Rhythm Is Our Business-Eddy Determeyer 2010-03-10 In the 1930s, swing music reigned, and the Jimmie Lunceford Orchestra was the hottest and hippest attraction on the black dance circuits. Known for its impeccable appearance and infectious rhythms, Lunceford's group was able to out-swing and outdraw any band. For ten consecutive years, they were the best-loved attraction at Harlem's famed Apollo Theater. The group's hit recordings sold in the hundreds of thousands, and Jimmie Lunceford's band rivaled Ellington's for popularity in the African American community. Jimmie Lunceford was also an innovator, elevating big-band showmanship to an art and introducing such novel instruments as the electric guitar and bass. The band's arrangements, written by Sy Oliver, Edwin Wilcox, Gerald Wilson, Billy Moore, Jr., and Tadd Dameron, were daring and forward looking, influencing generations of big-band writers. Rhythm Is Our Business traces the development of the Jimmie Lunceford Orchestra from its infant days as a high school band in Memphis to its record-breaking tours across the United States, Canada, and Europe. The book also unveils Lunceford's romantic yet ill-fated involvement with Yolande Du Bois, daughter of famous writer and opinion leader W.E.B. Du Bois. And by reconstructing Lunceford's last day, the book offers a glimpse into the mysteries surrounding the leader's untimely death. This is essential reading for anyone interested in the history and legacy of swing. Eddy Determeyer has been a freelance music journalist for more than three decades. In 1984 Determeyer wrote a seven-part series on Jimmie Lunceford for the Dutch magazine Jazz Nu. Determeyer has written thousands of articles on music for a variety of Dutch publications and is the author of several books. He currently produces the Holiday for Hipsters radio show for Dutch station Concertzender. Cover image: Lunceford brass section, ca. late 1936. Before Elvis-Larry Birnbaum 2013 An essential work for rock fans and scholars, Before Elvis: The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley. Unlike other histories of rock, Before Elvis offers a far broader and deeper analysis of the influences on rock music. Dispelling common misconceptions, it examines rock s origins in hokum songs and big-band boogies as well as Delta blues, detailing the embrace by white artists of African-American styles long before rock n roll appeared. This unique study ranges far and wide, highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald. Too often, rock historians treat the genesis of rock n roll as a bolt from the blue, an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences. In Before Elvis, Birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime, boogie-woogie, swing, country music, mainstream pop, and rhythm-and-blues a melange that influenced one another along the way, from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm-and-blues. Written in an easy style, Before Elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history."

The Big Band Reader-William Emmett Studwell 2000 Take a walk down memory lane with The Big Band Reader! Benny Goodman, Cab Calloway, Count Basie, The Dorsey Brothers, Duke Ellington, and Glenn Miller were musical masters of their eras, enchanting and romancing audiences with their timeless classics. Relive these wonderful songs and memories through The Big Band Reader: Songs Favored by Swing Era Orchestras and Other Popular Ensembles, a unique and exciting collection of over 140 songs from over 70 bands that are categorized by themes, preferred numbers, and top songs! Paying tribute to better known swing bands, sweet bands (ensembles favoring softer, more sentimental numbers), and some unheralded bands (good ensembles that did not receive much attention or did not have a well-known leader), this book offers music enthusiasts up to four biographical essays relating to specific groups and their popular hits, giving you historical and informative facts about the songs and the people who performed them. Nostalgic and entertaining, The Big Band Reader is a one-of-a-kind book that provides you with specific details and research about your most cherished songs and their composers, such as: The Artie Shaw Orchestra, well-known for their classic hit "Begin the Beguine," by composer and lyricist Cole Porter The Benny Goodman Orchestra and their crowd favorite "And the Angels Sing," written and composed by Johnny Mercer The Billy Eckstine Orchestra's well-loved songs, including "Prisoner of Love," written by Leo Robin and "A Cottage for Sale," written by Larry Conley and composed by Willard Robison "Day in Day Out," with words and music by Johnny Mercer and Rube Bloom, which was a favorite of three big bands orchestras, Tommy Dorsey, Artie Shaw, and Bob Crosby Cab Calloway of the Cab Calloway Orchestra, along with Jack Palmer, and their hit "Jumpin'Jive" Thorough and fascinating, The Big Band Reader includes an appendix of the big bands arranged by themes to help you find a desired song or group. This remarkable reference will enable you to walk down memory lane and reminisce about the unforgettable songs of swing and its composers.

Billie Holiday-Donald Clarke 2009-04-24 Certainly no singer has been more mythologized and more misunderstood than Billie Holiday, who helped to create much of the mystique herself with her autobiography, Lady Sings the Blues. "Now, finally, we have a definitive biography," said Booklist of Donald Clarke's Billie Holiday, "by a deeply compassionate, respectful, and open-minded biographer [whose] portrait embraces every facet of Holiday's paradoxical nature, from her fierceness to her vulnerability, her childlikeness to her innate elegance and amazing strength." Clarke was given unrivaled access to a treasure trove of interviews from the 1970s--interviews with those who knew Lady Day from her childhood in the streets and good-time houses of Baltimore through the early days of success in New York and into the years of fame, right up to her tragic decline and death at the age of forty-four. Clarke uses these interviews to separate fact from fiction and, in the words of the Seattle Times, "finally sets us straight. . .evoking her world in all its anguish, triumph, force and irony." Newsday called this "a thoroughly riveting account of Holiday and her milieu." The New York Times raved that it "may be the most thoroughly valuable of the many books on Holiday," and Helen Oakley Dance in JazzTimes said, "We should probably have to wait a long time for another life of Billie Holiday to supersede Donald Clarke's achievement."

Jazz Musicians of the Early Years, to 1945-David Dicaire 2003-08-12 The story of the first roughly half century of jazz is really the story of some of the greatest musicians of all time. Scott Joplin, Glenn Miller, Louis Armstrong, Fats Waller, Duke Ellington, Count Basie, Benny Goodman, Billie Holiday, and Ella Fitzgerald all made tremendous contributions, influencing countless jazz musicians and singers. This work provides biographical sketches of the aforementioned artists and many others who made jazz so popular in the first half of the twentieth century. Biographies cover the pioneers of jazz in New Orleans in the late 1890s and early 1900s; the soloists who fueled the Jazz Age in the 1920s; the musicians and bandleaders of the big band and swing era of the late 1920s and early 1930s; and icons from the height of jazz's popularity on through the end of the war. A discography is provided for each artist.

The Biographical Encyclopedia of Jazz-the late Leonard Feather 2007-04-01 Do you want to know when Duke Ellington was king of The Cotton Club? Have you ever wondered how old Miles Davis was when he got his first trumpet? From birth dates to gig dates and from recordings to television specials, Leonard Feather and Ira Gitler have left no stone unturned in their quest for accurate, detailed information on the careers of 3,300 jazz musicians from around the world. We learn that Duke Ellington worked his magic at The Cotton Club from 1927 to 1931, and that on Miles Davis's thirteenth birthday, his father gave him his first trumpet. Jazz is fast moving, and this edition clearly and concisely maps out an often dizzying web of professional associations. We find, for instance, that when Miles Davis was a St. Louis teenager he encountered Charlie Parker and Dizzy Gillespie for the first time. This meeting proved fateful, and by 1945 a nineteen-year-old Davis had left Juilliard to play with Parker on 52nd Street. Knowledge of these professional alliances, along with the countless others chronicled in this book, are central to tracing the development of significant jazz movements, such as the "cool jazz" that became one of Miles Davis's hallmarks. Arranged alphabetically according to last name, each entry of this book chronologically lists the highlights of every jazz musician's career. Highly accessible and vigorously researched, The Biographical Encyclopedia of Jazz is, quite simply, the most comprehensive jazz encyclopedia available.

Follow Your Heart-Joe Evans 2010-01-05 Detailing the fascinating career of Joe Evans, Follow Your Heart chronicles the nearly thirty years that he spent immersed in one of the most exciting times in African American music history. An alto saxophonist who between 1939 and 1965 performed with some of America's greatest musicians, including Louis Armstrong, Cab Calloway, Charlie Parker, Jay McShann, Andy Kirk, Billie Holiday, Bill "Bojangles" Robinson, Lionel Hampton, and Ivory Joe Hunter, Evans warmly recounts his wide range of experience in the music industry. Readers follow Evans from Pensacola, Florida, where he first learned to play, to such exotic destinations as Tel Aviv and Paris, which he visited while on tour with Lionel Hampton. Evans also comments on popular New York City venues used for shaping and producing black music, such as the Apollo Theater, the Savoy, Minton's Playhouse, and the Rhythm Club. Revealing Evans as a master storyteller, Follow Your Heart describes his stints as a music executive, entrepreneur, and musician. Evans provides rich descriptions of jazz, swing, and rhythm and blues culture by highlighting his experiences promoting tracks to radio deejays under Ray Charles's Tangerine label and later writing, arranging, and producing hits for the Mannhattans and the Pretenders. Leading numerous musical ventures that included a publishing company and several labels--Cee Jay Records (with Jack Rags), Revival, and Carnival Records--Evans remained active in the music industry even after he stopped performing regularly. As one of the few who enjoyed success as both performer and entrepreneur, he offers invaluable insight into race relations within the industry, the development of African American music and society from the 1920s to 1970s, and the music scene of the era.
