The History of the Gaelic Athletic Association in Canada-Ainsley Baldwin 2008-07-04 The history of Gaelic games in Canada, before the founding of the Gaelic Athletic Association in Ireland in 1884 and in the years since, proves a determination by Irish immigrants who have arrived in numerous provinces of Canada. Through their dedication the flag of Irish sports has flown strong, and will continue to fly in the years to come. The sporting traditions include the oldest European field game of hurling-a masterful art and the fastest game in the world-in which players use an ash wood stick and a hard ball. Many argue with some conviction, and no small amount of fact to support their case, that Canada's national sport, ice hockey, has its origins in hurling. The word puck is derived from the Irish word poc, which is the action of striking the ball with a hurley. In 1845, the civic fathers of Quebec City banned the playing of hurling in their narrow streets, while in St. John's, Newfoundland, hurling was being played as early as 1788 at the "Barrens" of the city. The ladies' version of hurling, Camogie, has had its presence on occasion in some Canadian communities. The skillful play of Gaelic Football, which has dominated the sporting scene across the country in many Canadian cities, continues to be the greatest strength in modern times. Along with two other Irish sports of handball and rounders, many wonderful memories for the Canadian-Irish community are celebrated in this book that captures an exciting facet of Irish culture.

The Irish Village Murder-Dacey Deere 2005-03-01 When American translator and sometime sleuth Torrey Tunet returns home to the Irish village of Ballynagh, she wants nothing more than to relax in front of a peat fire in her cottage. But when she finds an eight-year-old girl at the bus stop, waiting forlornly in the gathering darkness, Torrey reluctantly takes charge of delivering the child to the country house where her usually dependable aunt serves as housekeeper. What they find at Gwathney Hall, however, is not a warmly welcoming Auntie Megan: it's cold-blooded murder. Historian John Gwathney has been brutally shot in his own house, and the immediate suspect is none other than his housekeeper-the girl's aunt-Megan O'Faolain. Certain that her friend Megan is not a killer-and unable to resist a good mystery-Torrey vows to track down the murderer herself. As she digs deeper and deeper into Gwathney's research, looking for clues, she gets caught up in a whirlwind of theft, intrigue, and scandal. Is the guilty party Megan's not-so-secret lover, jealous of the romance Megan and Gwathney had shared? Was it Gwathney's assistant, who stood to gain a great deal upon his mentor's death? Was it Owen Thorpe, whose castle Gwathney visited for mysterious purposes shortly before he was killed? And how does the famous historian's final project-an unprecedented piece of scholarly detective work into the Sack of Baltimore by Algerian pirates-fit into the mysterious puzzle of his murder? As Torrey struggles to clear her friend's name and uncover the real killer, she must employ all her skills to find the key to this shocking crime-and prove that even in a small town such as Ballynagh, people can keep the most dangerous of secrets...

Badge 13-Lee Kohn 2006-06 A man of wisdom once said to me, "Lee; it's better to have a great story and no grammar skills than great grammar skills and no story. So I took those words to heart and sat down to tell my story, not just of good and evil but a story of hidden kindness. This is the first book in a trilogy and will be followed by, Shadows of Rage and A Prayer for O'Malley. So follow the life of a half Irish, half Italian, 30 year veteran Mobile police officer who has lost everything he holds dear to him and now has turned to alcohol and women to satisfy his longing for the answers. He lives in a world of his own and allows no one to enter without his approval and that is not easily obtained. He lives and upholds the law with wisdom and instinct and enforces it with his fist. Jake calls his successes and failures in life, "The luck of the Irish." This book should unfold very much like a movie and that's because it was from a screenplay I had written a few years back. So sit down and enter a world that you might find very funny and very sad. Maybe in the process of reading this story you'll reevaluate your way of thinking about law enforcement and remember this, "The most beautiful part of an oak tree is the leaves and branches, but its life comes from the ugly root.
