Five Cents of Land-Malayāttūr Rāmakṛṣṇan 1998 The unmaking of a hero Madhavan Pillai, a freedom fighter of renown in pre-independence years, now a penniless alcoholic, awaits an anonymous death, while his protege Ramettan helplessly witnesses the downfall of his idol. Just over two decades ago, Ramettan was a young college student in awe of the daring revolutionary who was everybody's hero...but today he buys Madhavan Pillai his daily hooch and makes futile rounds of the government secretariat trying to get his mentor five cents of land/his dying wish. As the story unfolds, it is discovered that the same patch of land is coveted by somebody else who is closer to the Revenue Minister; the only thing that could make a difference is a personal request to the minister by the ailing freedom fighter, but despite Ramettan's urgings Pillai refuses to bend and ask for a favour....Five Cents of Land, by one of Kerala's most respected authors, takes an unsparing look at what we are left with when dreams die and romantic notions fail, and forces us into accepting the futility of convictions and the inevitability of compromise. Translated from the Malayalam by R. Viswanathan

Goat Days-Benjamin 2012-07-17 Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the

Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Indian Horror Cinema-Mithuraaj Dhusiya 2017-09-13 This book studies the hitherto overlooked genre of horror cinema in India. It uncovers some unique and diverse themes that these films deal with, including the fear of the unknown, the supernatural, occult practices, communication with spirits of the deceased, ghosts, reincarnation, figures of vampires, zombies, witches and transmutations of human beings into non-human forms such as werewolves. It focusses on the construction of feminine and masculine subjectivities in select horror films across seven major languages - Hindi, Tamil, Telugu, Kannada, Bangla, Marathi and Malayalam. The author shows that the alienation of the body and bodily functions through the medium of the horror film serves to deconstruct stereotypes of caste, class, gender and anthropocentrism. Some riveting insights emerge thus, such as the masculinist undertow of the possession narrative and how complex structures of resistance accompany the anxieties of culture via the dread of laughter. This original account of Indian cinematic history is accessible yet strongly analytical and includes an exhaustive filmography. The book will interest scholars and researchers in film studies, media and cultural studies, art, popular culture and performance, literature, gender, sociology, South Asian studies, practitioners, filmmakers as well as cinephiles.

Exploring Indian Modernities-Leïla Choukroune 2018-06-04 This book analyses how multiple and hybrid 'modernities' have been shaped in colonial and postcolonial India from the lens of sociology and anthropology, literature, media and cultural studies, law and political economy. It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities. The two broad foci in this book are: (a) The dynamism of modern institutions in India, delineating the specific ways in which ideas of modernity have come to define these institutions and how institutional innovations have shaped modernities; and (b) perspectives on everyday practices of modernities and the cultural constituents of being modern. This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars.

A Preface to Man-Subhash Chandran 2019-01-25 Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's One Hundred Years of Solitude and has the scale of Sunil Gangopadhyay's Those Days. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.
