome. In *Character Forged from Conflict*, author Gary Preston explores how the church--though still the Bride of Christ--can sometimes seem to steal what's most precious to you: your desire to serve God and people. Using scripture and illustrative stories, Preston addresses the key issues for recognizing, avoiding, or appropriately handling conflict including: Reaching out to those who may be in opposition to you Preaching through controversy Resisting the urge to strike back Meeting the important needs of your own family *Character Forged from Conflict*, like the other books in THE PASTOR'S SOUL SERIES, will prove itself a valuable resource for you. Developed in partnership with Leadership, each book addresses key issues and needs of the modern church.

Leading the Team-Based Church-George Cladis 1999-04-02 A Leadership Network Publication In *Leading the Team-Based Church*, George Cladis issues a clarion call for ministry teams to embrace a fresh leadership model that is not based on hierarchy, but on a process of collaboration that mirrors the relationship of Father, Son, and Holy Spirit. He reminds us that today's cultural environment--where authority has basis in trust, innovation reaps rewards, and spirituality takes root in life and work--has matured past the need for the hierarchy of traditional church leadership where the pastor had the final say. Through down-to-earth stories from his own experience and those of clergy in both mainline and evangelical churches, Cladis offers an exciting alternative to the traditional forms of church leadership, enabling pastors, congregational leaders, and staff to breathe new life into their ministries and unleash the full potential of the entire ministry team. Cladis, pastor of a fast-growing mainline congregation, demonstrates how cultural changes affecting all our institutions--not just the church--are making it easier to adopt this new model of leadership. Cladis's practical advice will enable ministry teams to work together in ways that both embody the Christian message and call forth the full creativity and love of the entire team. "Just when it seems that all that can be said has been said on the subject of 'teams', just when one has tired of the gumming of the label 'team' on everything in sight, along comes perhaps the most significant religious book on teams yet published. Cladis juxtaposes the theological and cultural context for team-based ministry in a model presentation of what a conversation between Bible, theology, and culture should look like."--Leonard Sweet, dean, The Theological School and vice president, Drew University

Thriving Through Ministry Conflict-James P. Osterhaus 2005 There's no need to fear the conflicts that inevitably arise in every church. Pastors and church leaders can learn how to make resistance their ally. Through colorful storytelling, response activities, and discussion questions, this book shares insights that can help leaders trade unfruitful responses to conflict for a positive approach that promotes growth and unity in their church.

Who Moved My Pulpit?-Thom S. Rainer 2016-06-01 *Who Moved My Pulpit?* may not be the exact question you're asking. But you're certainly asking questions

about change in the church—where it's coming from, why it's happening, and how you're supposed to hang on and follow God through it—even get out ahead of it so your church is faithfully meeting its timeless calling and serving the new opportunities of this age. Based on conversations with thousands of pastors, combined with on-the-ground research from more than 50,000 churches, best-selling author Thom S. Rainer shares an eight-stage roadmap to leading change in your church. Not by changing doctrine. Not by changing biblical foundations. But by changing methodologies and approaches for reaching a rapidly changing culture. You are the pastor. You are the church staff person. You are an elder. You are a deacon. You are a key lay leader in the church. This is the book that will equip you to celebrate and lead change no matter the cost. The time is now.

When Church Conflict Happens-Michael Hare 2019-04-02 You Don't Have to Dread Conflict Every church will experience conflict at some point. But it doesn't have to destroy you. In fact, conflict can be an incredible opportunity, if you know how to seize it. Unfortunately, very few churches use the opportunity well, but your church can. Michael Hare, PhD, has been helping churches recover (and even grow) from conflict for over 20 years, and now he can help you too. Learn: how to recognize healthy and unhealthy conflicts what the five levels of conflict are and why they matter how to design an action plan that will succeed how to prevent unhealthy conflict before it begins With copious case studies and practical tools, you'll find it's surprisingly manageable to develop these new skills. Learn to lead confidently in the face of conflict and invest in your church's future today. PLUS! Additional Resources in the back include: Conflict management Style Survey Conflict Assessment Tools Interview Questions for Assessing Conflict and more! "I enthusiastically endorse this book and welcome it as a valuable addition to the growing stable of peacemaking resources!" KEN SANDE Author of the Peacemaker and Founder of Peacemaker Ministries and Relational Wisdom 360 "Few things break God's heart more, and cause the hosts of hell to rejoice more, than conflict among His followers. My friend Mike Hare is well-qualified to prepare church leaders with practical intervention strategies (brought to life by case stories) that enable us to anticipate, analyze, and resolve conflict, moving step-by-step through processes that result in unity and blessing." DR. WESS STAFFORD President Emeritus, Compassion International Author of Too Small to Ignore and Just a Minute

The Peacemaking Church-Curtis Heffelfinger 2018-11-20 When human beings are involved in any endeavor, conflict is inevitable. But the best fight is the one a church never has to have because its members have been intentionally cultivating practices that lead to peace and preserve unity. Whether they are dealing with conflict right now or hoping to avoid it later, church members, pastors, and ministry leaders will benefit from the proactive approach to peacemaking found in The Peacemaking Church, which will equip them with the knowledge and practices they need to instill in their church leadership and membership. Foreword by Ken Sande.

Mastering Church Finances-Richard L. Bergstrom 1992 Written by experienced church leaders for church leaders, this helpful book explores how to use church finances in ministry-minded ways. Topic areas include raising, monitoring, spending & investing money.

Redeeming Conflict-Ann M. Garrido 2016-03-11 It seems counterintuitive: conflict can be a blessing. But Catholic theologian and conflict mediator Ann M. Garrido identifies conflict as a potentially fruitful exchange that arises from living and working together in the diverse world God created. Garrido, author of the bestselling Redeeming Administration, offers twelve practical habits for responding to conflict, pairs each habit with a spiritual companion from history, and offers questions and prayers for growth. In Redeeming Conflict, Ann Garrido explains that conversion comes through conversation, that there is a difference between "the truth" and "my truth," and that you should be curious and practice "Pentecost listening"—or empathic listening—even if you think something is way off base. Garrido will help Christian leaders discover how to speak directly with colleagues about tensions and about how to know themselves well enough to keep from becoming defensive in the face of negative feedback. She uses saintly examples to illustrate her points, calling upon stories of St. Francis and a Muslim sultan, Leo the Great, Archbishop Óscar Romero, and Our Lady, Undoer of Knots. Garrido also offers sample exercises and tools to work through conflict within an organization and provides self-assessment questions and a prayer at the end of each chapter to help apply it to your personal and professional life. A small group discussion guide and a parish resource guide, which features homily and bulletin aids are available as a free downloads for the book.

Redeeming Conflict was a 2017 winner of the Association of Catholic Publishers Excellence in Publishing Award: Resources for Ministry (Second Place) and Honorable Mention in the 2017 Catholic Press Association Book Awards: Professional Books.

Your Ministry's Next Chapter-Gary Fenton 1999 "The Pastor's Soul" series unleashes pastors to give of their unique gifts, to minister authentically, and to grow.

The eight books of "The Pastor's Soul" give pastors ground-breaking insight for strengthening their inner life.
