It's no wonder, then, that everything you ever wanted to know about the sport (and a lot you didn't want to know, but they're sharing anyway) is trapped between the covers of this book. All with their own special take on it. Here are stories fraught with hilarity and danger—and all of it completely true. There's loads of advice (mostly learned the hard way), and some family hunting photos too. Rick and Bubba's Big Honkin' Book of Huntin' will help you tell the difference between road kill and a trophy buck (most trophy bucks do not have tire marks). It will help you pass the time in a hunting house while you're waiting for that prize buck (do your taxes maybe). And it'll tell you how to haul your game back to the house no matter what you're driving (if you're on a motorcycle, set the deer on the back like a passenger. Leather pants are optional.) This is one book good enough to mount in the living room! So whether you hunt deer, wild turkeys, quail, or just shoot at whatever's movin' in the bushes, Rick and Bubba's Big Honkin' Book of Huntin' is for you. Get ready, aim . . . laugh!
