American History: Connecting with the Past-Alan Brinkley 2014-10-02 Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

American Pageant-David M. Kennedy 2015-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The American Spirit: United States History as Seen by Contemporaries-David M. Kennedy 2009-08-17 This detailed primary source reader focuses on political, diplomatic, and social history, presenting documents that include travel literature, religious sermons, newspaper articles, court testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The American Spirit 13th Edition Update-David M. Kennedy 2019-08-12 Primary source documents, often accessible only in musty archives, are the raw material from which historians craft their stories. The American Spirit is a virtual archive where students can touch the evidence deposited by the living, breathing, often conflicted and frequently contentious men and women who lived and shaped America's past.

Cengage Advantage Books: The American Pageant, Volume 2: Since 1865-David Kennedy 2013-01-01 Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of THE AMERICAN PAGEANT, Fifteenth Edition, offers readers the complete narrative while limiting the number of features, photos, and maps. All volumes feature a paperback, two-color format for those seeking a comprehensive, trade-sized history text. THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help you understand and master the content: chapter-ending chronologies provide a context for the major periods in American history, while other features present global context and key historical figures for analysis. Available in the following split options: CENGAGE ADVANTAGE BOOKS: THE AMERICAN PAGEANT, Fifteenth Edition Complete, Volume 1: To 1877, and Volume 2: Since 1865. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Lies My Teacher Told Me-James W. Loewen 2008 Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

American Pageant Complete Plus Guidebook Volume 1 and 2 13th Edition-David Kennedy 2005-06-01

U.S. History-P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

America's History-James A. Henretta 1997 USA's historie fra 1450-1877 samt kolonisationen af Amerika. Medtager kildeskriver af historisk interesse fra perioden

The History of London-Walter Besant 2010-08-12 This fascinating biography of one of the world's most famous cities was originally published in the early 20th Century. It chronicles the life of London from its days as an early settlement through to more modern times. Including over 60 images, photographs, engravings and drawings, this excellent book is a must-have for those who live in the city, have visited - or plan to visit - at some point, or those who want to know the story of England's capital.

American Slavery, as it is-American Anti-Slavery Society 1839

The American Pageant Guidebook-David M. Kennedy 1998-01-01

A People's History of the United States-Howard Zinn 1996 In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

United States History: Preparing for the Advanced Placement Examination, 2018 Edition-John J. Newman 2017-07-17 Perfect for students preparing to take the 2018 AP U.S. History Examination. -- Publisher's website.

The Influence of Sea Power Upon History, 1660-1783-Alfred Thayer Mahan 1892

American Spirit-Thomas A. Ed Bailey 1984

Igniting the American Revolution-Derek W. Beck 2015-10-06 "For those who like their history rich in vivid details, Derek Beck has served up a delicious brew in this book....This may soon become everyone's favorite." —Thomas Fleming, author of Liberty! The American Revolution A sweeping, provocative new look at the pivotal years leading up to the American Revolution The Revolutionary War did not begin with the Declaration of Independence, but several years earlier in 1773. In this gripping history, Derek W. Beck reveals the full story of the war before American independence—from both sides. Spanning the years 1773-1775 and drawing on new material from meticulous research and previously unpublished documents, letters, and diaries, Igniting the American Revolution sweeps readers from the rumblings that led to the Boston Tea Party to the halls of Parliament—where Ben Franklin was almost run out of England for pleading on behalf

of the colonies-to that fateful Expedition to Concord which resulted in the shot heard round the world. With exquisite detail and keen insight, Beck brings revolutionary America to life in all its enthusiastic and fiery patriotic fervor, painting a nuanced portrait of the perspectives, ambitions, people, and events on both the British and the American sides that eventually would lead to the convention in Philadelphia on July 4, 1776. Captivating, provocative and inspiring, Igniting the American Revolution is the definitive history of these landmark years in our nation's history, whose events irrevocably altered the future not only of the United States and England, but the whole world. " Integrating compelling personalities with grand strategies, political maneuverings on both sides of the Atlantic, and vividly related incidents, Igniting the American Revolution pulls the reader into a world rending the British Empire asunder." Samuel A. Forman, author of the biography Dr. Joseph Warren

The New England Way-John Cotton 1983

The Brief American Pageant-David M. Kennedy 1999-11-01

Politics: A Very Short Introduction-Kenneth Minogue 2000-02-24 Series Copy The new Very Short Introductions series offers concise and original introductions to a wide range of subjects from politics to classics. Not simply a textbook of definitions, each book in the series provides trenchant, provocative, yet balanced discussions on the central issues of the field, gives a readable historical account of the subject, and demonstrates how each particular area of study has developed and shaped society. Eventually, the series will encompass every major academic discipline, offering readers an affordable, accessible, and complete reference library. Stimulating and lively, the Very Short Introductions are indispensable guides and essential reading for anyone interested in the development of these influential fields. Providing the general reader and the student with an introduction to the central issues of political science, A Very Short Introduction to Politics shows how political trends and maneuvers develop and how they help shape our society. Kenneth Minogue, with his lively and popular style, begins with a discussion of issues arising from a historical account of politics, and goes on to offer chapters dealing with the Ancient Greeks and the idea of citizenship; Roman law; medieval Christianity and individualism; freedom since Machiavelli and Hobbes; the challenge of ideologies; democracy, oligarchy, and bureaucracy; power and order in modern society; and politics in the West. Readable and pithy, this entertaining introduction is perfect for anyone looking for an accessible overview of the subject.

Calculus for Business, Economics, Life Sciences, and Social Sciences-Raymond A. Barnett 1999-06

America's History: Concise Edition-Rebecca Edwards 2017-08-15 Known for its clear, insightful analytical narrative and balanced approach, America's History, Concise Edition is a brief, affordable text that brings America's diverse past to life. The Concise Edition features the full narrative of the parent text, select images and maps, built-in primary sources and skills-based pedagogy that gives students practice in thinking historically.

Our Country-Josiah Strong 1885

Over Here-David M. Kennedy 2004-09-16 Considers the implications of America's involvement in World War I for intellectuals, minorities, politicians, and economists.

The Day of Doom-Michael Wigglesworth 1867

The American War in Vietnam-John Marciano 2016-08-01 On May 25, 2012, President Obama announced that the United States would spend the next thirteen years - through November 11, 2025 - commemorating the 50th Anniversary of the Vietnam War, and the American soldiers, "more than 58,000 patriots," who died in Vietnam. The fact that at least 2.1 million Vietnamese - soldiers, parents, grandparents, children - also died in that war will be largely unknown and entirely uncommemorated. And U.S. history barely stops to record the millions of Vietnamese who lived on after being displaced, tortured, maimed, raped, or born with birth defects, the result of devastating chemicals wreaked on the land by the U.S. military. The reason for this appalling disconnect of consciousness lies in an unremitting public relations campaign waged by top American politicians, military leaders, business people, and scholars who have spent the last sixty years justifying the U.S. presence in Vietnam. It is a campaign of patriotic conceit superbly chronicled by John Marciano in The American War in Vietnam: Crime or Commemoration?. A devastating follow-up to Marciano's 1979 classic Teaching the Vietnam War (written with William L. Griffen), Marciano's book seeks not to commemorate the Vietnam War, but to stop the ongoing U.S. war on actual history. Marciano reveals the grandiose flag-waving that stems from the "Noble Cause principle," the notion that America is "chosen by God" to bring democracy to the world. Marciano writes of the Noble Cause being invoked

unsparingly by presidents - from Jimmy Carter, in his observation that, regarding Vietnam, "the destruction was mutual," to Barack Obama, who continues the flow of romantic media propaganda: "The United States of America ... will remain the greatest force for freedom the world has ever known." The result is critical writing and teaching at its best. This book will find a home in classrooms where teachers seek to do more than repeat the trite glorifications of U.S. empire. It will provide students everywhere with insights that can prepare them to change the world.

The American Presidents, Washington to Tyler-Robert A. Nowlan 2014-01-10 As of 2012, only 43 men have held the office of the President of the United States. Some have been sanctified and some reviled. This historical work addresses the careers of the first ten presidents, men who made vital contributions not only to the office of the presidency, but to the course of the fledgling nation. From Washington through Tyler, every term is recounted in detail and each presidential profile provides as many as a hundred quotations (with full source notes) by the president, his friends, family, historians, and others. Each profile ends with an extensive bibliography of books about the president, his principles and policies, and also provides suggestion for further reading. Rigorously nonpartisan in approach, this detail-rich text describes the early years of what may well be one of the most demanding jobs in the world.

The Shame of the Cities-Lincoln Steffens 2012-03-08 Taking a hard look at the unprincipled lives of political bosses, police corruption, graft payments, and other political abuses of the time, the book set the style for future investigative reporting.

The Crime Against Kansas-Charles Sumner 1856 Speech delivered in the Senate condemning the Southern expansion of slavery and the force used in compelling Kansas to be a slave state. In the course of the speech, Sumner ridicules South Carolina Senator Andrew Butler.

Empire of Liberty-Gordon S. Wood 2009-10-28 The Oxford History of the United States is by far the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, two New York Times bestsellers, and winners of the Bancroft and Parkman Prizes. Now, in the newest volume in the series, one of America's most esteemed historians, Gordon S. Wood, offers a brilliant account of the early American Republic, ranging from 1789 and the beginning of the national government to the end of the War of 1812. As Wood reveals, the period was marked by tumultuous change in all aspects of American life--in politics, society, economy, and culture. The men who founded the new government had high hopes for the future, but few of their hopes and dreams worked out quite as they expected. They hated political parties but parties nonetheless emerged. Some wanted the United States to become a great fiscal-military state like those of Britain and France; others wanted the country to remain a rural agricultural state very different from the European states. Instead, by 1815 the United States became something neither group anticipated. Many leaders expected American culture to flourish and surpass that of Europe; instead it became popularized and vulgarized. The leaders also hope to see the end of slavery; instead, despite the release of many slaves and the end of slavery in the North, slavery was stronger in 1815 than it had been in 1789. Many wanted to avoid entanglements with Europe, but instead the country became involved in Europe's wars and ended up waging another war with the former mother country. Still, with a new generation emerging by 1815, most Americans were confident and optimistic about the future of their country. Named a New York Times Notable Book, Empire of Liberty offers a marvelous account of this pivotal era when America took its first unsteady steps as a new and rapidly expanding nation.
