Testaments Betrayed-Milan Kundera 1996-08-02 Milan Kundera has established himself as one of the great novelists of our time with such books as The Unbearable Lightness of Being, Immortality and The Book of Laughter and Forgetting. In Testaments Betrayed, he proves himself a brilliant defender of the moral rights of the artist and the respect due to a work of art and its creator's wishes. The betrayal of both—often by their most passionate proponents—is the principal theme of this extraordinary work. Readers will be particularly intrigued by Kundera's impassioned attack on society's shifting moral judgments and persecutions of art and artists, from Mayakovsky to Rushdie.

Testaments Betrayed-Milan Kundera 2020-11-09 Kundera's essay has been written like a novel. In the course of nine separate sections, the same characters meet and cross paths with each other.

Stravinsky and Kafka with their odd friends Ansermet and Brod; Hemingway with his biographer; Janáček with his little nation; and Rabelais with his heirs - the great novelists. In the light of their wisdom this book examines some of the great situations of our time. The moral trial of the twentieth century's art, from Celine to Mayakovsky; the passage of time which blurs the boundaries between the 'I' of the present day and the 'I' of the past; modesty as an essential concept in an age based on the individual and indiscretion which, as it becomes the habit and the norm, heralds the twilight of individualism; the testaments, the betrayed testaments - of Europe, of art, of the art of the novel and of artists. The Curtain-Milan Kundera 2007-12-26 "A magic curtain, woven of legends, hung before the world. Cervantes sent Don Quixote journeying and tore through the curtain. The world opened before the knight-errant in all the comical nakedness of its prose." In this thought-provoking, endlessly enlightening, and entertaining essay on the art of the novel, renowned author Milan Kundera suggests that "the curtain" represents a ready-made perception of the world that each of us has—a pre-interpreted world. The job of the novelist, he argues, is to rip through the curtain and reveal what it hides. Here an incomparable literary artist cleverly sketches out his personal view of the history and value of the novel in Western civilization. In doing so, he celebrates a prose form that possesses the unique ability to transcend national and language boundaries in order to reveal some previously unknown aspect of human existence.

The Testaments-Margaret Atwood 2019-09-10 NOW WITH ADDITIONAL MATERIAL #1 NEW YORK TIMES BESTSELLER WINNER OF THE BOOKER PRIZE FOR FICTION More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal

ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes. *The Testaments* is a modern masterpiece, a powerful novel that can be read on its own or as a companion to Margaret Atwood's classic, *The Handmaid's Tale*.

Encounter-Milan Kundera 2010-08-17 This collection of essays from the Franco-Czech novelist provides a defense for art during an era that he says no longer puts value on art or beauty and discusses works and artists that are important to him. 25,000 first printing.

A Century of Science and Other Essays-John Fiske 1899 "The current book is a collection of essays, speech transcripts, and reprints that were written and compiled by John Fiske. This text, published in 1899, includes discussions on science, evolution, philosophy, and liberal thought." (PsycINFO Database Record (c) 2008 APA, all rights reserved).

Haecceity-G.S. Rosenkrantz 1993-08-31 Many contemporary philosophers are interested in the scotistic notion of haecceity or 'thisness' because it is relevant to important problems concerning identity and individuation, reference, modality, and propositional attitudes. *Haecceity* is the only book-length work devoted to this topic. The author develops a novel defense of Platonism, arguing, first, that abstracta - nonqualitative haecceities - are needed to explain concreta's being diverse at a time; and second, that unexemplified haecceities are then required to accommodate the full range of cases in which there are possible worlds containing individuals not present in the actual world. In the cognitive area, an original epistemic argument is presented which implies that certain haecceities can be grasped by a person: his own, those of certain of his mental states, and those of various abstracta, but not those of external things. It is argued that in consequence there is a clear sense in which one is directly acquainted with the former entities, but not with external things.

The David Story: A Translation with Commentary of 1 and 2 Samuel-Robert Alter 2009-10-21 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of

one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Let the Old Dead Make Room for the Young Dead-Milan Kundera 2019-10-15 Faber Stories, a landmark series of individual volumes, presents masters of the short story form at work in a range of genres and styles. A chance encounter leads a man to spend the afternoon with an older woman, now a widow, who escaped him fifteen years earlier. Neither of them doubts that the day will end in disgust, but for one intimate moment each finds a way to overcome mortality. Written in 1969, before Milan Kundera was known to English-speaking readers, this story renders male and female characters painful equals, and prompted Philip Roth to admire its 'detached Chekhovian tenderness'.

The Last Prophet-Tim Heath 2015-01-16 Second novel by this chart topping author! #1 Crime Thriller #1 Conspiracies Thriller "A great spy thriller! MI5 don't know what's hit them, nor does a nation impacted by a sudden disaster. What one critic said: "I wish I could write a review as well as the author wrote this book to do it justice. Another magnificent literature masterpiece from Tim Heath. I really enjoy the concept of the story-line which I must recommend to anybody into thrillers and high tech espionage. The frightening thing about it is this could actually be fact one day!" The back cover text: "John awakes to find himself in a hospital bed with no memory of how he got there. Then the visions start. Destruction and death. A last chance. The only one who can save millions of people. He is no hero. Could he do what was being asked of him?" one for you! Book 1 in the 'Shadow Man' series of thrillers. Book 2 ('The Shadow Man') is due out at Nov 2016. Here are some of the reviews for The Last Prophet; "Thrillers don't normally encourage you to ask such questions: Is this all there is to life? Can there be hope despite the certainty of death? Once bad, always bad - but can a person perhaps change? Is it possible to redeem oneself - perhaps through a heroic act or through one's love for others? Can one person sacrifice himself for everyone? Is it ethical for the community to sacrifice one person's life for everyone else's survival? Is it ethical to lie or even to build a web of lies in order to save many from destruction? And yet despite - or perhaps because of? - these deep philosophical questions we are kept in suspense until the last page." "I have to say that I massively enjoyed this book from beginning to end. I enjoyed the plot, the characters, the ideas, the developing urgency of the story and the underlying theme of sacrifice. I enjoyed the mixture of covert teams operating against each other and the ensuing action well researched and thought through. In fact I can actually see something like this taking place one day - who knows, this may well be a Prophetic book!" "International espionage and sneaky twists provide the backdrop to some heart-wrenching decisions for the people we meet along the way. Not afraid to ask the big questions, The Last Prophet foretells a journey none of us would ever wish to make. If you like your thrillers with a dash of apocalypse and a side order of sacrifice, check this one out!" "Very good read. Couldn't put it down. Brilliant from beginning to end and very thought provoking. We are going to read it at our Book Cub next time. Thank you Tim." "This is an exciting fast moving story. Just as you are beginning to understand what is going on, a new factor comes into play and new complexities appear. Right up to the end it is not clear which way it will go and I couldn't put the book down." "A thriller in the traditional sense, but with an edgy provoking setting. The use of tension and revelation perfectly balanced to keep you turning pages late into the night. Political intrigue, together with subtly revealed plot twists keep the reader alert and motivated to uncover the truth ahead of its telling. 3D characters challenge you to examine human nature and personal boundaries. A satisfying read with refreshingly strong female characters." "A Riveting Spy Thriller! MI5, MI6, the South African

Secret Service, and the Chinese-what more could you ask for in an international spy thriller. You have shadow governments, or rogue governments-or is this really the normal operating procedures for nations who want to take down their enemies, in revenge for spying on them? I highly recommend this book."

Little Rivers-Henry Van Dyke 1908

Threads of Betrayal-Monica Koldyke Miller 2012-05-01 Reagan Burnsfield has no interest in finding himself a wife. But that's exactly what he must do when a lumber contract falls through and threatens the family business. Marrying the beautiful debutante Amanda Bruester will solve his short term need as well as give him the wife of his dreams. His courtship is hindered until they are arrested after stumbling upon bounty hunters hotly pursuing runaway slaves. In the ensuing scandal, Amanda chooses marriage over betraying her Aunt Gabriella's illegal activities in the Underground Railroad. Yet, despite being properly wed, another suitor, Derrick Banning, is determined to break apart their hasty marriage. He fancies it is he, not "that arrogant lumberman," who should be enjoying Amanda's wealth. While snowed in at his lumber camp, Amanda discovers papers that imply Reagan's offer of marriage wasn't the sacrifice she thought it to be. Despite his assurances he acted to protect her, Amanda begins to doubt everything about him. To complicate matters, mysterious scratches on Reagan's back seem to point to infidelity, further proving he's the untrustworthy knave Derrick claims him to be. When a prostitute's body is found in his office and Reagan is arrested for murder, Amanda flees to her Aunt's house until the mystery can be solved.

Every day the newspaper reveals new horrors. Victims rise along with the perpetrators. It is obvious the battle between good and evil is heating up. It is no longer popular to believe, to have faith or profess your Christianity. It is a time when all that matters to most is what they want for themselves. Selfishness is running rampant and cold hearts and lack of love and conscience are evident. One solution found is going to pull most down to the level of those doing this evil. As has been said is all evil needs to succeed is for good men to do nothing.

The Proper Study of Religion After Jonathan Z. Smith-Sam D. Gill
2021-02-24 In *The Proper Study of Religion*, Sam Gill charts an innovative course of development for the academic study of religion by engaging the legacy of Jonathan Z. Smith, Gill's teacher and mentor for fifty years. Building on Smith's foundational legacy through creative encounters, Gill explores an extensive range of absorbing topics including: comparison as essential to academic technique and to human knowledge itself; play, philosophically understood, as a coredynamic of Smith's entire program; the relationship of academic document-based studies to the sensory-rich real world of religions; and self-moving as providing a biological and philosophical foundation on which to develop and expand upon a proper academic study of religion.

Silent Hill: Betrayal-Shaun M Jooste 2016-10-31

Betrayed: Secrecy, Lies, and Consequences-Frederic H. Martini
2018-05-16 *Betrayed* is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had been in Nazi Germany. *Betrayed* demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

Timber Rose-J. L. Oakley 2013-11-19 1907. Women climbing mountains in skirts. Loggers fighting for the eight hour day. The forests and mountains of the North Cascades are alive with progress, but not everyone is on board. Caroline Symington comes from a prominent family in Portland, Oregon. Much to her family's dismay, she's more interested in hiking outdoors and exploring the freedoms of a 1907's New Woman than fancy parties and money. She plans to marry on her own terms, not her parents. When she falls in love with Bob Alford, an enterprising working-class man who loves the outdoors as much as she, little does she know how sorely her theories will be tested. Betrayed by her jealous sister, Caroline elopes, a decision that causes her father to disown her. The young couple moves to a rugged village in the North Cascade Mountains where Caroline begins a new life as the wife of a forest ranger. Though she loves her life in the mountains as a wife and mother, her isolation and the loss of her family is a challenge. As she searches for meaning among nature, she's ushered along by a group of like-minded women and a mysterious, mountain man with a tragic past."

Hope Points North-Robert Douglas Spetta 2014-03 A compass is a very helpful tool-as long as its wielder knows the direction he wants to go. This wasn't often the case in the sixties in America, when

many felt directionless, with an unpopular war that had the country's moral compass spinning. "Hope Points North" is a coming-of-age experience that takes place on Long Island during this turbulent period. Of the three boys, Chris McKellar is the conventional one of the group-the glue that binds the troubled Teddy and smart, introverted Charlie together. The story is Chris's adult recollection of the time when he, Teddy, and Charlie decide to travel on their own to Grumman Aerospace Company, the builders of the Lunar Excursion Model-the craft that will eventually deliver man to the moon. Just as the boys embark on their journey, the dark-hearted preacher Lovejoy ambushes them. Teddy's grandpa has amassed a secret fortune, but it's no secret to Lovejoy, who is seducing Teddy's mother and will do anything to get the money. But the boys resist the preacher's attack in a way that leaves him dead in the creek...or so they think. In shock, they follow their compass, toward the fraternity of hopes, dreams and, unsuspectingly, manhood.

Constructed-Martin Mosfeldt 2013-06-14 Readers will feel they know someone just like the characters in this timely novel on social status and social media. Steen Sand, CEO of Stensure Networks, is the head honcho at an IT firm that's developed an Internet service to monitor, compute, and publish people's social status. His chief operating officer, Irene Lund, serves as his muse. He needs her to be part of his world, or he can't achieve anything of significance. But does she feel the same? Chief financial officer, Michael Jensen, is a hard-core pessimist who has learned the hard way not to speak up against the status quo, in spite of his natural inclination to do so. Jensen's a numbers guy. He relates to spreadsheets better than he does to people. Will this cost him in the end? Louise Hald, chief marketing officer, joined Stensure's management team after leaving her post as an assistant professor at a business school. She's beginning to wonder if she'll ever move past the "assistant" part in the eyes of her coworkers. What can she do to ensure she gets ahead? And then there's Sophie Bech. She's made the long trip back to Denmark from South Africa for her own private reasons, and everything looks different to her now. She wonders what her return will hold for her. Was it a mistake? Will her fresh set of eyes-and values-help or hinder the team? Reductionism-understanding

complex things by reducing them to fundamental parts and interactions-comes up against social status, so subtle, intricate, and sought-after, in this intriguing modern-day novel. Will these characters-and their supporting players-make the changes they need to survive in today's world? Or will they succumb to the allure of using easy but underhanded methods to get ahead?

Its compelling and all too human characters jump off the page to join the reader in the mystery, action and romance.

Beyond Betrayal-Mark Wargo 2015-09-30 There is a lot of talk today regarding the brokenness of the church with very few offering hope as to how it can be any different. In this book, Pastor Mark Wargo not only identifies some of the problems of betrayal we face within the church, but he also offers solutions and hope to stop this cycle. We all experience betrayal in this life, but sadly, too many have experienced betrayal in the church. Some get stuck in it and some go beyond it. Through this book Mark helps us recognize who the potential betrayers are, the three main betrayers we may face, the three characteristics of betrayers. Most importantly, he helps those who are stuck in the pain and grip of betrayal to move Beyond Betrayal. An ABSOLUTE MUST READ if you have ever attended a church, lead a church or lead within the church. Mark's passion for the Church will spark yours once again - because it is so beautifully Jesus' heart. Get ready for incredible biblical insight - Hope for the betrayed, knowledge to not perish, wisdom to navigate the journey, and obtaining a right heart to move 'Beyond Betrayal' and join the anthem of 'No more broken churches'.

The Promise (revised Version)-Jacques Besnainou 2014-09-01
Fulfilling a promise made to his mother when he was a child and she was losing her battle against cancer, Jacques Besnainou tells her story as a "hidden" child in France during World War II. He chronicles the struggles and survival of two families: his mother's and his mother-in-law's. Both lived through a terrifying ordeal provoked by the willful blindness of a government gone mad. And both were rescued thanks to the miraculous intervention of courageous people who listened to their conscience and challenged the established order, often at the expense of their own lives. In 1940, about 330,000 Jews lived in France, and three-quarters survived thanks to the exemplary altruism of ordinary French people. This book pays homage to them. Every story and location, as well as most of the dates and names, are true. Some details have been slightly romanticized to add texture and readability to this novelized history.

Pamphlet Architecture 29-Nannette Jackowski 2008-10-04
Ambiguous Spaces, the newest installment in the Pamphlet Architecture series and a return to Pamphlet's own progressive roots, features the architectural fictions "The Pregnant Island" and "Nuclear Breeding." These two projects develop alternative urban concepts that address the challenges presented by the specific situations and social dynamics described in controversial locations such as the Brazilian Tucuruí Dam, the Three Gorges Dam in China, and former English nuclear test sites. Using narrative techniques, fictional programs, ambiguous spaces, and building devices, Ambiguous Spaces explores people, communities, and even entire cities oppressed by a lack of freedom.

In the war on terror...sometimes the best weapon is a woman... Sarah Stevens is a washed-up military cop whose life is a shambles until she is offered a position as an agent with the CIA. The thirty-year-old, overweight, down-on-her-luck Stevens goes to a secret training camp where she is transformed into a sexy and deadly agent whose mission is to stop, by any means possible, the financiers of terrorism against the United States and its allies. Sarah soon discovers that this is an exciting new life loaded with adventure, danger and undeniable temptations...

Buddhism without Beliefs-Stephen Batchelor 1998-03-01 A national bestseller and acclaimed guide to Buddhism for beginners and practitioners alike In this simple but important volume, Stephen Batchelor reminds us that the Buddha was not a mystic who claimed privileged, esoteric knowledge of the universe, but a man who challenged us to understand the nature of anguish, let go of its origins, and bring into being a way of life that is available to us all. The concepts and practices of Buddhism, says Batchelor, are not something to believe in but something to do—and as he explains clearly and compellingly, it is a practice that we can engage in, regardless of our background or beliefs, as we live every day on the path to spiritual enlightenment.

Danubia: A Personal History of Habsburg Europe-Simon Winder 2014-01-21 A charmingly personal history of Hapsburg Europe, as lively as it is informative, by the author of *Germania* For centuries much of Europe and the Holy Roman Empire was in the royal hands of the very peculiar Habsburg family. An unstable mixture of wizards, obsessives, melancholics, bores, musicians and warriors, they saw off—through luck, guile and sheer mulishness—any number of rivals, until finally packing up in 1918. From their principal lairs along the Danube they ruled most of Central Europe and Germany and interfered everywhere—indeed the history of Europe hardly makes sense without the House of Hapsburg.

Danubia, Simon Winder's hilarious new book, plunges the reader into a maelstrom of alchemy, royalty, skeletons, jewels, bear-moats, unfortunate marriages and a guinea-pig village. Full of music, piracy, religion and fighting, it is the history of a strange dynasty, and the people they ruled, who spoke many different languages, lived in a vast range of landscapes, believed in rival gods and often showed a marked ingratitude towards their oddball ruler in Vienna. Readers who discovered Simon Winder's storytelling genius and infectious curiosity in *Germania* will be delighted by the eccentric and fascinating tale of the Habsburgs and their world.
