Dominatrix-Roy Turner 2012-12-20 'Dominatrix' (Volume 1), is an exploration into the largely hidden world of the sadomasochistic female, along with Volume 2, it offers the definitive and most broad-ranging international study of the subject ever undertaken. Conducted over a 10-year period, by the BDSM magazine publisher and writer, Roy Turner, these eBooks offer a full, frank and totally unique insight into the real world of the dominatrix, those who work within the 'sex industry', as well as those who live out

the 'Fem/Dom' lifestyle in private. Mistress Antoinette reveals her Spanish clients were into 'religious' punishments whereas in England the number of men here who have a 'knicker' fetish continually amazes her. Interestingly enough, black knickers seem to be the big turn-on with men in England, whereas in Catholic Spain it is nearly always virginal white knickers that perhaps unsurprisingly, are the most popular. And, Mistress Brigitte of the Dutch SM-Studio Phoenix, who form a very happy extended S&M 'family' comprising of a married Mistress and Master together with their male and female slaves who live, work and play together. And even do the baby-sitting and the school-run! For the dedicated fetishist, no trip to the German city of Munich would be complete without a stopover at the studio of Lady Claudette; otherwise rather aptly named 'Bizarradise'. The true connoisseur of outrageous eroticism will find everything on offer and even the more unusual tastes happily accommodated in this liberal, or rather less conservative, oasis of traditionally ultra right-wing Bavaria. The no-nonsense, business like approach of Mistress Jacqueline, is typical of American dominants. Her autobiography, 'Whips and Kisses', as well as her many TV appearances, mail order company and lecture tours Jacqueline has established herself as quite a formidable force on the American fetish scene. Tokyo born Mistress Midori is the daughter of a Japanese mother and German-American father. Both her parents are university professors. Following a varied and successful career in the United States Army and in commerce, see how she found herself a professional dominatrix in San Francisco. As her name suggests, Miss Spiteful's interests definitely lean toward the hard-core end of the SM spectrum, including the nailing of foreskins to tables and the burning of swastika's into flesh with cigarettes. She is also a leading practitioner of the intricate art of Japanese rope bondage. Despite her predilections for the more extreme forms of game-playing, she strictly adheres to the limits of safety and consensuality, practicing her dungeon crafts in South London. Plus, many other revealing interviews with professional and lifestyle mistresses including the Chinese Dominatrix, Mai-Ling. Mistresses; Adelle, Andria, Christine Deering, Cassandra Payne, Dominique, Eva, Hades, Rowena, Xena. Goddesses, Venus and Dianna Vesta, plus Lady Amber and Madam Karra. Publisher's Note: This eBook contains explicit sexual content, graphic language, and situations that some readers may find objectionable. It is intended for an adult audience.

Dancing With The One You Love-Cindy Easley 2010-08-01 Let's get practical - how do real women live out God's plan in 21st-century marriages? Too often submission is represented as repressive servanthood, rather than a voluntary desire to empower a husband's leadership. And as with many things in our culture, this view of submission has found its way into our churches and marriages. In reality, women desperately want to experience the graceful waltz where both the husband and wife are in harmony - each 'dancing' their God-given role. But all too often, there are no realistic, Godly models from which to draw. Author and speaker Cindy Easley surveyed ordinary women and asked, "How does this work for you?" Specifically, how do women live out submission in her particular situation? These are their stories, from caring for a chronically ill husband to living with a nonbeliever. Each example will help married or engaged women gain appreciation for God's will for marriage and learn to dance with the one they love.

Candid Conversations with Connie, Volume 1-Kathy Buchanan 2014-09-30 Welcome to Candid Conversations with Connie! And these conversations are going to be very candid. In this book we're only taking questions from girls! Yep, they can ask whatever they want, and I will answer from my vast knowledge and experience. (Well . . . maybe not vast.) If I don't know the answer, I'll ask my friend Penny. We've been where you are, and we know what it's like. You're not a little girl anymore, but you're still

years off from adulthood. You still like to play, but you also enjoy having long conversations with friends. You sometimes want to cuddle on your mom's lap, and other times you wish she would just leave you alone. All that's pretty normal, and you'll see that from the questions we're answering.

Wow, No Thank You.-Samantha Irby 2020-03-31 A Vintage Paperback Original. A new rip-roaring essay collection from the smart, edgy, hilarious, unabashedly raunchy, and bestselling Samantha Irby. Irby is forty, and increasingly uncomfortable in her own skin despite what Inspirational Instagram Infographics have promised her. She has left her job as a receptionist at a veterinary clinic, has published successful books and has been friendzoned by Hollywood, left Chicago, and moved into a house with a garden that requires repairs and know-how with her wife in a Blue town in the middle of a Red state where she now hosts book clubs and makes mason jar salads. This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with "tv executives slash amateur astrologers" while being a "cheese fry-eating slightly damp Midwest person," "with neck pain and no cartilage in [her] knees," who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. Wow, No Thank You is Irby at her most unflinching, riotous, and relatable.

Model Rules of Professional Conduct-American Bar Association. House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Disability Visibility-Alice Wong 2020 "A groundbreaking collection of first-person writing on the joys and challenges of the modern disability experience: Disability Visibility brings together the voices of activists, authors, lawyers, politicians, artists, and everyday people whose daily lives are, in the words of playwright Neil Marcus, "an art . . . an ingenious way to live." According to the last census, one in five people in the United States lives with a disability. Some are visible, some are hidden--but all are underrepresented in media and popular culture. Now, just in time for the thirtieth anniversary of the Americans with Disabilities Act, activist Alice Wong brings together an urgent, galvanizing collection of personal essays by contemporary disabled writers. There is Harriet McBryde Johnson's "Unspeakable Conversations," which describes her famous debate with Princeton philosopher Peter Singer over her own personhood. There is columnist s. e. smith's celebratory review of a work of theater by disabled performers. There are original

pieces by up-and-coming authors like Keah Brown and Haben Girma. There are blog posts, manifestos, eulogies, and testimonies to Congress. Taken together, this anthology gives a glimpse of the vast richness and complexity of the disabled experience, highlighting the passions, talents, and everyday lives of this community. It invites readers to question their own assumptions and understandings. It celebrates and documents disability culture in the now. It looks to the future and past with hope and love"--

The Gatekeepers-Chris Whipple 2017 "What do Dick Cheney and Rahm Emanuel have in common? Aside from polarizing personalities, both served as chief of staff to the president of the United States--as did Donald Rumsfeld, Leon Panetta, and a relative handful of others. The chiefs of staff, often referred to as 'the gatekeepers,' wield tremendous power in Washington and beyond; they decide who is allowed to see the president, negotiate with Congress to push POTUS's agenda, and--most crucially--enjoy unparalleled access to the leader of the free world"--Amazon.co
