Mosby's Review for the Pharmacy Technician Certification Examination - E-Book-James J. Mizner 2014-03-12 Covering everything you need to study for and

pass the Pharmacy Technician Certification Board (PTCB) and ExCPT exams, Mosby's Review for the Pharmacy Technician Certification Examination, 3rd Edition makes exam preparation easy. Review the content you'll see on the exam with handy outlines, test-taking tips and strategies, and electronic flash cards. Written by noted pharmacy technician educator James J. Mizner, this complete review tests your knowledge and simulates the actual PTCB exam with 17 different, 100-question practice exams in the book and online. This edition is modeled after the updated Pharmacy Technician Certification Exam Blueprint. A total of 1,700 review questions are included in 17 practice exams in the book and online. 100-question format of each practice exam simulates the PTCB and ExCPT exams, with multiple-choice questions and the same balance of content, for a realistic test taking experience. 700 electronic flash cards help you learn and remember facts by covering the top 200 most prescribed pharmaceuticals, top 50 herbals, abbreviations, and sound-alike drugs. Review content reflects the new percentages covered on the PTCB exam. A convenient outline format helps you to quickly review important information you'll see on the exam. Tips and suggestions prepare you for test-taking success by providing an insider's perspective on what to expect and how to prepare for your exam when you have limited time. Seven practice exams in the book feature the same format and content emphasis as the national exam. Ten practice exams on the Evolve companion website in both timed and untimed modes help you identify any areas of weakness, and include instant feedback and remediation. UPDATED content includes current drug information and pharmacy practice procedures based on the new Pharmacy Technician Certification Exam Blueprint. NEW! Chapter objectives provide a clear breakdown of content and goals for review.

Flashcard Study System for the PTCB Exam-Mometrix Media LLC 2010-08-01

Concise Review for the PTCB Exam-Brian Tuschl 2007-06 Concise Review for the PTCB Exam is a comprehensive approach to preparing for the pharmacy technician certification exam. It does not try to cover every aspect about the field of pharmacy. Rather, it targets the information that is relevant to the certification exam. The text includes drug information, test-taking strategies, examples and practice questions that will prepare a student to pass the test the first time. . Instruction in all test areas: math, law, hospital, drug information. . Contains strategies you MUST know to ace the exam. . Over 750 practice questions that will familiarize you with the PTCB format and help you master the techniques taught. . Detailed answer explanations that will help you avoid making the same mistake twice. . Pharmacy calculations are completely worked out so that all math problems on the exam can be easily understood and solved. . Gives unique ways to learn many of the drugs that will be on the exam. . Includes three practice PTCB tests. All of these questions are similar to those that you will see on the actual PTCB exam. . Covers pharmacy law and hospital information in a way that will make it easy to recall the information. .Contains a list of the top 200 drugs with brand, generic, indication and class. About the Authors Brian Tuschl, Pharm. D., is the president of Tech Prep Solutions. He is an Adjunct Clinical Assistant Professor in the Department of Clinical Sciences and Administration in the College of Pharmacy at the University of Houston and was presented with the Roche Preceptor of the Year Award in 2006. Dr. Tuschl currently serves as a member of the advisory boards of two local technical schools with pharmacy technician programs and also practices retail pharmacy in Houston, Texas. Christopher Ardoin, BSPHarm, is the co-founder of Tech Prep Solutions. He is a preceptor with the University of Houston College of Pharmacy. He is a licensed pharmacist in both Texas and Louisiana. Mr. Ardoin has over ten years of pharmacy experience in areas including hospital, compounding, and retail pharmacy.

PTCE - Pharmacy Technician Certification Exam Flashcard Book + Online-Della Ata Khoury, CPhT 2016-08-25 REA's PTCE (Pharmacy Technician Certification Exam) Flashcard Book Updated Second Edition 500 Questions & Answers You Need to Know This latest addition to our Health Sciences series of flashcards is designed to help PTCE candidates check their test-readiness before taking the Pharmacy Technician Certification Exam. Unlike most flashcards that come in a box, our cards are bound in an easy-to-use, organized book that makes it convenient to study anywhere. Written by a seasoned pharmacy technician instructor and based on the most recent exam, our study supplement covers everything you need to know for the PTCE: assisting the pharmacist in serving patients, maintaining medication and inventory control systems, and participating in the management of pharmacy practice. The flashcards are broken down by PTCE test topics and include multiple-choice questions with detailed answer explanations. The questions are similar to what you may encounter on the PTCE. The 500 flashcards are divided as follows: \* 200 flashcards focused on the top 200 brand/generic drug names including their respective drug classes, indications, side effects, and special considerations \* 50 flashcards focused on pharmaceutical terms and abbreviations \* 250 flashcards focused on PTCE review material: - 165 flashcards on Assisting the Pharmacist in Serving Patients - 55 flashcards on Maintaining Medication and Inventory Control Systems - 30 flashcards on Participating in the Administration and Management of Pharmacy Practice After studying with the book, go online and review what you have learned at REA's Study Center. Our customizable e-flashcards and 3 practice quizzes give you the freedom to create your own PTCE study plan and study anywhere, anytime. You can also create your own unique flashcards for any sections of the test that give you difficulty. This flashcard book and the online tools that come with it, will help you personalize your PTCE prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. If you're a pharmacy tech student and want extra practice and review before the exam, REA's PTCE Flashcard Book is the right Rx for your study needs.

The 14 Day PTCB Prep-U. G. O. Prep PTCB 2019-06-17 It's no secret that the Pharmacy Technician exam has a higher than normal fail rate. Most people fail the exam because they don't know what to study in order to pass. There is so much information out there about the PTCB exam that it can feel overwhelming at first. Due to this confusion, people pay hundreds of dollars in testing fees and waste countless years of their lives attempting to pass this exam. We don't want you to end up this way. Imagine just for a minute, what it would be like to 'figure it all out' - to wave a magic wand and all of the sudden turn a corner so that you're keeping up instead of falling behind, understanding what's going on instead of having anxiety because you're so confused, and walking into the room to take your PTCB exam feeling cool, calm and collected instead of sleep-deprived and nervous. Do you like the sound of that? If you said 'YES' to that question then you are in luck because our full time job is literally to help you do just that! Here at UGO Prep, we specialize in studying exam behaviors to a science. We've spent years evaluating the methods of the PTCB exam in order to create our study guide. When we released our guide to the public, we noticed a big improvement in the confidence level of people who used our material to prepare for their exam. We also noticed an increase in the pass rate of people who used our guide when compared to people who used other guides. Most companies would stop there, BUT WE DIDN'T! We started on the long process of pouring over data to find out where our study guide fell short and where we can improve. We refined our study guide to target those weak areas that most people struggle with every year on the exam. Shortly after, we tested our guide from beginning to end using people who wanted to pass their PTCB exam. Men and women. Both young and old. Time and time again, people who used our guide successfully passed their exam. Our #1 priority here at UGO Prep is to help you pass your PTCB exam quickly and effortlessly. You shouldn't have to 'get serious' or change your priorities in life just so you can pass this exam. Why study harder when you can study smarter? Let's get started together! □ 4 Full Length Tests: Our online simulated PTCB exams mirror all the behaviors of the actual test. Each of our simulated exams are created with the most precise content makeup of the PTCB exam. We time and grade each of our simulated exams the same way the actual test does. □ 400 Practice Questions: Test your skills with our powerful online PTCB practice questions. We include explanations for each answer response. Unlimited attempts. □ 9 Comprehensive Lessons: Your one stop shop for all things PTCB exam. Topics covered include Pharmacology, Pharmacy Law and Regulations, Medication Safety, Pharmacy Inventory Management and much more. PTCB® and PTCE® are trademarks of Pharmacy Technician Certification Board. This book is not endorsed or approved by Pharmacy Technician Certification Board.

Pharmacy Calculation Workbook: 250 Questions to Prepare for the NAPLEX and PTCB Exam-Coventry House Publishing 2019-06-11 The Pharmacy Calculation Workbook provides 250 calculation questions to prepare for the demanding NAPLEX and PTCB Exam. Master exam topics with intensive practice in the areas you'll find on the test. All questions are test-level difficulty and focused solely on helping you pass. PTCB Exam Simplified Pharmacy Technician Certification Exam Study Guide-David A Heckman, Pharmd 2013-09-12 When it comes to investing in a PTCB exam review book, you have a lot of options. To help you make your decision easier, we have created a list of the top 5 factors you should consider when choosing a study guide. Top 5 factors to consider when selecting a PTCB exam study guide: #1 --Up To Date-- Standardized exams are always evolving. Make sure you prepare yourself with a study guide that is up to date with current information and current laws. #2 --Practice Questions-- You can read until you're blue in the face, but the best way to learn is to do it yourself! That is why PTCB Exam Simplified is packed full of examples and practice problems. #3 --Manageable Size-- You really need to consider how much content you can reasonably review before the exam. You need a study guide that gives you just the right balance of information, not too much and not too little. PTCB Exam Simplified provides just the right amount of information. Though I did not obtain her endorsement personally, I am pretty certain Goldilocks would choose PTCB Exam Simplified if she were preparing to take the PTCE. #4 --A Substantial Review of Pharmacy Calculations-- Math problems make up a large portion of the PTCB exam, and you need to be prepared in order to be successful. Many of the best-selling PTCB exam study guides fail to prepare students adequately in this category, but PTCB Exam Simplified provides a thorough review of pharmacy calculations. #5 -- Study and Quiz Yourself at the Same Time-- You want a study guide that can equip you with exam-relevant knowledge as quickly as possible. PTCB Exam Simplified does this by providing you with questions and answers that allow you to quiz yourself as you study.

Rxexam - Ptce(r) Exam Review Book 2019-2020 Edition-Manan Shroff 2019-02 Covers Updated PTCB Competency Statements!1. Approximately 500 questions with answers and complete explanations. 2. List of drugs requires refrigeration and much more...

Goodnight Pharm: 350 Brand and Generic Drug Names with Classifications-Tony Guerra 2017-06-25 I've had feedback from students that they just want me to read them drug names and mnemonics so they can put in their earbuds before they go to bed before their board exams. I've got three five year olds, I don't have time to do the heavy lifting you all do as narrators. In Memorizing Pharmacology: A Relaxed Approach, which will sell over 6,500 audiobook copies in its first year, I only had the narrator complete 200 drug names in a seven hour book. There is a list of 350 later in the book, but I thought, who in the world would want to listen to 350 drug names in a row? So I omitted it. There was an answer to that rhetorical question, health professional students studying for a board exam that are exhausted from family, work, and school want to listen to it. This print, book, however, provides a journal for you to continue to add knowledge you pick up as you complete your pharmacology class, clinicals, or even an interesting commercial or YouTube video.

The Pharmacy Technician Workbook and Certification Review, 7e-Perspective Press 2020-01-15 The Pharmacy Technician Workbook and Certification Review, 7e, is a valuable tool to prepare for the national PCTE and ExCPT certification exams.
