Mother shook like a leaf as we cried. She was afraid, very afraid. Then, she blessed me: "You will not experience this. Your husband will not do this evil to you." If I had known then what I know now, I would have asked her, "Mother dear, can you make him your husband? Can you spend some time with him?" I would have said, "Don't leave him alone. Stay with him while we stay with the dogs. They all need our love and protection, men and dogs."

Hold Me If You Can-Stephanie Rowe 2012-01-01 "A steamy, imaginative series that hits all the right marks...readers will be captivated." —Larissa Ione, New York Times bestselling author of Eternal Rider WITHOUT HER PASSIONS, SHE HAS NO MAGIC... It's unfortunate for Natalie that Nigel Aquarian is so compelling. With his inner demons, his unbridled heat, and his "I will conquer you" looks, he calls to her in exactly the way that nearly killed her. BUT LOSING CONTROL MEANS LOSING HER LIFE... That he's an immortal warrior and that her powers rise from intense passions would seem to make them a match made in heaven, but unless they embrace their greatest fears, they'll play out their final match in hell. With a unique voice that critics say, "carves out her own niche-call it paranormal romance adventure comedy," Stephanie Rowe delivers an irresistible pair of desperadoes dancing on the edge of pure temptation. Praise for Touch If You Dare: "Extraordinary settings and fiery romance...Action packed from beginning to end." —RT Book Reviews, 4 stars

Love Always Theory-Theron Kennedy 2010-09-14 Theron Kennedy's poems are addictive. I couldn't stop myself from reading and feeling his words. His lines are beautifully crafted. Each poem is well versed with amazing metaphors and sweet and beautiful imagery. His words paint abstract yet vivid emotion. He artistically creates nude images and feelings. The intensity of his emotion radiates like energy touching my heart, mind, and soul. His beautiful mind leads me on a journey to his whole being. He remarkably redefines love and its culture. His expression of pain is impressive. Each of his poems is a song. As I swim through it I see beautiful movies featuring the life of this amazing poet.Nenita Gutierrez

As a fragile romance begins to grow, can Reece trust Camille with his secrets? And when promises are broken, along with hearts, can the charm of Coral Cove help bring them back together?

Lilith'S Reflection-Brigitte Wynn Karey 2012-06-27 Liliths Reflection explores the concept of possibilities rather than facts. If facts dominate most of our daily thinking, we leave out possibilities that might exist in our livethe unseen from other dimensions that intercept our paths of life. Things or events exist for a reason, and there is more than one way to look into every situation. Lilith was introduced as an orphan and a tragic victim who was abandoned by her psychopathic father at the age of six. She was mentally not well, she thought at first. Now she realized her condition has never been that simple. Her illness wasn't strong enough to poison her mind, but something else was. Her mental illness was just the image she portrayed to others, but her true self was far beyond her sickness. Love, in this novel, is represented in an unnoticeable and unusual way rather than in a traditional way. There is no such thing as the correct or the wrong way of loving someone. Love could be in holiness, or love could be in such sinfulness, but love is love. Lilith, after countless struggles with her search for true love, she had found not only her greatest love of all, but also her true soul mate, not for one life, but for eternity. Author Brigitte Wynn Karey is a lover of words. The author expresses her thoughts not only to her audiences but also to herself. Her ability to use words to express her thoughts creatively in her own way was excellent. The imagination created in this book would let the audiences enjoy their mental imaginary visions as well as to open up the possibilities that they might have missed out.

Ultimately veering onto different life paths, they both experience love, betrayal, friendship, pain, independence, and fear.
