Firearms of the Texas Rangers-Doug Dukes 2020-08-14 From their founding in the 1820s up to the modern age, the Texas Rangers have shown the ability to adapt and survive. Part of that survival depended on their use of firearms. The evolving technology of these weapons often determined the effectiveness of these early day Rangers. John Coffee “Jack” Hays and Samuel Walker would leave their mark on the Rangers by incorporating new technology which allowed them to alter tactics when confronting their adversaries. The Frontier Battalion was created at about the same time as the Colt Peacemaker and the Winchester 73—these were the guns that “won the West.” Firearms of the Texas Rangers, with more than 180 photographs, tells the history of the Texas Rangers primarily through the use of their firearms. Author Doug Dukes narrates famous episodes in Ranger history, including Jack Hays and the Paterson, the Walker Colt, the McCulloch Colt Revolver (smuggled through the Union blockade during the Civil War), and the Frontier Battalion and their use of the Colt Peacemaker and Winchester and Sharps carbines. Readers will delight in learning of Frank Hamer’s marksmanship with his Colt Single Action Army and his Remington, along with Captain J.W. McCormick and his two .45 Colt pistols, complete with photos. Whether it was a Ranger in 1844 with his Paterson on patrol for Indians north of San Antonio, or a Ranger in 2016 with his LaRue 7.62 rifle working the Rio Grande looking for smugglers and terrorists, the technology may have changed, but the gritty job of the Rangers has not.

The Texas Gun Trade-Chris Hirsch 2008 This new book from Mowbray Publishers is the result of the author’s almost 20 years of research. It attempts to shed light on the extent of the gun trade in Texas during its early times. Though the military connection is touched upon in this book, the civilian gun trade is the main objective. Many of the old established gun dealers in Texas became quite successful, while others came and went. Each major city seemed to have one gun dealer that stood above all others. Included in this extensive directory of over 1,200 dealers and makers are the Dance Brothers of Anderson, the Erichson family of Houston, E.A. Worden of Dallas, Charles Hummel of San Antonio, J.C. Petmecky of Austin, A.J. Anderson of Forth Worth and countless other dealers and tradesmen, many of whom could have books dedicated to them alone. More than 1,200 listings and over 700 black & white photographs. 8.5"x11" and printed on heavy, coated paper.

Sutherland Springs-Joe Holley 2020-03-17 One part Columbine, one part God Save Texas, Joe Holley’s riveting, compassionate book examines the 2017 mass shooting at a church in a small Texas town, revealing the struggles and triumphs of these fellow Texans long after the satellite news trucks have gone. Sutherland Springs was the last place anyone would have expected to be victimized by our modern-day scourge of mass shootings. Founded in the 1850s along historic Cibolo Creek, the tiny community, named for the designated physician during the siege of the Alamo, was once a vibrant destination for wealthy tourists looking to soak up the “cures” of its namesake mineral springs. By November 5, 2017, however, the day a former Air Force enlistee opened fire in the town’s First Baptist Church, Sutherland Springs was a shadow of its former self. Twenty-six people died that Sunday morning, in the worst mass shooting in a place of worship in American history. Holley, who roams the Lone Star State as the “Native Texan” columnist for the Houston Chronicle and earned a Pulitzer- Prize nomination for his editorials about guns, spent more than a year embedded in the community. Long after most journalists had left, he stayed with his fellow Texans, getting to know a close-knit group of people - victims, heroes, and survivors. Holley shows how they work to come to terms with their loss and to rebuild shattered lives, marked by their deep faith in God and in guns. He also uses Sutherland Springs’ unique history and its decades-long decline as a prism for understanding how an act of unspeakable violence reflects the complicated realities of Texas and America in the twenty-first century.

The shot in the eye, and adventures with the Texas rifle rangers-Charles Wilkins Webber 1853

The Border Rifles: A Tale of the Texan War-Gustave Aimard 2019-12-11 “The Border Rifles: A Tale of the Texan War” by Gustave Aimard. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Border Rifles-Gustave Aimard 1862

Pistol Packin' Preachers-Barbara Barton 2005-03-31 A writer once denounced the Lone Star State as “where the Godly could battle 'the devil' on his own ground.” Circuit riders and other early preachers confronted dangerous outlaws, Indians, wild animals, and Texas’ unpredictable weather. Their stories chronicle bringing one element of civilization to early explorers and settlers. Some fought for Texas independence with a Bible in one hand and a rifle in the other; others worked as drovers and preached along the cattle trails. One served as a deputy sheriff; others, as fort chaplains. European immigrant ministers and Negro preachers formed an unlikely mix in East Texas. The frontier lured them into all the danger, adventure, and challenge of others who faced the “devil in Texas.” Circuit riders had preached to all regions of Texas before they “hung up their spurs and went to the camp meeting in the sky.”

The Texan Star-Joseph Alexander Altsheier 1912 This book is a fictional novel about the events of the Texas Revolution. It is a dramatic retelling of the period with depictions of many of the famous figures involved in the revolution.

Texas Rifles and Massacre at Goliad-Elmer Kelton 2013-02-26 Texas rifles: As the Confederate States confront the hardships of the Civil War, the State of Texas is forced to raise its own troops to hold back hostile Comanche, a force that includes men still loyal to the Union, including Scout Sam Houston Cloud.

Life and Adventures of Ben Thompson the Famous Texan-William Martin Walton 1884

With Sam Houston in Texas-Edwin Legrand Sabin 1916 This book is the tale of a boy volunteer during the Texan struggle for independence from Mexico.

Hood’s Texas Brigade-Susannah J. Ural 2017-11-13 One of the most effective units to fight on either side of the Civil War, the Texas Brigade of the Army of Northern Virginia served under Robert E. Lee from the Seven Days Battles in 1862 to the surrender at Appomattox in 1865. In Hood’s Texas Brigade, Susannah J. Ural presents a nontraditional unit history that traces the experiences of these soldiers and their families to gauge the war’s effect on them and to understand their role in the white South’s struggle for independence. According to Ural, several factors contributed to the Texas Brigade’s extraordinary success: the unit’s strong self-identity as Confederates; the mutual respect among the junior officers and their men; a constant desire to maintain their reputation not just as Texans but as the top soldiers in Robert E. Lee’s army; and the fact that their families matched the men’s determination to fight and win. Using the letters, diaries, memoirs, newspaper accounts, official reports, and military records of nearly 600 brigade members, Ural argues that the average Texas Brigade volunteer possessed an unusually strong devotion to southern independence: whereas most Texans and Arkansans fought in the West or Trans- Mississippi West, members of the Texas Brigade volunteered for a unit that moved them over a thousand miles from home, believing that they would exert the greatest influence on the war’s outcome by fighting near the Confederate capital in Richmond. These volunteers also took pride in their place in, or connections to, the slave-holding class that they hoped would secure their financial futures. While Confederate ranks declined from desertion and fractured morale in the last years of the war, this belief in a better life—albeit one built through slave labor— kept the Texas Brigade more intact than other units. Hood’s Texas Brigade challenges key historical arguments about soldier motivation, volunteerism and desertion, home-front morale, and veterans’ postwar adjustment. It provides an intimate picture of one of the war’s most effective brigades and sheds new light on the rationales that kept Confederate soldiers fighting throughout the most deadly conflict in U.S. history.

The Quarterly of the Texas State Historical Association-Texas State Historical Association 1901

Life and Select Literary Remains of Sam Houston of Texas-William Carey Crane 1884

In Texas with Davy Crockett-Everett McNeil 1908

Sam Houston and the War of Independence in Texas-Alfred Mason Williams 1893

A Description of Western Texas-Galveston, Harrisburg & San Antonio Railway Company 1876

To Tame A Texan-Georgina Gentry 2003-05-01 BAD BOYS AREN'T HER STYLE Schoolteacher Lynnne McBride has only one reason for attending the Valentine Ball at the state capital, and it's not romance. The suffragette protest she's planned is sure to get the attention of the governor and the legislators present. But her escort, roguish Ace Durango, is nothing but an irritation—until her “Votes for Woman” banner causes a riot that lands them both in jail, and costs Lynnne her teaching position. Spending another minute with irresponsible Ace is punishment enough in Lynnne's eyes, even if his good looks and charm are suddenly hard to ignore. . . . UNTIL SHE METS THE RIGHT MANAs far as Ace is concerned, taking the prim little schoolmarm to the ball more than repaid the favor he owed his parents. Now circumstances have conspired to make Ace the boss on one last cattle drive to Kansas, giving him a chance to prove to his family that he can handle whatever the job-and his future inheritance-brings. Unless it's Miss McBride herself, tagging along to attend a women's rights meeting in Dodge City. Suddenly Ace wonders if he can hold his own against the feisty young thing who won't take no for an answer -and who just might be the partner of his dreams. . .

Texas Men-Martana 2000-03-01 A dazzling collection of interviews with heroic and notorious men of the Lone Star state.

A Complete History of Texas for Schools, Colleges, and General Use-Dudley G. Wooten 1899

Early Settlers and Indian Fighters of Southwest Texas-Andrew Jackson Sowell 1900 This edition is abridged and annotated with updated information.A content from Prussia. A French Texas Ranger. Emigrants from all over the U.S.Their names and stories are mostly now forgotten but were recorded in this 1900 volume by Andrew Jackson Sowell. They were mostly young, hardy, and looking for new opportunities in land they felt was wide open but, in fact, was inhabited by Native Americans. The lives of these early pioneers is part of the history of the American West.The original bound edition of this book ran over 1100 pages and most of that jargon is here. It's the story of an incredibly violent and adventurous time that was lived by the people whose stories you find here. Sowell talked to them all and created one of the most interesting collections of personal histories of the wild West.

Andrew Jackson Potter, the Fighting Parson of the Texan Frontier-H. A. Graves 1881

Live Boys in the Black Hills, Or, The Young Texan Gold Hunters-Thomas Pilgrim 1880

Andrew Jackson Potter, the Noted Parson of the Texan Frontier-Hiram Atwill Graves 1888

The Annexation of Texas-Justin Harvey Smith 1911

Indian Depredations in Texas-John Wesley Wilbarger 1889 This volume, first published in 1889, is one of the most thorough accounts of Indian warfare in Texas.

Through Texas-Walter Barlow Stevens 1892

History of Texas-Buckley B. Paddock 1922

Texas-James A. Michener 2014-01-21 Spanning four and a half centuries, James A. Michener’s monumental saga chronicles the epic history of Texas, from its Spanish roots in the age of the conquistadors to its current reputation as one of America’s most affluent, diverse, and provocative states. Among his finely drawn cast of characters, emotional and political alliances are made and broken, as the loyalties established over the course of each turbulent age inevitably collapse under the weight of wealth and industry. With Michener as our guide, Texas is a tale of patriotism and statesmanship, growth and development, violence and betrayal—a stunning achievement by a literary master. BONUS: This edition includes an excerpt from James A. Michener’s Hawaii. Praise for Texas “Fascinating.”—Time “A book about oil and water, rangers and outlaws, frontier and settlement, money and power . . . [James A. Michener] manages to make history vivid.”—The Boston Globe “A sweeping panorama . . . [Michener] grapples earnestly with the Texas character in a way that Texas’s own writers often don’t.”—The Washington Post Book World “Vast, sprawling, and eclectic in population and geography, the state has just the sort of larger-than-life history that lends itself to Mr. Michener’s taste for multigenerational epics.”—The New York Times

God Save Texas-Lawrence Wright 2019-03-05 A New York Times Notable Book National Book Critics Circle Award Finalist An NPR Best Book of the Year God Save Texas is a journey through the most controversial state in America. It is a red state, but the cities are blue and among the most diverse in the nation. Oil is still king, but Texas now leads California in technology exports. Low taxes and minimal regulation have produced extraordinary growth, but also striking income disparities.

Texas looks a lot like the America that Donald Trump wants to create. Bringing together the historical and the contemporary, the political and the personal, Texas native Lawrence Wright gives us a colorful, wide-ranging portrait of a state that not only reflects our country as it is, but as it may become—and shows how the battle for Texas’s soul encompasses us all.

Texas Rifles-Elmer Kelton 1998-01-15 The new Confederacy, facing into the Union cannon, had too much on its hands to send troops to the Texas frontier to hold back the Indians. Instead, it authorized the State of Texas to raise its own troops. Many kinds of men drifted into the Texas Mounted Rifles. Some thought it might be safer than fighting in far off Virginia. Many were merely young men a-thirst for adventure. Some were settlers who saw this as the best way to protect their families and homes against the murderous thrusts of the Comanche. And some were men who still loved the Union, who had lived too long under that gallant flag to turn their guns against it now. Such a man was Scout Sam Houston Cloud... At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Texans, Guns & History-Charles Askins 1970 The early Texans were a breed unto themselves—their like may never be seen on this continent. They made the most of a booming land of freedom and opportunity.

The Guns of Europe-Joseph Alexander Altsheier 1915

A Pictorial History of Texas-Homer S. Thrall 1879 From the earliest visits of European adventurers, to A.D. 1879. Embracing the periods of missions, colonization, the revolution the republic, and the state; also, a topographical description of the country ... together with its Indian tribes and their wars, and biographical sketches of hundreds of its leading historical characters. Also, a list of the countries, with historical and topical notes, and descriptions of the public institutions of the state.

A History of Texas for Schools-Mrs. Percy V. Pennybacker 1907

Texas Almanac and State Industrial Guide- 1856

Behind the Guns with American Heroes-James William Buel 1899

Guns in American Society: An Encyclopedia of History, Politics, Culture, and the Law, 2nd Edition [3 volumes]-Gregg Lee Carter 2012-05-04 Thoroughly updated and greatly expanded from its original edition, this three-volume set is the go-to comprehensive resource on the legal, social, psychological, political, and public health aspects of guns in American life. • 450 alphabetically organized entries, including 100 new for this edition, covering key issues (suicide, video games and gun violence, firearm injury statistics) and events (workplace shootings, the Virginia Tech massacre) • 102 expert contributors from all academic fields involved in studying the causes and effects of gun violence • A chronology of pivotal moments and controversies in the history of firearm ownership and use in the United States • An exhaustive bibliography of print and online resources covering all aspects of the study of guns in the United States • Appendices on federal gun laws, state gun laws, and pro- and anti-gun-control organizations

A Brief History of Texas from Its Earliest Settlement-De Witt Clinton Baker 1873

Santa Fe Employes' Magazine- 1910
