Prince 2015-08-15 If you liked The Dominator, you'll want to read the story of Dario Ferrano falling in love. This is a mafia romance. Reading book one before reading this book is recommended and necessary. Want more Ferrano alpha male hotness? Get to know Dario a whole lot better in this continuation story about the Ferrano family. Dario is Tommy's younger brother and after seeing his brother fall in love Dare's new motto is MAN WHORE NO MORE! Dare wants his happily ever after. But, after Dare comes home from his brother's wedding and celebrates his 25th birthday he gets a

posthumous gift from his father, one that'll change the course of his life. *** Before my father died he arranged for my brother to get married, gifted him with a girl. After I saw the impact of that girl on my brother's life I joked with him that I wanted a mail-order bride for my upcoming birthday, joked about it with emotions about my now sister-in-law that I should not EVER have been feeling. My father joked back that he was already shopping around and would find me a perfect fit. At least I'd thought he'd been joking. But when I got home from my brother's wedding I found out that before Pop died he had gotten that ball rolling. He'd gotten things rolling in a way that could not be stopped and that was going to be a problem. A messy problem. See, my Pop was deeply involved in a human trafficking ring, one of the many involvements he'd neglected to tell me and my brother about as he prepared us to take over the family business. We never knew that what he'd had in mind for us was just the top skim off a cesspool of filth he'd been too happy to be wading in. We had suspicions but we had no clue just how filthy it truly was. A little less than two months before my birthday he had asked me what I wanted in a bride. "What's on your wish list, son?" Pop asked. "Beautiful. Redhead. But she has to want what I want from life. She has to have an insatiable sexual appetite but want kids and a picket fence, too." "How about if she's all those things because she does exactly what you tell her to do? How about if she's been schooled in all the ways to please a man in and out of the bedroom?" "That's too good to be true, Pop. Too bad such a woman does not exist." I'd laughed it off and our conversation got cut short. I'd always wanted a wife and kids. I wanted the picket fence and enough kids to start my own soccer team. But when I caught my fiancée cheating on me with the DJ we'd hired for our wedding my heart went cold and what my sister dubbed my 'man whore years' began. After seeing Tommy's life change because of falling in love I decided that maybe it was time to open my mind up to the possibilities of connecting with someone again beyond a one night stand. But when I got home from my brother's wedding, ready to start the massive job of cleaning up the family business so that I could move on with my life and think about finding my own happily ever after I found out that Pop had already ordered my mail order bride. And I couldn't cancel that order. She's

waiting for me to pick her up near Bangkok. She's been told she has been sold and is going back to North America. She's about to turn 23, she's a beautiful redhead, and she's been in captivity for 2 years. There's no way I can accept this gift, keep a woman who was bought for me. I need to pick her up and set her free. Don't I? Warning: Explicit sex scenes. Profanity. Dark themes. This book's heroine is a sex slave that gets rescued. She's broken. The book does not spend chapter after chapter describing her abuse in detail but there is some explicit content related to her memories.

This is a dark paranormal romance. This book is the highly anticipated continuation of Tristan & Kyla's journey. Contains: VAMPIRES, BLOOD, SEX, MYSTERY, BAD GUYS, ANSWERS, and A FEW MORE QUESTIONS. Stilicho-Ian Hughes 2010-06-19 The period of history in which Stilicho lived was one of the most turbulent in European history. The Western Empire was finally giving way under pressure from external threats, especially from Germanic tribes crossing the Rhine and Danube, as well as from seemingly ever-present internal revolts and rebellions. Ian Hughes explains how a Vandal (actually Stilicho had a Vandal father and Roman mother) came to be given almost total control of the Western Empire and describes his attempts to save both the Western Empire and even Rome itself from the attacks of Alaric the Goth and other barbarian invaders. Stilicho is one of the major figures in the history of the Late Roman Empire and his actions following the death of the emperor Theodosius the Great in 395 may have helped to divide the Western and Eastern halves of the Roman Empire on a permanent basis. Yet he is also the individual who helped maintain the integrity of the West before the rebellion of Constantine III in Britain and the crossing of the Rhine by a major force of Vandals, Sueves and Alans - both in AD 406 - set the scene for both his downfall and execution in 408 and the later disintegration of the West. Despite his role in this fascinating and crucial period of history, there is no other full-length biography of him in print.

Food of the Gods-Terence McKenna 1999 A journey to some of the Earth's most endangered people in the remote Upper Amazon. . . . a look at the rituals of the Bwiti cults of Gabon and Zaire. . . . a field watch on

the eating habits of 'stoned' apes and chimpanzees - these adventures are all a part of ethnobotanist Terence McKenna's extraordinary quest to discover the fruit of the Tree of Knowledge. He wonders why, as a species, we are so fascinated by altered states of consciousness. Can they reveal something about our origins as human beings and our place in nature? As an odyssey of mind, body and spirit, Food of the Gods is one of the most fascinating and surprising histories of consciousness ever written. And as a daring work of scholarship and exploration, it offers an inspiring vision for individual fulfilment and a humane basis for our interaction with each other and with the natural world. 'Brilliant, provocative, opinionated, poetic and inspiring. . . . Essential reading for anyone who ever wondered why people take drugs.' Rupert Sheldrake

Essence (Nectar Trilogy, Book 3)-D. D. Prince 2019-04-18 It's here! Essence, the much anticipated book three in the Nectar trilogy is ready for you. Wondering how Tristan & Kyla will get their much-deserved HEA? Here you go! All three books are now ready to be devoured! Essence is book three in the Nectar trilogy, a dark paranormal romance. Reading these books in order is essential. This is a dark paranormal vampire romance and contains scenes and triggers that may be disturbing. Contains: VAMPIRES, BLOOD, SEX, BAD GUYS, GOOD GUYS, HOT GUYS, ANSWERS, and running-a-red-light sex. In Nectar, we met Tristan and Kyla, who found themselves together in a dark bedroom. Kyla, an offering to Tristan, a royal

vampire with an insatiable appetite. They were almost instantly addicted to one another. Even if Kyla tried to resist. Kyla couldn't help feel magnetized, drawn to the handsome vampire prince, despite the fact that he held her in his home and in his bedroom against her will. He forced her to feel things physically as well as emotionally. Tristan was clearly drawn to Kyla, too. Not only was she his preferred type but the fact that she wasn't mesmerized and vacant like all the others and the fact that her blood was better than any blood he'd ever tasted created a fierce protectiveness as well as other mysterious emotions in him. He transformed from arrogant hedonistic vampire to a lovesick romantic. Love is rarely easy and this REALLY seems to be the case when the supernatural gets added into the mix! Things weren't going well at the end of book one and Kyla had a tough snap decision to make. In *Ambrosia*, Kyla had to deal with the fallout of that decision and process the truth, as it revealed itself. There was a whole lot of stunning, unbelievable truth to process while she felt herself changing, getting stronger, exhibiting some supernatural powers of her own. At the end of *Ambrosia* things went terribly wrong and Tristan was faced with the reality of the agendas of those around him, those he'd trusted, those who had been grooming him for his leadership role. And he was faced with the inexplicable agony associated with a choice that he had to make. *Essence* begins with Tristan's POV as he processes what happened at the end of book two and tries to find a way to right those wrongs while keeping his head together despite wanting to turn into an inferno that melts everything in sight. "Standard vampire romance, right? The vampire falls for the human, the human falls for the vampire, and then she becomes a vampire and they live happily ever after. Isn't how this goes? That's how it always goes." Nope. Not even close. The twists, the turns, the steam (phew), the blood? Wait until you see where this story goes! This book is the end of the Nectar trilogy but won't be the end for these characters. There's a HEA, no cliffy, but the doors will be left open for the possibility of future stories about some of the secondary characters as well as the opportunity to see where Tristan & Kyla's adventures will take them next. This dark romance contains sex, blood and gore, violence, and a connection that surpasses all the heroine and her alpha vampire prince ever thought possible.
