Nothing is at it seems. My name is Aspen Roan. Working for a high-end escort service in the heart of London, I pride myself in keeping clients at arm's length. I am not a stripper or a hooker. And I don't pleasure men for anything or anyone. Period. At least that is until Jasper Theron crosses my path and challenges everything I believe in. He is wealthy, mysterious, and devilishly good looking. Why the hell is he interested in me? When my co-workers start turning up dead and my best friend goes missing, I find myself trapped in Jasper's world of sex, lies, and hit men. Jasper may be a man haunted by demons, but I am far from a saint. The Nowhere Girls-Amy Reed 2019-07-09
“A call-to-action to everyone out there who wants to fight back.” —Bustle “Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down.” —Kirkus Reviews (starred review) “Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering.” —Amber Smith, New York Times bestselling author of The Way I Used to Be Three misfits come together to avenge the rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They’re everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle’s restaurant. Erin Delillo is obsessed with two things: marine biology and Star Trek: The Next Generation, but they aren’t enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she’s incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy’s tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

• The author is a popular journalist and blogger and the creator of Semi-rad.com
• A full journey—from confusion to clarity, remorse to redemption
• Will appeal to those searching for adventure and purpose
When Brendan Leonard finished substance abuse treatment at age 23, he was lost. He knew what not to do—not drink alcohol and not get arrested again. But no one had told him what it was that he could do. He quickly realized that he had to reinvent himself, to find something other than alcohol and its social constructions to build his life around. A few years later, Brendan was sober and had completed a graduate degree in journalism, but he still felt he was treading water, searching for direction. Then his brother gave him a climbing rope. And along that sixty-meter lifeline, Brendan gradually found redemption in the crags of the American West. He became a climber, someone who learned to push past fear, to tough it out during long, grueling days in the mountains; someone who supported his partners, keeping them safe in dangerous situations and volatile environments; someone with confidence, purpose, and space to breathe. Sixty Meters to Anywhere is the painfully honest story of a life changed by climbing, and the sometimes nervous, sometimes nerve-wracking, and often awkward first years of recovery. In the mountains, Leonard ultimately finds a second chance.

My Fair Junkie-Amy Dresner 2017-09-12
In the tradition of Blackout and Permanent Midnight, a darkly funny and revealing debut memoir of one woman's twenty-year battle with sex, drugs, and alcohol addiction, and what happens when she finally emerges on the other side. Growing up in Beverly Hills, Amy Dresner had it all: a top-notch private school education, the most expensive summer camps, and even a weekly clothing allowance. But at 24, she started dabbling in meth in San Francisco and unleashed a fiendish addiction monster. Soon, if you could snort it, smoke it, or have sex with, she did. Smart and charming, with Daddy's money to fall back on, she sort of managed to keep it all together. But on Christmas Eve 2011 all of that changed when, high on Oxycontin, she stupidly "brandished" a bread knife on her husband and was promptly arrested for "felony domestic violence with a deadly weapon." Within months, she found herself in the psych ward—and then penniless, divorced, and looking at 240 hours of court-ordered community service. For two years, assigned to a Hollywood Boulevard "chain gang," she swept up syringes (and worse) as she bounced from rehabs to halfway houses, all while struggling with sobriety, sex addiction, and starting over in her forties. In the tradition of Orange Is the New Black and Jerry Stahl's Permanent Midnight, Amy Dresner's My Fair Junkie is an insightful, darkly funny, and shamelessly honest memoir of one woman's battle with all forms of addiction, hitting rock bottom, and forging a path to a life worth living.

Murmur of the Lonely Brook-Debashis Dey 2012-11-01 Set in the timeless rhythm of life in the hills near Tibet this is a moving tale of life, love and hardship with the sights, sounds and smells that make the people and their hopes, dreams and fears come alive. After marriage Nisha comes to a remote village in the mountainous Tibetan Border to lead a life among a nomadic clan who follow a simple lifestyle with customs and rituals overlapping Hinduism and Buddhism dating back to ancient times. Pravin is a private person by nature and is happy to marry Nisha, the girl of his choice. Nisha is liked by everyone. Nisha loves her husband Pravin but also enjoys the infatuation from his brother. She spends her days happily with a perpetually sad mother-in-law Parvati repenting on her past life sins, a short tempered father-in-law Shevak, a love-stricken sister-in-law Ria, a kid goat munching everything, a lamb with a baritone bleat and her husband’s brother Diwakar lost in dreams. Everything goes well until Nisha's life is torn apart by a proposal, and assumed betrayal, by the one and only love of her life, her husband Pravin when he suggests common marriage, an ancient tradition still followed in this region in which both brothers share a single wife, Nisha. The family is supportive save Nisha who is horrified by the thought of sharing her love with someone for whom she has a brotherly affection. She cannot protest or disagree as it will make her an outcast and the family will throw her away. Her universe crumbles and she feels humiliated and tormented with the new turn of events. As ancient ways confront modern mores, Nisha will be torn between her values and age old customs in this brilliantly observed novel of ancestral folkways and contemporary families. Will Nisha compromise her values... or will she fight the age-old traditions?

No Daffodils, No Clouds-Tom Lyford 2012-07-01 No Daffodils, No Clouds, like Tom Lyford's earlier poetry books, is a compendium of baby boomer Americana. The table of contents listing, with everything from “Brat Packs” and “Idiots' Guide to Wormholes” to “A Terrible Thing to Waste” and “Poem Nazis,” reads like the big board of Alex Trebeck's Jeopardy categories. Allow Tom Lyford to personally introduce you to his unwitting mentors Janis Joplin, Bob Dylan, Tom Waits, Leonard Cohen, Stephen King, J. D. Salinger, and Ray Bradbury. Accept the tokens he offers for passage back through the Twilight Zone turnstile to relive those sights and sounds and smells of your '50s and '60s drive-in movie theater and roller skating pavilion. Contemplate his long view as to where we've been, and where we're headed.But you'll discover no “wandering lonely as a cloud” or “host of daffodils” here. Why? Because legions of Wordsworth wannabes have been doing that since 1802. What you will find, however, is a lot of humor and heart. You'll find accessible poems that you can understand. And you'll even find creative illustrations...

Dust Eaters North-Ronan Cray 2016-09-23 Ronan Cray's debut novel, Red Sand, won the 2014 Indy Reader Discover Award and earned him a spot on Horror Novel Review's "'Top 10 New Horror Authors" list. Now he's back with Dust Eaters North, an epic, globe-trotting, zombie adventure novel with a twist. "You aren't lucky enough to die." As the dead feed, an ill-equipped, untrained, desperate band of stragglers trudge 1700 miles north to Churchill, Manitoba. Rumors of a cure in China give them hope, but getting there after the world collapsed isn't easy. Dead villages, wild animals, unusual locals, -40 degree wind chill, and a lack of transportation pose obstacles even when Eaters aren't present, but Eaters outnumber the living 600:1. Cray's characters are like you and me, thrust into a world of chaos without any prior training. Cray introduces us to an unlikely band of survivors: Buck, an Oklahoma oil field worker whose last hope depends on climate change Tara, a housewife and former advertising executive thrust into the wilderness when her home explodes Cuba, a reformed gang member and inspiring Big Brother now forced to break a promise not to kill Fifty, a silent mountain of a man who is absolutely terrified of zombies Stokes, an alcoholic music professor still surprised to be alive The Kid, a Russian engineering student and the last survivor of Winnipeg No super-soldiers here. "That human factor, the one that's often overlooked in the zombie genre, is a welcomed presence here, and adds a level of depth often missing in similar stories." - Jess Landry, The Horror Review With nothing in common but their homeless path, these six find ways to bolster and support each other, to give hope in a hopeless world. "Those hopes become the sweetness that makes the story an adventure rather than an endless forced march through a killing field. The resolution, though horrifying, feels as earned as it is heartbreaking." - Publisher's Weekly Just like Red Sand, the horror of the novel is grounded in extensive research. Things happen for a reason; nothing supernatural here. Survivors persist with realistic, practical methods you can learn from. "If you enjoyed 'The Zombie Survival Guide', you will enjoy reading this." - Ben Sanders
Ronan Cray researched the book on location in Churchill, Manitoba in the dead of winter. While he didn't encounter any zombies, he did eat moose and dogsled through the taiga. Now back in New York with most of his fingers and toes, he produces short films and documentaries when he isn't writing a sequel. Come along on a journey across continents in Cray's new Compass Series. Hopeful and horrifying, startling and relentless, Dust Eaters will haunt you long after you turn the last page. Dust Eaters delivers!

High Miles Club 3-In-1 Erotic Collections 3-Terri J. Pedersen 2016-07-11 A Collections of erotica stories: 1. High Miles Club Amanda and Melissa walked towards the rest of the crew that was gathered near the gate to the plane. The twins always made a few heads turn round. Tall, thin, but with generous curves, blond hair, fair skin, and the most amazing blue eyes you have ever seen in your life they were simply gorgeous. Amanda was the vivacious and Melissa the quiet, silent one. Together they were a dynamic duo. As adults, they worked as stewardesses for the same airline but it wasn't common for them to work together on the same flight. But this time, they were. On board was Drake Hunter, their high school crush. A devious plan was set by one of the sisters that would make their flight an unforgettable one... 2. The Vampire's Photographer For \$50,000 and 2 weeks work, all she had to do was taking pre-wed pictures of her clients'. That was what she thought to be the best deal, or probably not.... "His hands dropped my hair, and slid down to the towel that covered my naked body, and loosened it, watching it fall to the ground. So far, he hadn't uttered a word and I seemed unable to do it myself. I couldn't even move. His hands slid to my breasts and captured my nipples, squeezing them a little hard, ripping a surprised moan out of my lips. He picked me in his arms and carried to the bed, lying me there, pulling my hands over my head and tying them with some strips of velvet that hanged from the headboard. He did the same with my ankles and soon I was tied to the bed, eagle spread and completely exposed to this man. I wanted to cry and call for help, but he had to have me under a spell of some sort because I couldn't. I opened my mouth and the only thing that came out were moans." 3. Blackmailed Being blackmailed was never a good experience for anybody. Not when your most intimate forbidden affair was secretly photographed and used as a threat. There was no other way than confronting face to face with the blackmailer...just to findpleasure

Leading a rag-tag band of monsters, witches and exiles they make their way across an ancient wilderness shrouded in endless night. But in the centre of this desolation they come across one of their deadliest foes, and discover the true extent of the conspiracy against mankind. Crysanthè spends her days hunting escaped mutants through the wood and canvas corridors of the Brittle Hag's starship, trying to forget her past in the endless labyrinth. Amy Miles is fifteen and crazy. Or at least that’s her greatest fear. Her severe bipolar disorder, with its roller-coaster manic and depressive episodes, is ruining her life. While there, Amy also discovers that her illicit drug use has robbed her of her ability to dance and she is forced to weigh how hard she’s willing to work to reclaim her lost talent and potential. Amy is left to decide whether to give up altogether or to accept her diagnosis and the tools she needs to battle her disorder, to learn to dance again and to forge a new and improved version of herself.
