Consumers Index to Product Evaluations and Information Sources- 1988

Electronic Classics-Andrew Emmerson 1998-08-12 Vintage Radio, Television and Hi-Fi are highly popular 'modern antiques' - and offer the added challenge for restorers of the repair of classic valve-based circuits. This highly readable book encompasses all aspects of buying, collecting, restoring, repairing, sourcing parts, professional services, clubs and societies, etc. Covering the technical side as well as collecting, this book offers the most comprehensive coverage available. The first half of the book deals primarily with technical aspects of restoration, what components are needed and where they can be found. The second half of the book provides a wealth of useful information: names and addresses of clubs and societies, auctions and antique fairs; a professional services directory; how to get hold of service data. Armed with this book the enthusiast will be able to tackle the restoration of a vintage machine with confidence. A highly popular type of 'modern antique' Covers technical aspects of classic valve-based circuitry The most complete work for vintage audio and TV enthusiasts, dealers and repairers

Electronic Musician- 1996

Abandoned Baton Rouge-Colleen Kane 2018-11-19 Around Louisiana's state capital, structures sit abandoned for years. Some of them hold memories, some hold clues to the city's history. With subjects ranging from antebellum to agri-industrial, from a rickety single-room shack to one of Huey Long's pet projects, to the last gasps of a grand ballroom, this travelogue of decay reveals some of that history and at times, some insight to the city that is today. In Abandoned Baton Rouge, discover what's been going on in forgotten spaces when no one else was looking. Learn about the establishments that once were, the high times and the low crimes. Meet the people who loved the places and find out what they kept as souvenirs. Captured in photos before they were gone are Baton Rouge institutions like The Bellemont Motor Hotel, and that ordinary building on Oklahoma Street that helped to make LSU athletics extraordinary. More than 130 images show how these places looked when they were new, not-so-new, abandoned, and on their way out of existence.
