Academic English-Miranda Legg 2014-08-01 This book features five theme-based units on cross-disciplinary academic English skills, focusing on the needs of first-year undergraduate students. Each unit covers academic writing, reading and speaking skills. The units progressively take students through the steps needed to complete three common academic assignments: the essay, report and tutorial discussion. These steps include searching for sources, note-taking, establishing personal stance, synthesizing information from multiple sources and structuring academic texts. Each unit also includes opportunities for students to analyze texts, apply their critical thinking skills, try out what they have learnt in productive tasks, as well as reflect upon their progress. It is aimed at first-time university students. Many of the readings in the book are related to China and the broader Asian context. As such, this textbook might appeal to first-year university students in Hong Kong, Mainland China and Taiwan.

There are strategies for introducing yourself when you don't know anyone at an event, techniques for initiating conversation, and a checklist for rating your listening skills. Lindsell-Roberts also has a proven, no-fail attack plan for how to work a room. Stop lurking quietly in the shadows and start speaking your way to success!

Mayor for Life-Marion Barry 2014-06-17 Four-time mayor of Washington, DC, Marion Barry, Jr. tells his shocking and courageous life story, beginning in the cotton fields in Mississippi to the executive offices of one of the most powerful cities in the world. Known nationally as the disgraced mayor caught on camera smoking crack cocaine in a downtown hotel room with a mistress, Marion Barry Jr. has led a controversial career. This provocative, captivating narrative follows the Civil Rights activist, going back to his Mississippi roots, his Memphis upbringing, and his academic school days, up through his college years and move to Washington, DC, where he became actively involved in Civil Rights, community activism, and bold politics. In Mayor for Life, Marion Barry, Jr. tells all—including the story of his campaigns for mayor of Washington, his ultimate rise to power, his personal struggles and downfalls, and the night of embarrassment, followed by his term in federal prison and ultimately a victorious fourth term as mayor. From the man who, despite the setbacks, boldly served the community of Washington, DC, this is his full story of courage, empowerment, hope, tragedy, triumph, and inspiration.

Promoting the Educational Success of Children and Youth Learning English-National Academies of Sciences, Engineering, and Medicine 2017-08-25 Educating dual language learners (DLLs) and English learners (ELs) effectively is a national challenge with consequences both for individuals and for American society. Despite their linguistic, cognitive, and social potential, many ELs"who account for more than 9 percent of enrollment in grades K-12 in U.S. schools"are struggling to meet the requirements for academic success, and their prospects for success in postsecondary education and in the workforce are jeopardized as a result. Promoting the Educational Success of Children and Youth Learning English: Promising Futures examines how evidence based on research relevant to the development of DLLs/ELs from birth to age 21 can inform education and health policies and related practices that can result in better educational outcomes. This report makes recommendations for policy, practice, and research and data collection focused on addressing the challenges in caring for and educating DLLs/ELs from birth to grade 12.

Practical Faster Reading-Gerald Mosback 1976-12-09 Practical Faster Reading provides the basis for a reading improvement course lasting a total of 30 class hours and has proved popular with students and teachers in a variety of settings. Thirty passages covering a wide range of topics of general interest and accompanying exercises give practice in the reading skills needed at upper-intermediate and more advanced levels. Substantial increases in reading speed are usually attained with improvements in comprehension and vocabulary. The full answer key for self-checking also makes this useful for the student working alone.

Success with Multicultural Newcomers & English Learners-Margarita Espino Calderón 2019-05-14 This book is a road map for teachers and school leaders who need to meet the needs of increasing numbers of Newcomers and other English Learners (ELs). The authors draw from years of experience in working with, listening to, and coaching administrators, teachers, and coaches nationwide to help you develop and implement an effective plan for your school. Beginning

with the core belief that "getting to know the student is pivotal," the authors show how to address both the academic and the social needs of Newcomers to help them integrate and excel—from their first day of school. The main components of the plan are the following: - Identifying your students and assessing educational and socioemotional needs. - Identifying qualified teachers and staff. - Developing highly effective programs for Newcomers and other ELs. - Accelerating English learners' acquisition of language, literacy, and knowledge through proven classroom teaching techniques. - Supporting Newcomers' socioemotional well-being through classroom and administrative structures. - Designing, implementing, and sustaining professional development for all staff. If you already have a plan for integrating Newcomers and ELs, you can use the information in this book to assess and strengthen it and to learn more about resources for continued coaching and growth. Whether your school has a formal plan or not, the information in this practical guide can help your staff better collaborate to attend to the needs and build on the strengths of Newcomers and ELs in your school.

World Atlas of Gender Equality in Education-Edward B. Fiske 2012-01-01 "The education of girls and women is important not only as a matter of respecting a basic human right for half the population but as a powerful force for economic development and achieving social goals such as enhanced health, nutrition and civic involvement. This Atlas presents the latest data from the UNESCO Institute for Statistics on trends in educational access and progression, from pre-primary through tertiary levels and adult literacy, with special attention to the all-important issue of gender equality. These trends are depicted through colour-coded maps that make it easy for readers to visualize global and regional trends and to understand how they are shaped by factors such as national wealth and geographic location." -- P. [4] of cover.

Negotiate Like a Local-Jean-Pierre Coene 2017-10-23 An invaluable guide to anybody involved in international negotiations in business or any other field. Although supply chains and communications may have globalized, stubborn cultural differences between people remain. The authors have extensive experience and some illuminating anecdotes, but, importantly, they have filtered their experience through established research into cultural differences, and consequently, their guidance is reliable and transferable. Adapting to local styles of doing business is often the difference between success and failure - this book gives the reader a valuable advantage.- Professor David Arnold, London Business School (UK), China Europe International Business School (Shanghai, China)The book is eminently practical. It reads like a novel, using brief and clear summary of theory, well-chosen metaphors and a wealth of examples from real business life. Read it before establishing new contacts, and return to it when you wish to make sense of your experiences. I have no doubt that both you and your future business partners will benefit.- Professor Gert Jan Hofstede, Wageningen University

English as a Global Language-David Crystal 2012-03-29 David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Teaching the Core Skills of Listening and Speaking-Erik Palmer 2014-03-01 With the Common Core State Standards emphasizing listening and speaking across the curriculum, these long-neglected language arts are regaining a place in schools. For teachers, this means reexamining practices and rethinking expectations. How much do we know about teaching listening and speaking as the complex communication skills they are? How do we teach students to discuss appropriately, integrate and understand the mountains of information they receive, and express themselves clearly and effectively? In this lively and practical book, 20-year teaching veteran Erik Palmer presents an approach aligned to the six Common Core anchor standards for speaking and listening but focused on preparing students for 21st century communication inside and beyond the classroom. Here, you'll get concrete guidance for teaching and assessing * Collaborative discussion * Listening and media literacy * Questioning and reasoning * Speech presentation * Effective multimedia use * Adapting speech to different content and tasks With due respect to reading and writing, we do most of our communicating—in the classroom and in life—through listening and speaking. Filled with examples and specific activities targeted to variety of subjects and grade levels, this book is an essential resource for all teachers interested in helping students acquire core skills that cross the content areas and support long-term success.
