Myth-G. S. Kirk 1973-06-08 This book, developed out of the 1969 Sather lectures at Berkeley, California, confronts a wide range of problems concerning the nature, meaning and functions of myths. Professor Kirk's aim is to introduce a degree of coherence and of critical awareness into a subject that arouses profound interest today, but which for too long has been the target of excessive theorizing and interdisciplinary confusion between anthropologists, sociologists, classicists, philosophers and psychologists. Professor Kirk begins by discussing the relation of myths to rituals and folktales, and the weakness of universalist theories of function. He then subjects Lévi-Strauss's structuralist theory to an extended exposition and criticism; he considers the character and meaning of ancient Near Eastern myths, their influence on Greece, and the special forms with rational modes of thought, and finally, he assesses the status of myths as expressions of the unconscious, as elements of dreams, universal symbols, as accidents along the way to some narrative objective. The result is a significant critical venture into the history and philosophy of thought, imagination, symbol and society.--From publisher description.

The Folktales-Stith Thompson 1977 As interest in folklore increases, the folktales acquires greater significance for students and teachers of literature. The material is massive and scattered; thus, few students or teachers have accessibility to other than small segments or singular tales or material they find buried in archives. Stith Thompson has divided his book into four sections which permit both the novice and the teacher to examine oral tradition and its manifestation in folklore. The introductory section discusses the nature and forms of the folktales. A comprehensive second part traces the folktales geographically from Ireland to India, giving culturally diverse examples of the forms presented in the first part. The examples are followed by the analysis of several themes in such tales from North American Indian cultures. The concluding section treats theories of the folktales, the collection and classification of folk narrative, and then analyzes the living folklore process. This work will appeal to students of the sociology of literature, professors of comparative literature, and general readers interested in folklore.

Uncle Remus-Joel Chandler Harris 1898

The Mabinogi and Other Medieval Welsh Tales-Patrick K. Ford 2019-09-24 The four stories that make up the Mabinogi, along with three additional tales from the same tradition, form this collection and compose the core of the ancient Welsh mythological cycle. Included are only those stories that have remained unadulterated by the influence of the French Arthurian romances, providing a rare, authentic selection of the finest works in medieval Celtic literature. This landmark edition translated by Patrick K. Ford is a literary achievement of the highest order.

The Arabian Nights-Andrew Lang 2017-04-07 The Arabian Nights (or One Thousand and One Nights) is a collection of stories compiled by various authors, translators and scholars from countries across the Middle East and South Asia. The tales trace their roots back to ancient Arabia and Yemen, ancient Indian literature and Persian literature, ancient Egyptian literature and Mesopotamian mythology, ancient Syria and Asia Minor, and medieval Arabic folk stories from the Caliphate era. Though the oldest Arabic manuscript dates from the fourteenth century, scholarship generally dates the collection's genesis to somewhere between AD 800-900.

The Freedom of Man in Myth-Kees W. Bolle 2010-08-01 Myth is not a remote subject, restricted to the limited intellect of "pre-logical" man. The question "What is man?" is an ancient one. It is also a recent one, still unanswered in the impasse of our sciences. Wherever and whenever human beings are alive, there are creators of myth among them. Kees Bolle singles out one group as having the most significant "say" in the formation of myths: the mystics, who epitomize the common urge for a simplicity beyond the whirlpool of personal existences. And, surprisingly, the author finds that the study of humor provides a great deal of insight into the study of religious traditions.

Celtic Mythology: Dive Into The Depths Of Ancient Celtic Folklore, The Myths, Legends & Tales of The Gods, Goddesses, Warriors, Monsters, Magic & More-Sofia Visconti Dagda swept his fingers across the strings of the harp, and a beautiful melody started to play. It was the music of grief that had the Fomorians stop and bow their heads as they sobbed. Even the soldiers sobbed, but they drew their mantles so none could see the tears flowing... Celtic Mythology has through the ages inspired poets, authors, and songwriters alike with its ancient heritage of sagas, myths, legends, and battles. We live in a modern world that explains most myths and legends. However, there is still much that cannot be explained. To better understand who we are, it is essential to know where we came from and the cultures that were our past. Learning about Celtic mythology will help to keep these cultures alive for our future generations. Through books like this one and the interest of all its wonderful readers, these myths and legends will stay alive well into the future. And if you're looking for a collection of Celtic myths that speak to all ages then keep reading because the path to your calling has been answered with this book. Inside you will find heroic stories of gods and goddesses and epic tales of love and betrayal. Misty rolling hills, lochs, rugged mountains, and mysterious creatures form the grounds for the myths and legends. Discover heroic adventures, mythical creatures, intriguing fairy tales, magic and folklore. All This & Much More Including: > Celts Beliefs, Ways of Worship & Rituals > The Mysterious Tombs of The Celts & How They Aligned With The Stars > How Nature & Her Sacred Creatures Have Shaped Celtic Culture > Celtic Gods & Goddesses - including Dagda - Supreme God of The Celts, Lug - The God of Justice & Many More > The Legendary Origins of Merlin the Magician (Made Famous By Disney) > Welsh, Scottish, Irish, Brittany, Manx & Celtic Myths + Legends > Llefelys & Lludd - A Story of Dragons, Demons & A Thieving Wizard > The Leprechaun - Learn about the little green man synonymous with the Irish - but be careful what you wish for, as everything has a price. > Discover The Druids & Their Sacred Art of Healing Through Herbs > Why The Celts Were Sworn Enemies of Julius Caesar > Celtic Mythology That Has Inspired Star Wars, Harry Potter & Other Movies And much, much more... Open a door to another world.... a world of adventure, heroism, romance and magic. Celtic mythology, your calling has been answered with This Book.
