Essential CISM-Phil Martin 2018-03-29 Essential CISM has been written with a single goal in mind - to present the CISM material in a way that is easy to absorb without leaving any content behind. Plenty of examples are included to drive the points home so that when it comes time to take the CISM exam, you are ready! This exam guide covers all four ISACA domains, including:* Information Security Governance* Information Risk Management* Information Security Program Development and Management* Information Security Incident Management The book is broken down into two sections. Section 1 covers basic concepts you will need to understand before hitting each domain. The CISM official exam guide is overwhelmingly redundant across the domains, and so in this book you will encounter each topic once instead of having to rehash the same subject in different (and chaotic) ways. By the time you start covering the domains, you will already be 60% of the way there!Section 2 presents the four domains and ties together the concepts covered in Section 1, plus subjects that are unique to each domain. Some books provide test questions embedded in the material, but Essential CISM leaves that to the experts to keep the cost down. There are plenty of online resources and tests you can take to test your knowledge that are a much better use of your time.

The Suffering of Chasing Dreams-Danny Duran 2013-02-28 If you really and truly want God in your life, you owe it to yourself to read this book. This story is about a young boy who suffered and still suffering chasing dreams and facing a lot of suffering along the way, and how he achieved most of his dreams. After fifty-five years of his life, he came to find Jesus Christ even though he came from an extremely dysfunctional family, feeling rejected, not loved, was sexually, physically, and verbally abused. He faced the nasty words from his father, You are way too stupid and black and ugly. You'll never amount to anything! Those nasty words from his father were the words that motivated young Danny to execute his dreams. At the tender age of ten, Danny was put into the juvenile hall for incorrigible boys. But after three long years, he was released and became a matador (bullfighter) in Tijuana, Mexico; prizefighter, Rodeo Brahma bull rider and bareback bronco rider; professional roller skating derby skater for thirty-two years, a professional Texas bounty hunter; a repo man; a successful entrepreneur, was in a few motion pictures and Hispanic soap opera called Padres con Poder; and an author. Danny also spent five years in prison, and that's how he found our Lord and Savior, Jesus Christ and his ordained minister wife Dharma. She came to the prison to minister to seven hundred inmates, and that's how Danny met her. Danny's partner, Jane P. Peterson, was killed in an arrest attempt. His son was shot, and his house was bombed. Danny had been shot and stabbed multiple times and was left in a coma for seven days in an attempted arrest as a bounty hunter. And while he was in a coma, Danny had his second Christian spiritual experience with God. The first spiritual encounter was in the juvenile hall. The story you are about to read may seem like fiction or something out of a movie script. If you enjoyed the books Divine Revelations of Hell, by Mary K. Baxter, or Proof of Heaven, by Dr. Eden Alexander, or the movies Forrest Gump or Walking Tall, then you'll love reading this book. Ninety-five percent of what you will read in this book is true. All of the names have been changed to protect the innocent. God bless.
