Twist and Loop-Annie Modesitt 2006 More than 25 wire knitting and crochet jewelry designs offer jewelry lovers the opportunity to create original handmade projects. The designs featured include a sterling silver bracelet, a blue velvet choker, festive wreath earrings, and more—each of which employ knitting or crocheting techniques. 50 color photos. 30 line drawings. The Knitter’s Book of Yarn-Clara Parkes 2011-02-02 Not all yarns are alike. Some make our hearts and hands sing, some get the job done without much fanfare, and some cause nothing but frustration and disappointment. The gorgeous pair of socks that emerged from their first bath twice as long as when they went in. The delicate baby sweater that started pilling before it even came off the needles. The stunning colorwork scarf that you can’t wear because the yarn feels like sandpaper against your neck. If only there were a way to read a skein and know how it would behave and what it wanted to become before you invested your time, energy, and money in it. Now there is! With The Knitter’s Book of Yarn, you’ll learn how to unleash your inner yarn whisperer. In these pages, Clara Parkes provides in-depth insight into a vast selection of yarns, giving you the inside stories behind the most common fiber types, preparations, spins, and ply combinations used by large-scale manufacturers and importers, medium-sized companies, boutique dye shops, community spinneries, and old-fashioned sheep farms. And, because we learn best by doing, Parkes went to some of the most creative and inquisitive design minds of the knitting world to provide a wide assortment of patterns created to highlight the qualities (and minimize the drawbacks) of specific types of yarns. The Knitter’s Book of Yarn will teach you everything you need to know about yarn: How it’s made, who makes it, how it gets to you, and what it longs to become. The next time you pick up a skein, you won’t have to wonder what to do with it. You’ll just know—the way any yarn whisperer would. Finger Looping-Bernat 2019 Crochet Saved My Life-Kathryn Vercillo 2012 Crochet saves lives. It saved mine.In the worst throes of depression I found myself sobbing on the bathroom floor, the tip of a kitchen knife pointed into my wrist. I was aching to break the flesh and bring the pain to an end. Through sheer force of will, I pried my own desperate hands open and replaced the knife with a crochet hook. Then I crocheted to save my life.In this book, you will get to know me through my story of depression and healing. And you will get to know other women as well. You will meet Aurore who crochets to stay in touch with reality as she deals with ongoing psychiatric hallucinations. You will meet Laurie who made a new life with crochet after years of a life filled with abuse. You will meet Tammy whose crochet helps her with the ups and downs of living with Chronic Lyme Disease. You will meet Liza who crochets through the anxiety of having temporary bouts of blindness caused by an undiagnosed health condition. Here are some of the things you will hear them say:“When I crochet I don’t think about how my body is now broken; I think about how I can create something beautiful and useful with my hook and either yarn or thread.” -Vicki“When I’m anxious, I feel like a hollow hull. Crocheting helps fill up the void.” - Aurore“I couldn’t pay for therapy, but a few balls of crochet thread cost less than \$20 and provided me with many hours of crochet.” - M.K. “The feeling of the yarn and the rhythmic motions produced by crocheting are very quieting and help me regroup, recharge and become reconnected to my inner self amidst turmoil and confusion.” - Aimee“Crochet helps me put my pain on the back burner for a while. It takes my focus away from how I’m feeling and puts it in a more productive place”. - ShelliThe two dozen women whose stories are shared in this book are the women who hook to heal. We are not alone. Studies shows that crocheters are numerous; research and anecdotal evidence show that people of all ages, from all walks of life, with all types of health conditions may find healing through their hooks and yarn. Join us on our journey. Handknit Style II-Linden Ward 2006 Knit classic silhouettes with that ultrachic Tricoter twist - bold, colourful, and sensationally stylish. Discover unusual yet uncomplicated ways of using yarns, from cotton and wool to silk and cashmere. For the Love of Knitting-Kari Cornell 2009-03-15 One surviving cotton sock tells us that the Egyptians were knitting as long ago as the first millennium AD. Tenderly preserved shawls and sweaters bespeak our great-grandmothers handiwork. And colorful strands of yarn escaping from a basket in the corner show that the tradition lives on with us. That tradition, celebrated in the stories and essays in this book, knits together a world of warmth and memory, wisdom and camaraderie. These writings—sometimes amusing, sometimes moving, always entertaining—comprise a charming scrapbook reflecting the myriad cultural and historical aspects of knitting. Ranging from the days of World War II to our own time, they include offerings by Jamaica Kincaid, Melanie Falick, Elizabeth Zimmermann, Meg Swansen, Susan Gordon Lydon, Pam Allen, Lela Nargi, Perri Klass, Teva Durham, and many others. Artwork by Solveig Hisdal, fiber artists Debbie New and Karen Searle, and photographer Chris Hartlove, along with historical photographs, vintage advertising, and pattern booklets, brings the color and textures of these stories to vibrant life. Whether you ply knitting needles yourself or simply appreciate the art, this collection will enfold you in all the softness, warmth, and beauty of knitting today and yesterday. Bender’s Loop-Ken Schiff 2013-02-18 “Tell me about your dream.” Problem is, your therapist, Dr. Mobius, is part of your dream. And that witch’s hat appearing on his head is a sure sign that your court-ordered virtual therapy session is being attacked by an InnuIt revenge virus, which threatens to loop you into unmapped regions of cyberspace. Franz Kafka meets Lewis Carroll in this hilarious and exciting new adventure about a pre-post-modernist professor on trial for Sexual Misconduct with the wrong student. But not to worry. Here comes LeRoux, the best cowboy on the Grid in a sleek netcraft (The “Exorcizer”) with a rescue plan (B) that just might work. Problem is, LeRoux is not really all that real either. Or is he? Unexpected Knitting-Debbie New 2003-01-01 Specielle mønstre og strkkeformer Crochet Collection-Leisure Arts, Inc 1994 Whether elegant or whimsical, hand-crocheted accessories make delightful touches for your home and wardrobe. In this collection, we’ve gathered every type of project you could ever want, including one-of-a-kind gifts and cozy afghans. Crochet Workshop-Erika Knight 2018-04 Crochet Workshop is a must-have for all beginner crocheters. Under Erika Knight’s careful guidance learn how to make 20 gorgeous projects to wear and for the home. Each of the 20 projects in this book will teach you a new stitch, technique, or trick that will help you to build on and consolidate new crochet techniques, until you have mastered a wide repertoire of skills and an enviable collection of crocheted items. This book showcases the incredible variety of finishes that different crochet techniques can produce. You will learn a variety of stitches from double and trebles to the more delicate lace and ripple shell stitch. With exquisite photography by Yuki Sugiura that perfectly shows each of the beautiful designs, and supported with clear diagrams and illustrations, this is the ultimate book for all enthusiasts of this remarkable craft. Melissa Leapman’s Indispensable Stitch Collection for Crocheters-Melissa Leapman 2016-07-15 Anyone who loves to crochet needs to have this book on their bookshelf! Crochet diva Melissa Leapman divulges 200 of her favorite crochet stitch patterns in this book-enough designs to keep you busy stitching for years! Many of the patterns included are original designs, and others are garnered from Leapman’s years of experience in the industry. The book is geared toward crocheters of all skill levels and is formatted in a way that encourages readers to learn and grow as they sample from the patterns. The beginning of “Melissa Leapman Stitch Collection” features a pattern library with a full explanation of stitch multiples and how they work. Suggestions are offered about how to design basic projects, including afghans, pillows, hats, and more. The book’s second section offers stitch patterns arranged by type—from lace to cables to colorwork and beyond. Each stitch pattern is accompanied by easy-to-read instructions, stitch diagrams using international symbols, and a clear photo. If the reverse side of the fabric is interesting for a given pattern, both sides will be presented. A unique icon is used to mark these special patterns, making them easy to seek out for versatile scarves and blankets, which must look attractive on both sides. Readers will want to make hats, scarves, shawls, and more for themselves and friends. The patterns just beg to be stitched. No one can deny it—this book is off the hook. Learn to Crochet the Easy Way-Jean Leinhauser 2006-01-01 learn to crochet the easy way by Jean Leinkauser Knitting Without Needles-Anne Weil 2015 Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. The book will feature new color photographs of each project and vintage photos of the classic garments that inspired them. An introduction to the patterns, schematics, and charts will be included.

Crochet Saved My Life-Kathryn Vercillo 2012 Crochet saves lives. It saved mine.In the worst throes of depression I found myself sobbing on the bathroom floor, the tip of a kitchen knife pointed into my wrist. I was aching to break the flesh and bring the pain to an end. Through sheer force of will, I pried my own desperate hands open and replaced the knife with a crochet hook. Then I crocheted to save my life.In this book, you will get to know me through my story of depression and healing. And you will get to know other women as well. You will meet Aurore who crochets to stay in touch with reality as she deals with ongoing psychiatric hallucinations. You will meet Laurie who made a new life with crochet after years of a life filled with abuse. You will meet Tammy whose crochet helps her with the ups and downs of living with Chronic Lyme Disease. You will meet Liza who crochets through the anxiety of having temporary bouts of blindness caused by an undiagnosed health condition. Here are some of the things you will hear them say:“When I crochet I don’t think about how my body is now broken; I think about how I can create something beautiful and useful with my hook and either yarn or thread.” -Vicki“When I’m anxious, I feel like a hollow hull. Crocheting helps fill up the void.” - Aurore“I couldn’t pay for therapy, but a few balls of crochet thread cost less than \$20 and provided me with many hours of crochet.” - M.K. “The feeling of the yarn and the rhythmic motions produced by crocheting are very quieting and help me regroup, recharge and become reconnected to my inner self amidst turmoil and confusion.” - Aimee“Crochet helps me put my pain on the back burner for a while. It takes my focus away from how I’m feeling and puts it in a more productive place”. - ShelliThe two dozen women whose stories are shared in this book are the women who hook to heal. We are not alone. Studies shows that crocheters are numerous; research and anecdotal evidence show that people of all ages, from all walks of life, with all types of health conditions may find healing through their hooks and yarn. Join us on our journey. Handknit Style II-Linden Ward 2006 Knit classic silhouettes with that ultrachic Tricoter twist - bold, colourful, and sensationally stylish. Discover unusual yet uncomplicated ways of using yarns, from cotton and wool to silk and cashmere. For the Love of Knitting-Kari Cornell 2009-03-15 One surviving cotton sock tells us that the Egyptians were knitting as long ago as the first millennium AD. Tenderly preserved shawls and sweaters bespeak our great-grandmothers handiwork. And colorful strands of yarn escaping from a basket in the corner show that the tradition lives on with us. That tradition, celebrated in the stories and essays in this book, knits together a world of warmth and memory, wisdom and camaraderie. These writings—sometimes amusing, sometimes moving, always entertaining—comprise a charming scrapbook reflecting the myriad cultural and historical aspects of knitting. Ranging from the days of World War II to our own time, they include offerings by Jamaica Kincaid, Melanie Falick, Elizabeth Zimmermann, Meg Swansen, Susan Gordon Lydon, Pam Allen, Lela Nargi, Perri Klass, Teva Durham, and many others. Artwork by Solveig Hisdal, fiber artists Debbie New and Karen Searle, and photographer Chris Hartlove, along with historical photographs, vintage advertising, and pattern booklets, brings the color and textures of these stories to vibrant life. Whether you ply knitting needles yourself or simply appreciate the art, this collection will enfold you in all the softness, warmth, and beauty of knitting today and yesterday. Bender’s Loop-Ken Schiff 2013-02-18 “Tell me about your dream.” Problem is, your therapist, Dr. Mobius, is part of your dream. And that witch’s hat appearing on his head is a sure sign that your court-ordered virtual therapy session is being attacked by an InnuIt revenge virus, which threatens to loop you into unmapped regions of cyberspace. Franz Kafka meets Lewis Carroll in this hilarious and exciting new adventure about a pre-post-modernist professor on trial for Sexual Misconduct with the wrong student. But not to worry. Here comes LeRoux, the best cowboy on the Grid in a sleek netcraft (The “Exorcizer”) with a rescue plan (B) that just might work. Problem is, LeRoux is not really all that real either. Or is he? Unexpected Knitting-Debbie New 2003-01-01 Specielle mønstre og strkkeformer Crochet Collection-Leisure Arts, Inc 1994 Whether elegant or whimsical, hand-crocheted accessories make delightful touches for your home and wardrobe. In this collection, we’ve gathered every type of project you could ever want, including one-of-a-kind gifts and cozy afghans. Crochet Workshop-Erika Knight 2018-04 Crochet Workshop is a must-have for all beginner crocheters. Under Erika Knight’s careful guidance learn how to make 20 gorgeous projects to wear and for the home. Each of the 20 projects in this book will teach you a new stitch, technique, or trick that will help you to build on and consolidate new crochet techniques, until you have mastered a wide repertoire of skills and an enviable collection of crocheted items. This book showcases the incredible variety of finishes that different crochet techniques can produce. You will learn a variety of stitches from double and trebles to the more delicate lace and ripple shell stitch. With exquisite photography by Yuki Sugiura that perfectly shows each of the beautiful designs, and supported with clear diagrams and illustrations, this is the ultimate book for all enthusiasts of this remarkable craft. Melissa Leapman’s Indispensable Stitch Collection for Crocheters-Melissa Leapman 2016-07-15 Anyone who loves to crochet needs to have this book on their bookshelf! Crochet diva Melissa Leapman divulges 200 of her favorite crochet stitch patterns in this book-enough designs to keep you busy stitching for years! Many of the patterns included are original designs, and others are garnered from Leapman’s years of experience in the industry. The book is geared toward crocheters of all skill levels and is formatted in a way that encourages readers to learn and grow as they sample from the patterns. The beginning of “Melissa Leapman Stitch Collection” features a pattern library with a full explanation of stitch multiples and how they work. Suggestions are offered about how to design basic projects, including afghans, pillows, hats, and more. The book’s second section offers stitch patterns arranged by type—from lace to cables to colorwork and beyond. Each stitch pattern is accompanied by easy-to-read instructions, stitch diagrams using international symbols, and a clear photo. If the reverse side of the fabric is interesting for a given pattern, both sides will be presented. A unique icon is used to mark these special patterns, making them easy to seek out for versatile scarves and blankets, which must look attractive on both sides. Readers will want to make hats, scarves, shawls, and more for themselves and friends. The patterns just beg to be stitched. No one can deny it—this book is off the hook. Learn to Crochet the Easy Way-Jean Leinhauser 2006-01-01 learn to crochet the easy way by Jean Leinkauser Knitting Without Needles-Anne Weil 2015 Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. Knitting Without Needles brings cool home, gifts, and clothing accessories—cowls, totes, rugs, poufs, scarves, and more—within arm’s reach. An all-in-one resource for a new kind of craft, this book shows you how to loop yarn with your fingers or your forearms with thirty patterns that are simple to follow and produce stylish results. Best of all, many of them knit up fast—in less than an hour! Even if you’ve never picked up knitting needles, you can easily master the techniques to make fun knits with kids and for kids (a princess crown, baby booties) and even last-minute gifts (a statement necklace for your fashionista friend). With stunning photography, plenty of step-by-step photos, and a detailed resource section, Knitting Without Needles is your go-to for a new way to knit. Crochet Kaleidoscope-Sandra Eng 2018-01-31 Stitch up a colorful kaleidoscope of crochet! Explore a lively twist on crocheted motifs as you shift through various shapes and color combinations. From the traditional granny square to more complex forms, these faceted motifs are the building blocks to creating unique and stunning designs. Crochet Kaleidoscope will help make your projects pop with the perfect mix of color in every stitch. Along with a collection of 100 fresh motifs, this book includes a complete guide to choosing yarn colors, what order to put them in, and how many to include. Plus, get five home decor and accessory patterns including a table runner, pillow, and rug from crochet designer and author Sandra Eng. You can shift shapes and shades to make the perfect piece for your home. Every turn of the crochet kaleidoscope allows you to get creative with color and apply your own unique personality to your crochet motifs. Loopdeloom- 2014 Crochet a Zoo-Megan Kreiner 2013-04-09 Go a little wild as you stitch everything from lions and tigers to bears and baboons. Featuring organic materials, these imaginative toys are perfect for children of all ages. You can even create felt bananas, leaves, and other zoo food, plus zany zookeepers all dressed for the part. Choose from more than 16 playful patterns for crochet; stitch one or two animals or construct an entire zoo set for a special gift Bring your zoo animals to life with clever details and ideas for customizing, such as shaggy manes, felt stripes, and embroidered paws Complete each beautifully illustrated design in just a few hours using basic crochet skills Knits to Give-Debbie Bliss 2011-09-01 “Originally published in the United Kingdom[m] in 2011 by Quadrille Publishing Ltd, London” - Colophon.
