Cyber Sexy-Richa Kaul Padte 2018-05-15 In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another person's sex tape, what really counts as porn? And who gets to do the counting? In this alternative conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations, Cyber Sexy is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not something counts as porn is, ultimately, left up to the reader. After all, you'll know it when you see it, right? 4 Girlfriends-Attilio Gamberdotti 2009-04-01 The four lascivious Spanish chicks seem to be almost in competition for who'll be the raunchiest of the lot - but it's a friendly, sharing competition that involves some edgy sexual adventure! Making Comics-Scott McCloud 2011-10-18 Scott McCloud tore down the wall between high and low culture in 1993 with Understanding Comics, a massive comic book about comics, linking the medium to such diverse fields as media theory, movie criticism, and web design. In Reinventing Comics, McCloud took this to the next level, charting twelve different revolutions in how comics are generated, read, and perceived today. Now, in Making Comics, McCloud focuses his analysis on the art form itself, exploring the creation of comics, from the broadest principles to the sharpest details (like how to accentuate a character's facial muscles in order to form the emotion of disgust rather than the emotion of surprise.) And he does all of it in his inimitable voice and through his cartoon stand-in narrator, mixing dry humor and legitimate instruction. McCloud shows his reader how to master the human condition through word and image in a brilliantly minimalistic way. Comic book devotees as well as the most uninitiated will marvel at this journey into a once-underappreciated art form. Cartooning the Head & Figure-Jack Hamm 1982 Offers tips and techniques for cartooning the head and figure in various positions and attitudes. Boys & Sex-Peggy Orenstein 2020-01-07 NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller Girls & Sex, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of Boys & Sex, it’s clear that Orenstein believes in the goodness of boys and the men they can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein’s Girls & Sex broke ground, shattered taboos, and launched conversations about young women’s right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In Boys & Sex, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, Boys & Sex dissects so-called locker room talk; how the word “hilarious” robs boys of empathy; pornography as the new sex education; boys’ understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men’s experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today’s world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

The Polyester Prince-Hamish McDonald 1998 Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon. Business Statistics-Naval Bajpai 2009
