Eureka Math Grade 7 Study Guide-Great Minds 2016-04-20 "The Eureka Math curriculum provides detailed daily lessons and assessments to support teachers in integrating the Common Core State Standards for Mathematics (CCSSM) into their instruction. The companion guides to Eureka Math gather the key components of the curriculum for each grade into a single location. Both users and non-users of Eureka Math can benefit equally from the content presented. The CCSSM require careful study. A thorough study of the Guidebooks is a professional development experience in itself as users come to better understand the standards and the associated content. Each book includes narratives that provide educators with an overview of what students learn throughout the year, information on alignment to the instructional shifts and the standards, design of curricular components, and descriptions of mathematical models. The Guidebooks can serve as either a self-study professional development resource or as the basis for a deep group study of the standards for a particular grade. For teachers who are either brand new to the classroom or to the Eureka Math curriculum, the Grade Level Guidebooks introduce them not only to Eureka Math but also to the content of the grade level in a way they will find manageable and useful. Teachers already familiar with the curriculum will also find this resource valuable as it allows for a meaningful study of the grade level content in a way that highlights the coherence between modules and topics. The Guidebooks allow teachers to obtain a firm grasp on what it is that students should master during the year."--

The Homework Strike-Greg Pincus 2017-01-03 Gregory K. has too much homework. Middle school is hard work, and Gregory tries to be a good student. He participates in class, he studies for his tests -- he and his friends even help each other with their assignments. But no matter what he does, there's never enough time to finish all his homework. It just isn't fair. So Gregory goes on a total, complete homework strike. No worksheets, no essays, no projects. His friends think he's crazy. His parents are worried about his grades. And his principal just wants him to stop making trouble. Can Gregory rally his fellow students, make his voice heard, and still pass seventh grade? Find out in this book for anyone who thinks school is stressful, gets headaches from homework, or just wants to be heard.

Josh Baxter Levels Up-Gavin Brown 2016-02-23 Video game lover Josh Baxter knows that seventh grade at a new school may be his hardest challenge yet, but he's not afraid to level up and win! Josh Baxter is sick and tired of hitting the reset button. It's not easy being the new kid for the third time in two years. One mistake and now the middle school football star is out to get him. And Josh's sister keeps offering him lame advice about how to make friends, as if he needs her help finding allies! Josh knows that his best bet is to keep his head down and stay under the radar. If no one notices him, nothing can touch him, right? But when Josh's mom sees his terrible grades and takes away his video games, it's clear his strategy has

failed. Josh needs a new plan, or he'll never make it to the next level, let alone the next grade. He's been playing not to lose. It's time to play to win.

A Long Walk to Water-Linda Sue Park 2010-11-15 The New York Times bestseller A Long Walk to Water begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.
