The V.o.w.-Anissa Perkins 2017-04-13 Most persons will say, "I'm not designed to pray like most people." Or persons will say, "Will you pray for me because I know you can get a prayer through." When prayer, all along has been a form of communicating with God, was created for everyone. Our Father God has often said, throughout the Bible, "seek Me," "call unto Me," or "draw nigh unto Me." Those words were invitation to everyone. In this book, the Believer will be exhorted to pray with much intercession. Their faith will be encouraged through the life of Rahab, a harlot of Jericho who lived among the lowliest of the walls of the city. She lived along the Dung gate. Rahab was one who had no destined right to the God of Israel; however, because of her faith she bypassed a call of prayer and went into action by interceding between her nation and the nation of Israel. How did she do that? She hid two of Israel’s spies and that act of intercession saved her bloodline from destruction! Whether the Believer sees themselves as the lowliest person along the wall, as Rahab may have, or at the highest point on the wall, they will be encouraged in this reading. Encouraged to stay ALONG and strengthened ON THE WALL to watch over the prayers that will save a generation unto a legacy of salvation! I believe, as you read this book, you will: 1) believe GOD’S WORD; 2) stand on a firm foundation, the WORD; 3) see the salvation of others from a life of destruction; 4) use GOD’S WORD as a counteractive to the enemy’s tactics; 5) be confident in the Holy Spirit’s activity in your life as you yield to Him; and 5) see the glory of God’s work in your life! You will find yourself actively participating in direct communication with God as you actively intercede! Glory! As you turn the pages, my prayer is that you MOVE along the wall of your family, in an alert fashion, as you pray and intercede in conjunction with our Heavenly Father’s invitation. You’ll know, without a shadow of doubt, it is HIM Who has drawn you into a lifetime of communication with HIM: prayer. I believe as we do such, we will truly live out the Word of God that declares in 2 Chronicles 7:14, "if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

Change Your Thoughts, Change Your Life-Wayne W. Dyer, Dr. 2007-07-31 Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China dictated 81 verses, which are regarded by many as the ultimate commentary on the nature of our existence. The classic text of these 81 verses, called the Tao Te Ching or the Great Way, offers advice and guidance that is balanced, moral, spiritual, and always concerned with working for the good. In this book, Dr. Wayne W. Dyer has reviewed hundreds of translations of the Tao Te Ching and has written 81 distinct essays on how to apply the ancient wisdom of Lao-tzu to today’s modern world. This work contains the entire 81 verses of the Tao, compiled from Wayne’s researching of 12 of the most well-respected translations of text that have survived for more than 25 centuries. Each chapter is designed for actually living the Tao or the Great Way today. Some of the chapter titles are "Living with Flexibility," "Living Without Enemies," and "Living by Letting Go." Each of the 81 brief chapters focuses on living the Tao and concludes with a section called "Doing the Tao Now." Wayne spent one entire year reading, researching, and meditating on Lao-tzu’s messages, practicing them each day and ultimately writing down these essays as he felt Lao-tzu wanted you to know them. This is a work to be read slowly, one essay a day. As Wayne says, "This is a book that will forever change the way you look at your life, and the result will be that you’ll live in a new world aligned with nature. Writing this book changed me forever, too. I now live in accord with the natural world and feel the greatest sense of peace I’ve ever experienced. I’m so proud to present this interpretation of the Tao Te Ching, and offer the same opportunity for change that it has brought me."
