Long Story Short-Marty Machowski 2010-11-03 Transform Your Family with Ten Minutes a Day in the Gospel Story Christian parents know the importance of passing the gospel story on to their children, yet we live in a busy world filled with distractions. Schedules collide, there is homework and yard work and dishes and laundry, the car's oil should be changed, there are phone calls to make and before you know it, everyone is getting to bed late again. The Bible can seem like a long story for an active family to read, but when you break it down into short sections, as Marty Machowski does, family devotions are easy to do. Long Story Short will help busy parents share with their children how every story in the Old Testament points forward to God's story of salvation through Jesus Christ. You won't find a more important focus for a family devotional than a daily highlighting of the gospel of grace. Clever stories and good moral lessons may entertain and even help children, but the gospel will transform children. The gospel is deep enough to keep the oldest and wisest parents learning and growing all their lives, yet simple enough to transform the heart of the first grader who has just begun to read. Ten minutes a day, five days a week is enough time to pass on the most valuable treasure the world has ever known. Long Story Short is a family devotional program designed to explain God's plan of salvation through the Old Testament and is suitable for children from preschool through high school.

1-2 Samuel, 1-2 Kings, 1-2 Chronicles-Derek Cooper 2016-05-05 "Then David said to the Philistine, 'You come to me with a sword and with a spear and with a javelin, but I come to you in the name of the LORD of hosts.'" (1 Samuel 17:45) Reflecting upon David's victory over Goliath, Reformation translator, theologian and commentator William Tyndale compared it to Christ's victory over sin and death: "When David had killed Goliath the giant, glad tidings came to the Israelites that their fearful and cruel enemy was dead and that they were delivered out of all danger. For this gladness, they sang, danced and were joyful. In like manner, the good news or 'gospel' of God is joyful tidings." The books of 1-2 Samuel, 1-2 Kings and 1-2 Chronicles, which record the history of Israel from the prophetic ministry of Samuel to the fall of Jerusalem, provided the reformers with some of the best-known narratives of the Old Testament upon which to comment, including Hannah's prayer, the anointing of Saul as Israel's first king, David's triumph over Goliath and his later adultery with Bathsheba, Solomon's building of the Temple, Elijah's challenge to the prophets of Baal, and the healing of Naaman. For the reformers, these stories were not merely ancient Israelite history, but they also foreshadowed the coming of Jesus Christ, and they had immediate relevance for their lives and the church of their day. Thus, Anglican exegete John Mayer perceived within King Josiah's reform of Israelite worship after the discovery of the Book of the Law a prefiguration of "what should be done in the latter days of the gospel, in which a greater reformation of the religion is now being made." In this Reformation Commentary on Scripture volume, Derek Cooper and Martin Lohrmann guide readers through a diversity of Reformation commentary on these historical books. Here, readers will find reflections from both well-known voices and lesser-known figures from a variety of confessional traditions—Lutherans, Reformed, Radicals, Anglicans and Roman Catholics—many of which appear in English for the first time. By drawing upon a variety of resources—including commentaries, sermons, treatises and confessions—this volume will enable scholars and students to understand better the depth and breadth of Reformation-era insights on Scripture. It will also provide resources for contemporary preachers, and encourage all those who continually seek to share the "joyful tidings" of Jesus Christ.

Discipleship Lessons from the Life of Jacob-Ralph F. Wilson 2010-01-15 You'll Learn from Jacob, Who Moved from Manipulation to Trust in God. Jacob is a troubling character in the Old Testament. He is conniving and he is spiritual too. He has moments of strong faith as well as of fear. His family is sometimes in disarray, and yet at the end he is the one who sets it straight. Jacob the Patriarch is a bit too much like us -- with very human strengths and weaknesses, but a man with a striving for spiritual things. From this imperfect man we learn important lessons of faith. especially, about God's grace. The events described in Jacob's story comprise most of Genesis chapters 25-49. If you haven't read the Old Testament much, you'll be pleased to find that God will speak to you here -- loud and clear. Each of the seven detailed lessons include probing discussion questions and can be used for personal enrichment, by small groups and classes, and by teachers and preachers.

Children's Literature as Communication-Roger D. Sell 2002-01-01 In this book, members of the ChiLPA Project explore the children's literature of several different cultures, ranging from ancient India, nineteenth century Russia, and the Soviet Union, to twentieth century Britain, America, Australia, Sweden, and Finland. The research covers not only the form and content of books for children, but also their potential social functions, especially within education. These two perspectives are brought together within a theory of children's literature as one among other forms of communication, an approach that sees the role of literary scholars, critics and teachers as one of mediation.

Part I deals with the way children’s writers and picturebook-makers draw on a culture's available resources of orality, literacy, intertextuality, and image. Part II examines their negotiation of major issues such as the child adult distinction, gender, politics, and the Holocaust. Part III discusses children's books as used within language

education programmes, with particular attention to young readers' pragmatic processing of differences between the context of writing and their own context of reading.
