Season of Water and Ice-Donald Lystra 2009-10-01 Set in 1957 in rural northern Michigan, Season of Water and Ice is the story of a pivotal few months in the life of young teen Danny DeWitt, who lives alone with his father following the sudden departure of his mother. Bookish and relatively friendless, Danny becomes acquainted with Amber, a pregnant teenager abandoned by her boyfriend and rejected by her family. Both outsiders—one because of disposition, the other because of social stigma—Danny and Amber form an unusual, openhearted alliance that helps each deal with their separate challenges. Their friendship is tested when AmberÆs abusive boyfriend returns and DannyÆs mother withdraws more permanently from her family, leading eventually to a crisis that threatens Amber and her unborn child, as well as DannyÆs concept of love and manhood. Danny struggles to understand himself and the confusing and, at times, frightening world in which he lives. His analytically oriented mind attempts to make sense of the rigid stereotypes of the 1950s, revealing startling truths about the abiding issues of love and family and the dangers to which these ideals are continually exposed. Danny straddles the uncertain gap between childhood

and adulthood in this novel that is underscored by themes of independence and obligation, love and sexuality, courage and surrender. This realistic work will appeal to both adult and young adult readers.

Mathematics for Economics-Michael Hoy 2001 This text offers a presentation of the mathematics required to tackle problems in economic analysis. Thank You for Me!-Marion Dane Bauer 2011-04-26 I have two feet that dart, that dash, that sprint, that splash. Thank you for my feet. In this lyrical text, a young child lists body parts from nose to toes, giving thanks for each along the way. Cherished author Marion Dane Bauer's bouncy rhymes are wonderful for reading aloud, and Kristina Stephenson's soft illustrations highlight what's special in the everyday. A subtle reminder of our deepest core values, Thank You for Me! is a delightful celebration of gratitude that belongs on every bookshelf.

What's in the Egg, Little Pip?-Karma Wilson 2012-07-05 Little Pip liked it when her family was just three. But now the egg seems to be all her parents can think about and Pip can't understand why. Her parents are very excited about the egg and tell her this new change will make their family "just right". But Little Pip isn't so sure... she thinks her family is just right the way it is and a boring old egg can't make it any better! All through the long, harsh winter Pip's parents look after the egg, keeping it warm and safe. Little Pip learns to help as much as she can, even though she still doesn't know what all the fuss is about... until, one day the egg cracks open, and Little Pip meets her new baby brother for the first time! An adorable and reassuring story, perfect for introducing the idea of a new baby coming into the family.

The Bellini Card-Jason Goodwin 2010-03-02 Investigator Yashim travels to Venice in the latest installment of the Edgar® Award-winning author Jason Goodwin's captivating historical mystery series Jason Goodwin's first Yashim mystery, The Janissary Tree, brought home the Edgar® Award for Best Novel. His follow-up, The Snake Stone, more than lived up to expectations and was hailed by Marilyn Stasio in The New York Times Book Review as "a magic carpet ride to

the most exotic place on earth." Now, in *The Bellini Card*, Jason Goodwin takes us back into his "intelligent, gorgeous and evocative" (The Independent on Sunday) world, as dazzling as a hall of mirrors and utterly compelling. Istanbul, 1840: the new sultan, Abdülmecid, has heard a rumor that Bellini's vanished masterpiece, a portrait of Mehmet the Conqueror, may have resurfaced in Venice. Yashim, our eunuch detective, is promptly asked to investigate, but -- aware that the sultan's advisers are against any extravagant repurchase of the painting -- decides to deploy his disempowered Polish ambassador friend, Palewski, to visit Venice in his stead. Palewski arrives in disguise in down-and-out Venice, where a killer is at large as dealers, faded aristocrats, and other unknown factions seek to uncover the whereabouts of the missing Bellini. But is it the Bellini itself that endangers all, or something associated with its original loss? And why is it that all the killer's victims are somehow tied to the alluring Contessa d'Aspi d'Istria? Will the Austrians unmask Palewski, or will the killer find him first? Only Yashim can uncover the truth behind the manifold mysteries.

Delinquency in Society-Robert Regoli 2010 *Delinquency in Society*, Eighth Edition provides a systematic introduction to the study of juvenile delinquency, criminal behavior, and status offending youths. This text examines the theories of juvenile crimes and the social context of delinquency including the relevance of families, schools, and peer groups. Reorganized and thoroughly updated to reflect the most current trends and developments in juvenile delinquency, the Eighth Edition includes discussions of the history, institutional context, and societal reactions to delinquent behavior. Delinquency prevention programs and basic coverage of delinquency as it relates to the criminal justice system are also included to add context and support student comprehension.

A Whole New Crowd-Tijan 2019-11-10 He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was lie that I was going to expose. Or I would die trying. **This is a standalone.

Introducing Electronic Literature-Charles Baldwin 2020-01-08 Electronic Literature is rapidly emerging as an exciting field which is changing the way that contemporary literature is both produced and read. This accessible introduction guides readers through the history of the field and introduces the major themes and issues within Elit such as genres, materialities, global elit and archiving. The approach of the book encourages readers to reach their own conclusions through: Questions at the beginning of a chapter A variety of case studies to illustrate points Provisional approaches to answer questions Summary of discussion In this way the book provides essential information but it engages readers by offering research pathways rather than definitive answers. The chapter conclusions also make the book useful for more advanced readers as well as those seeking an introduction.
