Come read the true and heartwarming story of the animal sanctuary that provided a new home for Owen, where he found an unlikely best friend in a 130- year-old tortoise named Mzee.

Owen & Mzee-Isabella Hatkoff 2006 Details through text and photographs the special bond shared by Owen, an orphaned hippo, and Mzee, a 130-year-old giant tortoise.

Owen & Mzee-Isabella Hatkoff 2007 Provides the true story of the strong relationship between Mzee, the 130-year-old tortoise, and Owen, the orphaned baby hippo rescued from the tsunami floods, that has developed between this unlikely pair through their special form of communication of soft sounds and gestures.

Brief Cognitive Hypnosis-Jordan Zarren, MSW, DAHB 2002 "Brief Cognitive Hypnosis gives a unique and refreshing presentation of various applications of hypnosis in clinical practice. Most importantly this book focuses on brief clinical interventions which are both effacious and cost effective. The authors clearly describe a number of techniques for correcting dysfunctional behaviors such as irritating and/or self-destructive habits, ameliorating anxiety disorders, treating pain, and managing troublesome side effects of various medical treatments and procedures. I highly recommend this book as a valuable resource for all clinicians who are faced with helping their patients deal with such problems." - Edward J. Frischholz, PhD, Fellow and Past-President Divison 30 (Society for Psychological Hypnosis) American Psychological Association Past-Editor, American Journal of Clinical Hypnosis Fellow and Approved Consultant, American Society of Clinical Hypnosis "I wish I had said that. This book is clear, accurate, and explicated in a way that is indisputably better than any other texts on clinical hypnosis that I've read." - Dabney M. Ewin, MD, ABMH Past President of the American Society of Clinical Hypnosis Board Certified Diplomate of the American Board of Medical Hypnosis "[This book] is a magical addition to the field of Clinical Hypnosis. Two distinguished Board Certified Clinicians with over sixty years of combined clinical experience have provided a delightful book that will not only add to the experienced clinicians' skills, but provide a straightforward and practical approach for the neophyte in hypnosis." - William C. Wester, EDD, ABPP, ABPH Past President of the American Society of Clinical Hypnosis "This is a valuable book for clinicians. It is highly practical, 'user friendly', and explicates rapid treatment methods for the range of problems most commonly seen in our offices. I definitely recommend it." - D. Corydon Hammond, PhD, ABPH Past President of the American Society of Clinical Hypnosis Professor University of Utah School of Medicine "...Zarren and Eimer integrate traditional psychodynamic models of the unconscious and symptom-formation with modern cognitive theory, the outcome of which is a new model for the change process in therapy. With lucid description of their clinical methods and rich case illustrations the authors show how the hypnotic trance, along with careful attention to the wording of the hypnotic scripts, enable the patient to open to the possibility of genuine change." - Daniel Brown, PhD, ABPH Professor, Harvard Medical School and Simmons School of Social Work, Boston, Massachusetts

A Mama for Owen-Marion Dane Bauer 2010-11-16 Owen the baby hippo and his mama were best friends. They loved to play hide-and-peek on the banks of the Sabaki River in Africa. That was all before the tsunami came and washed Owen's world away. But after the rain stops, Owen befriends Mzee, a grayish brown tortoise. He plays with him, snuggles with him, and decides he just might turn out to be his best friend and a brand-new mama. Inspired by the tsunami of 2004, acclaimed storyteller Marion Dane Bauer and celebrated illustrator John Butler depict this heartwarming true tale of healing, adoption, and rebirth – with splendid illustrations and oodles of love.

MAMA-Jeanette Winter 2006-04-01 Set during the devastating tsunami of 2004, MAMA is the touching true story of a baby hippo that was separated from his mother when the wave hit. After struggling alone for several days, the baby was rescued by Kenyan wildlife officers and brought to live in an animal refuge. There, all by himself, he adopted a new "mother"--that just happened to be a 130-year-old giant male tortoise. And they've been inseparable ever since. Although MAMA takes place against the backdrop of a terrible human tragedy, at the heart of this story is a moving and original tale of adoption--and of finding love and companionship in the least likely of circumstances. Includes an author's note.

Leo the Snow Leopard-2010 Documents the survival story of a Pakistan snow leopard that was rescued as an orphaned cub and taken in by scientists from the Wildlife Conservation Society, who placed him with the Bronx Zoo.

Hope for Winter: The True Story of a Remarkable Dolphin Friendship-Craig Hatkoff 2014-08-26 A story of a baby dolphin named Hope is rescued against all odds.Exactly 5 years and 1 day after Winter, the tailless dolphin who inspired a major motion picture featuring Morgan Freeman, Ashley Judd, and Harry Conick Jr., was rescued, something pretty amazing happened. Just feet from where Winter was found, appeared another injured dolphin, orphaned from her mother and struggling to survive. The Clearwater Marine team quickly went to work, attempting to nurse this new dolphin back to health. After a tough fight fought by the little dolphin and by the Clearwater team, the dolphin grew strong and healthy. She now lives with Winter and crowds flock to the aquarium to see them play. Her tale is one of courage and triumph. She was named Hope and this book tells her story.

Two Bobbies-Kirby Larson 2013-06-27 During Hurricane Katrina, evacuating New Orleans residents were forced to leave their pets behind. Bobbi the dog was initially chained to keep her safe, but after her owners failed to return, she had to break free. For months, Bobbi wandered the city's ravaged streets-dragging her chain behind her-followed by her feline companion, Bob Cat. After months of hunger and struggle, the Two Bobbies were finally rescued by a construction worker helping to rebuild the city. When he brought them to a shelter, volunteers made an amazing discovery about the devoted friends-Bob Cat was actually blind! He had survived the aftermath of the storm by following the sound Bobbi's chain made as she dragged it along the ground. At the shelter, the two bob-tailed friends refused to be parted, even for a moment. Could rescue workers find the Bobbies' owners? Or could they find a new home that would take them together? This remarkable true story of devotion and survival is a testament to the spirit that defined post-Katrina rescue missions, and is a perfect way to commemorate the this day in history.

Nubs: The True Story of a Mutt, a Marine & a Miracle-Brian Dennis 2009-11-01 Nubs, an Iraqi dog of war, never had a home or a person of his own. He was the leader of a pack of wild dogs living off the land and barely surviving. But Nubs's life changed when he met Marine Major Brian Dennis. The two formed a fast friendship, made stronger by Dennis's willingness to share his meals, offer a warm place to sleep, and give Nubs the kind of care and attention he had never received before. Nubs became part of Dennis's human "pack" until duty required the Marines to relocate a full 70 miles away--without him. Nubs had no way of knowing that Marines were not allowed to have pets. So began an incredible journey that would take Nubs through a freezing desert, filled with danger tofind his friend and would lead Dennis on a mission that would touch the hearts of people all over the world. Nubs and Dennis will remind readers that friendship has the power to cross deserts, continents, and even species.

Cecil's Pride-Craig Hatkoff 2016-04-26 A stunning, new project from Craig Hatkoff about a remarkable lion king named Cecil and his pride. At Hwange National Park, Zimbabwe's largest game reserve, more than 100 species of mammals live together. Lions, giraffes, zebras, elephants, leopards, and rhinos roam freely through vast deserts, forests, and grasslands. Cecil the Lion was the king of them all. There are no fences or walls like in a zoo. It's a diverse ecosystem, but there's a delicate balance. When something changes, it sends a ripple throughout the whole park. No one knew it yet, but a ripple was about to be felt around the world. This is the tale of Cecil's dramatic rise to power and an unlikely partnership with his rival, Jericho, that would eventually save his pride. The book is filled with stunning, full-color photos taken by Brent Stapelkamp, a lion researcher for the Wildlife Conservation Research Unit at Oxford University. Brent has spent years tracking, studying, and photographing Cecil and his pride.

Friends-Catherine Timmess 2011-05-23 What makes a camel friends with a Vietnamese pig? Or a wild polar bear pals with a sled dog? In this young preschool book, Catherine Timmess makes us wonder at the truth and mystery of unlikely animal friendships. Because the stories behind these friendships are true, not contrived, captured by photographers in many countries ranging from Siberia to Japan, they not only give readers insight into animals but challenge preconceived notions about compatibility. This book also expresses tolerance of differences and makes us look at the kindness of animals—and humans—a little differently.

Emmanuel's Dream: The True Story of Emmanuel Ofose Yeboah-Laurie Ann Thompson 2015-01-06 Emmanuel Ofose Yeboah's inspiring true story—which was turned into a film, Emmanuel's Gift, narrated by Oprah Winfrey—is nothing short of remarkable. Born in Ghana, West Africa, with one deformed leg, he was dismissed by most people—but not by his mother, who taught him to reach for his dreams. As a boy, Emmanuel hopped to school more than two miles each way, learned to play soccer, left home at age thirteen to provide for his family, and, eventually, became a cyclist. He rode an astonishing four hundred miles across Ghana in 2001, spreading his powerful message: disability is not inability. Today, Emmanuel continues to work on behalf of the disabled. Thompson's lyrical prose and Qualls's bold collage illustrations offer a powerful celebration of triumphing over adversity. Includes an author's note with more information about Emmanuel's charity. From the Hardcover edition.

Saving Fiona-Thane Maynard 2018-06-19 The amazing, true story of Fiona, a baby hippo born prematurely at the Cincinnati Zoo, the team of scientists and caregivers who nursed her to health, and the vast community in Cincinnati and beyond who rallied around her. Includes full-color behind-the-scenes photographs throughout. On a cold January day in 2017, nearly two months before due date, Nile hippopotamus Bibi gave her keepers at the Cincinnati Zoo & Botanical Garden a big (little) surprise—a tiny newborn hippo, no bigger than a football. The first premature hippo born and raised in captivity, baby Fiona was an underdog from the start: she couldn't nurse, she couldn't stay hydrated, and she wasn't thriving. But the staff at the zoo knew they could save her. It would take creative thinking and teamwork. They would have to study the makeups of hippo milk for the first time ever and reach out to medical colleagues, including a team at the local Children's Hospital with superior vein-finding skills, to ensure that Fiona would begin to gain weight and become healthy. When Fiona began to thrive, her star began to rise, and soon she became an internet sensation, her picture and video garnering thousands and thousands of likes and fans on Instagram and Facebook. Now a Fiona appearance at the Zoo mimics a Beatles concert. What made this little, now big, hippo such a big hit with people all over the world? And what's in store for her and her family in the future?
