Tales of Moonlight and Rain-Akinari Ueda 2008-12-24 First published in 1776, the nine gothic tales in this collection are Japan's finest and most celebrated examples of the literature of the occult. They subtly merge the world of reason with the realm of the uncanny and exemplify the period's fascination with the strange and the grotesque. They were also the inspiration for Mizoguchi Kenji's brilliant 1953 film *Ugetsu*. The title *Ugetsu monogatari* (literally "rain-moon tales") alludes to the belief that mysterious beings appear on cloudy, rainy nights and in mornings with a lingering moon. In "Shiramine," the vengeful ghost of the former emperor Sutoku reassumes the role of king; in "The Chrysanthemum Vow," a faithful revenant fulfills a promise; "The Kibitsu Cauldron" tells a tale of spirit possession; and in "The Carp of My Dreams," a man straddles the boundaries between human and animal and between the waking world and the world of dreams. The remaining stories feature demons, fiends, goblins, strange dreams, and other manifestations beyond all logic and common sense. The eerie beauty of this masterpiece owes to Akinari's masterful combination of words and phrases from Japanese classics with creatures from Chinese and Japanese fiction and lore. Along with *The Tale of Genji* and *The Tales of the Heike*, *Tales of Moonlight and Rain* has become a timeless work of great significance. This new translation, by a noted translator and scholar, skillfully maintains the allure and complexity of Akinari's original prose.

Ugetsu Monogatari Or Tales of Moonlight and Rain-Ueda Akinari 2011 *Ugetsu Monogatari, or Tales of Moonlight and Rain* numbers among the best-loved Japanese classics. These nine illustrated tales of the supernatural from eighteenth-century Osaka combine popular appeal with a high literary standard. The author expressed his complex views on human life and society in simple yet poetic language. Akinari questioned the prevailing moral values and standards of his age whilst entertaining his readers with mystery and other-worldly occurrences. This is a reissue of Leon Zolbrod's definitive English translation of the work, first published in 1974.

Caspian Rain-Gina B. Nahai 2010-05-22 From the best-selling author of 'Moonlight on the Avenue of Faith', a stirring, lyrical tale that offers American readers unique insight into the inner workings of Iranian society. In the decade before the Islamic Revolution, Iran is a country on the brink of explosion. Twelve-year-

old Yaas is born into an already divided family: Her father is the son of wealthy Iranian Jews who are integrated into the country's upper-class, mostly Muslim elite; her mother was raised in the slums of South Tehran, one street away from the old Jewish ghetto. Yaas spends her childhood navigating the many layers of Iranian society. Her task, already difficult because of the disparity in her parents' worldview, becomes all the more critical when her father falls in love with a beautiful woman from a noble Muslim family. As her parents' marriage begins to crumble and the country moves ever closer to revolution, Yaas is plagued by a mysterious and terrifying illness. But despite her ailment, when she learns that her father is about to abandon her and her mother — to immigrate to America with his mistress — Yaas is determined to save herself and her family. At once a cultural exploration of an as-yet-unfamiliar society and a psychological study of the effects of loss, *Caspian Rain* takes the reader inside the tragic and fascinating world of a brave young girl struggling against impossible odds.

Moonlight Mile-Dennis Lehane 2010-11-02 “[Lehane has] emerged from the whodunit ghetto as a broader and more substantial talent....When it comes to keeping readers exactly where he wants them, Mr. Lehane offers a bravura demonstration of how it's done.” —New York Times Moonlight Mile is the first Patrick Kenzie and Angela Gennaro suspense novel in more than a decade from the acclaimed, New York Times bestselling master of the new noir, Dennis Lehane. An explosive tale of vengeance and redemption—the brilliant sequel to *Gone, Baby, Gone*—Moonlight Mile returns Lehane's unforgettable and deeply human detective duo to the mean streets of blue collar Boston to investigate the second disappearance of Amanda McCready, now sixteen years old. After his remarkable success with *Mystic River*, *Shutter Island*, and *The Given Day*, the celebrated author whom the Washington Post praises as, “one of those brave new detective stylists who is not afraid of fooling around with the genre's traditions,” returns to his roots—and the result, as always, is electrifying.

A Garden In The Rain-Lynn Kurland 2003-09-02 New York Times bestselling author Lynn Kurland tells the story of Patrick MacLeod—the first MacLeod to discover the secrets of his ancestral land... Patrick MacLeod is haunted by his past, by events he had no control over and wishes desperately he could change. He hasn't the heart for love, nor the time for rescuing maidens in distress of their own making. Until he sees a woman who touches his heart and stirs his soul...and makes him believe love might be possible again after all. For Madelyn Phillips, Scotland is the land of dreams, filled with magic, romance, and handsome Highland lords. Unfortunately, the reality of her dream vacation is no car, no luggage, and a pesky ex-fiancé determined to shadow her every move. She thinks her dreaming is in vain. Until she sees a man standing on a windswept moor, a Highlander full of secrets and longing, and knows she has seen her destiny. But the past isn't through with either of them, and it will take all the love both of them possess to make their dreams come true...

Prayers for Rain-Dennis Lehane 2009-10-13 When a former client jumps naked from a Boston landmark, Private Investigator Patrick Kenzie wants to know why. Once a perky young woman in love with life, her suicide is the final fall in a spiral of self-destruction. What Kenzie discovers is a sadistic stalker who targeted the woman and methodically drove her to her death – a monster that the law can't touch. But Kenzie can. He and his former partner, Angela Gennaro, will fight a mind-twisting battle against the psychopath, even as he turns tricks on them... Prayers for Rain is another superior thriller from Dennis Lehane, the bestselling and acclaimed author of *Mystic River*, *Shutter Island*, and *Gone, Baby, Gone*.

After the Rain-Chuck Logan 2009-10-13 Phil Broker's latest adventure hits close to home, when he finds his estranged wife and daughter caught in a web of deception that may conceal a terrorist plot to bomb Minneapolis's nuclear power plant When Phil Broker's estranged wife, Nina, and his daughter, Kit, disappeared months ago, he wasn't surprised. Nina has a mysterious and dangerous job working for the government, and her work has taken her in harm's way before. Broker sets out on a mission to find Nina and force her to choose between life as a soldier or a mother, and take Kit out of danger once and for all. At the end of *Vapor Trail*, Broker learns that Kit has been abandoned by Nina at a motel in Langdon, North Dakota. But when he arrives, the situation is far more complicated than he imagined. Kit is, bizarrely, accompanied by a “babysitter” named Jane, who claims to be Nina's estranged girlfriend. Buddy Yelton, a local legend and hopeless womanizer, has apparently taken up with Nina. But Buddy Yelton is no harmless local—he has hidden connections to the Aryan Nation, and possibly Middle Eastern terrorists as well. And two motel guests are equally mysterious—Broker can't help thinking he remembers them as former GIs he knew back in Laos in '72. Obviously, all is not as it appears—and more than Kit's life is in danger—the fate of the entire Minneapolis-St. Paul Metro area is in Broker's hands.

After the Summer Rain-Gerri Hill 2019-09-01 Workaholic Erin Ryder was on the fast track to self-destruction. Reeling after her lover walked out on her, she turned to booze and caffeine to make it through each day. After a family intervention, she finds herself on a remote ranch in New Mexico—on womyn's land—to detox and heal. No cell service, no Internet—she's convinced she won't last three days, much less for the three-month sentence her father has mandated. Running from the chaos that had become her life, Melanie West moved to Eagle Bluff Ranch seven years ago. By far the youngest there, she embraced the compassionate, peaceful life that the elders espoused. Living off what her garden produced, her chickens and goats became her friends and confidants. Exposure to the outside world was limited to the handful of guests who stayed a few days at the ranch each year. This summer would be different. Melanie found herself hosting a young woman for three months. A young woman who wanted to be anywhere but there. As the days and weeks passed, their animosity turned to friendship as they helped the other heal from their past failures. Erin soon found herself loving life on Mel's little farm. Loving life and loving Mel. Saying goodbye would be the hardest thing she had to do—saying goodbye to Mel...or saying goodbye to her previous life.

Four Letters of Love-Niall Williams 2015-11-03 Nicholas Coughlan is twelve years old when his father, an Irish civil servant, announces that God has commanded him to become a painter. He abandons the family and a wife who is driven to despair. Years later, Nicholas's own civil-service career is disrupted by tragic news: his father has burned down the house, with all his paintings and himself in it. Isabel Gore is the daughter of a poet. She's a passionate girl, but her brother is the real prodigy, a musician. And yet this family, too, is struck by tragedy: a seizure leaves the boy mute and unable to play. Years later, Isabel will continue to somehow blame herself, casting off her own chances for happiness. And then, the day after Isabel's wedding to man she doesn't love, Nicholas arrives on her western isle, seeking his father's last surviving painting. Suddenly the winds of fortune begin to shift, sweeping both these souls up with them. Nicholas and Isabel, it seems, were always meant to meet. But it will take a series of chance events--and perhaps, a proper miracle--to convince both to follow their hearts to where they're meant to be.

Japanese Gothic Tales-Kyoka Izumi 1996-06-01 Resisting the various forms of realism popular during the Meiji "enlightenment," Izumi Kyoka (1873-1939) was

among the most popular writers who continued to work in the old-fashioned genres of fantasy, mystery, and romance. Gothic Tales makes available for the first time a collection of stories by this highly influential writer, whose decadent romanticism led him to envision an idiosyncratic world--a fictive purgatory -- precious and bizarre though always genuine despite its melodramatic formality. The four stories presented here are among Kyoka's best-known works. They are drawn from four stages of the author's development, from the "conceptual novels" of 1895 to the fragmented romanticism of his mature work. In the way of introduction, Inouye presents a clear analysis of Kyoka's problematic stature as a "great gothic writer" and emphasizes the importance of Kyoka's work to the present reevaluation of literary history in general and modern Japanese literature in particular. The extensive notes that follow the translation serve as an intelligent guide for the reader, supplying details about each of the stories and how they fit into the pattern of mythic development that allowed Kyoka to deal with his fears in a way that sustained his life and, as Mishima Yukio put it, pushed the Japanese language to its highest potential.

Blood Rain-Michael Dibdin 2009-10-07 Aurelio Zen—cynical and tough, yet worn down from years of law enforcement—has just been given the worst assignment he could imagine. He has been sent to the heart of hostile territory: Sicily, the ancient, beautiful island where blood has been known to flow like wine, and the distinction between the police and the criminals is a fine one. Even worse, he has been sent to spy on the elite anti-Mafia squad. The only thing that makes the job palatable—and takes his mind off routine details like the rotting body found in a remote train car—is that Zen's adopted daughter, Carla, is also in town. But life becomes precarious for Carla when she stumbles upon some information she'd be better off not knowing and befriends a local magistrate on the Mafia's most wanted list. What ensues is a breakneck plot of amazing complexity that culminates in a stunning finale. Blood Rain, emotionally gripping and defiantly original, is surely one of Dibdin's finest works. From the Trade Paperback edition.

History of the Rain-Niall Williams 2014-04-10 We are our stories. We tell them to stay alive or keep alive those who only live now in the telling. In Faha, County Clare, everyone is a long story... Bedbound in her attic room beneath the falling rain, in the margin between this world and the next, Plain Ruth Swain is in

search of her father. To find him, enfolded in the mystery of ancestors, Ruthie must first trace the jutting jaw lines, narrow faces and gleamy skin of the Swains from the restless Reverend Swain, her great-grandfather, to grandfather Abraham, to her father, Virgil - via pole-vaulting, leaping salmon, poetry and the three thousand, nine hundred and fifty eight books piled high beneath the two skylights in her room, beneath the rain. The stories - of her golden twin brother Aeney, their closeness even as he slips away; of their dogged pursuit of the Swains' Impossible Standard and forever falling just short; of the wild, rain-sodden history of fourteen acres of the worst farming land in Ireland - pour forth in Ruthie's still, small, strong, hopeful voice. A celebration of books, love and the healing power of the imagination, this is an exquisite, funny, moving novel in which every sentence sings.
