The Heavenly Man-Brother Yun 2009-10-01 "The Heavenly Man" tells the true story of Liu Zhenying, also known as Brother Yun, who, for the past 30 years, has committed himself to bringing the gospel of Christ to all of China. Imprisoned, tortured, and separated from his family for his beliefs, Brother Yun shares his story.

And God Came in-Lyle W. Dorsett 2009 Tells the complete life story of the American poet, radical communist, and atheist--until her conversion to Christianity in the late 1940s--who was briefly married to British author C.S. Lewis.

Here Goes Nothing-Kendra Broekhuis 2017-02-28 What happens when you ask God, "What do you want me to do today?" This is not a success story. And it's not one of those stories that has a beginning, a middle, and then a perfectly tidy hind end either. It's really just a beginning. For thirty days Kendra Broekhuis prayed "to maintain the joy of being wife and mommy amid the daily grind. To see the world through God's eyes. To live intentionally. To build relationships and share Christ's love with our neighbors. To learn what it really means to give. To collide 'motherhood' with 'mission.'" This became her motto, her credo, her personal mission statement. Some days it led to actions the Lord gently nudged her to take. Other days it led to reflections the Lord gently whispered into her heart. Every day it led to a single word, one underlying theme that ties all thirty days - all thirty chapters - and their wide variety of topics together: giving. These thirty days found Kendra and her husband and daughter in a strange time of transition. They had just moved back to the United States after teaching for three years in the beautiful country of Guatemala. They were in a new city, working a new job, living in a new apartment building, in search of a new church. And they wanted to put it all together: all of their experiences, all of the things they had just seen and learned and read and discussed. It wasn't a clean slate but rather a chance to live intentionally. When Kendra and her husband sought advice about the transition from fellow missionary friends, the advice was, "Get to know your neighbors." It might sound like strange advice, but it made sense. Jesus tells us to "Love God and love your neighbor." Many times the word neighbor is meant to be vague, but it shouldn't always be. Part of being mission-minded, no matter where you live or work, is being willing to love the people closest to you, people we often overlook. Kendra's neighbors—as in the people who live in the other eleven apartments in her building—are whom she often found the Lord's generosity overflowing to and from during these thirty days.

One Thousand Years-David Coleman 2019-12-12 Imagine Jesus ruling over a kingdom that encompasses the entire planet with no one denying that Christ is God. Perfect justice will prevail throughout the world, and any rebellion will draw quick retribution. Righteousness will triumph over evil everywhere, and God's glory will extend from Jerusalem to the ends of the earth. The greatest thing about the above scenario is that it is true! Yet, because many sermons and Bible studies on prophetic subjects tend to focus upon darker events foretold in Scripture, most believers know little about it. Handed pen and paper, many believers could probably write out relatively well-informed descriptions of end-time topics such as the Tribulation, the Antichrist, and the Battle of Armageddon, but ask them to describe the Millennium and many would respond with a blank stare. If that describes you, this book will fill you in on the bright future that awaits you.

One Thousand Years provides an overview of Christ's glorious earthly kingdom and explains why its literal fulfillment is guaranteed in Scripture.

Classic Teachings on the Nature of God-R. C. Sproul 2010 R. C. Sproul has committed his life to clearly communicating deep, practical truths from God's Word to students and laypeople. His lucid teaching style brings clarity to the most difficult--and often contentious--biblical and theological questions. Gathered here in one volume are three of his best-selling books--over \$40 worth of reading at a great low price. From Rudolf Otto's "mysterium tremendum" to Martin Luther's "insanity" and Jonathan Edwards's fiery sermons, Sproul's classic "The Holiness of God" illuminates history and Scripture to help readers understand--and live with--the tension that exists between God's terrifying holiness and his inexplicable grace. In "Chosen by God," Sproul tackles the divisive subject of predestination, and discusses God's sovereignty and the problem of evil, human freedom, and the task of evangelism. He explains that there is a mystery in God's ways but not contradiction; and paints a picture of a loving--not spiteful or whimsical--God who provides redemption for radically corrupt people. "Pleasing God" explores the topic of sanctification--how we satisfy God by pursuing righteousness. Sproul examines the constant battle Christians wage against sin--pride, slothfulness, dishonesty. He reveals how many Christians have tragically abandoned the struggle, but that God delights in those who press on. Although Sproul brings a Reformed background and approach to topics, his work is not just for Calvinists but for all Christians who want to understand and build on the foundations of their faith.

Fanny J. Crosby An autobiography-Fanny J. Crosby 2020-06-24 For those friends and acquaintances, who have expressed a wish to read the complete story of my life, from my childhood to the present time, I have undertaken the writing of this book. By including even some incidents that, in themselves, may seem trivial, I have tried to make this account a full and accurate autobiography. In modesty, however, I have also desired to render my story as simple as possible, in fact, to give a vivid picture of my work, my opinions and my aspirations, not only as a teacher but also as a writer of sacred songs; and if I have spoken with a frankness that may seem akin to egotism, I hope that I may be pardoned; for I am fully aware of the immense debt I owe to those numberless friends, only a few of whom I have been able to mention, and especially to that dear Friend of us all, who is our light and life.

Living Water-Brother Yun 2008-09-23 In *The Heavenly Man*, you learned the story of how God took a young half-starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus Christ, braving horrific opposition and impossible odds. *Living Water* is a collection of Brother Yun's dynamic teachings that evolved from his life experiences of persecution and revival in China. Brother Yun shares how the grace of God sustained him during his darkest hours and how that darkness transformed into the infectious joy and zeal for the Lord that are the hallmark of his ministry today. This unique book teaches us that radical faith is not for a chosen few, but for every believer who dares to call Jesus Christ Lord.

Job-Edward L. Greenstein 2019-08-20 This revelatory new translation of Job by one of the world's leading biblical scholars will reshape the way we read this canonical text. The book of Job has often been called the greatest poem ever written. The book, in Edward Greenstein's characterization, is "a Wunderkind, a genius emerging out of the confluence of two literary streams" which "dazzles like Shakespeare with unrivaled vocabulary and a penchant for linguistic innovation." Despite the text's literary prestige and cultural prominence, no English translation has come close to conveying the proper sense of the original. The book has consequently been misunderstood in innumerable details and in its main themes. Edward Greenstein's new translation of Job is the culmination of decades of intensive research and painstaking philological and literary analysis, offering a major reinterpretation of this canonical text. Through his beautifully rendered translation and insightful introduction and commentary, Greenstein presents a new perspective: Job, he shows, was defiant of God until the end. The book is more about speaking truth to power than the problem of unjust suffering.

The Heart of John Wesley's Journal-John Wesley 2019-12-25 The Journal kept by John Wesley from 1735 to 1790 charts his own spiritual journey and the work in which he engaged once converted. These extracts provide an insight into the spiritual ignorance and hostility that existed in his day and the amazing effects of the Gospel in transforming lives. We see the revival that took place as a result of his and others' evangelistic endeavours and the establishment of Methodism. Wesley's incessant travels, - covering thousands of miles each year, often on horseback, and habitually preaching several times a day, - make compelling reading. They challenge us too. What efforts are we making to reach the lost in our day, in which ignorance and hostility to spiritual things still exists?

Barefoot Church-Brandon Hatmaker 2011-11-01 People are hungry to make a difference in their community, yet most don't know where to start. In fact, "serving the least" is often one of the most neglected biblical mandates in the church. Barefoot Church shows readers how today's church can be a catalyst for individual, collective, and social renewal in any context. Whether pastors or laypeople, readers will discover practical ideas that end up being as much about the Gospel and personal transformation as they are about serving the poor. Here they will see how the organizational structure of the church can be created or redesigned for mission in any context. Drawing from his own journey, Brandon Hatmaker proves to readers that serving the least is not a trendy act of benevolence but a lifestyle of authentic community and spiritual transformation. As Hatmaker writes, "My hope is that God would open our eyes more and more to the needs of our community. And that we would see it as the church's responsibility to lead the charge."

The Adventures of the Mountain Men-Stephen Brennan 2017-07-25 Incredible stories from those who thrived in the Wild West. The "mountain men" were the hunters and trappers who fiercely strode the Rocky Mountains in the early to mid-1800s. They braved the elements in search of the skins of beavers and other wild animals, to sell or barter for goods. The lifestyle of the mountain men could be harsh, existing as they did among animals, and spending most of their days and nights living and camping out in the great unexplored wilds of the Rockies. Life outdoors presented many threats, not least among them Native Americans, who were hostile to the mountain men encroaching on the area for their own purposes. For a certain kind of pioneer, this risk and more were outweighed by the benefits of living free, without the restrictions and boundaries of "civilized" settlements. Included in this collection are tales from great writers, including: Washington Irving Stanley Vestal Osborne Russell Francis Parkman Jr. And many more! In The Adventures of the Mountain Men, New York Times bestselling author Stephen Brennan has compiled many of the best stories about the mountain men—the most daring exploits, the death-defying chances taken to hunt big game, the clashes with the arrows of Native Americans, and also the moments when the men were struck by the incomparable beauty of the unsullied, majestic Rocky Mountains.

The City of God, Volume I-Bishop of Hippo Saint Augustine 101-01-01 "The glorious city of God is my theme in this work, which you, my dearest son Marcellinus, suggested, and which is due to you by my promise. I have undertaken its defence against those who prefer their own gods to the Founder of this city,—a city surpassingly glorious, whether we view it as it still lives by faith in this fleeting course of time, and sojourns as a stranger in the midst of the ungodly, or as it shall dwell in the fixed stability of its eternal seat, which it now with patience waits for, expecting until "righteousness shall return unto judgment," and it obtain, by virtue of its excellence, final victory and perfect peace. A great work this, and an arduous; but God is my helper." -an excerpt

Paul, the Spirit, and the People of God-Gordon D. Fee 1994-09-01 "In Paul, the Spirit, and the People of God, Pentecostal scholar Gordon Fee has redefined the terms of the discussion about the Holy Spirit in a way that transcends today's paradigm of 'charismatic' or 'noncharismatic' orientation. His words are a strong reminder of what God, through his Holy Spirit, intends the church to be. . . . His work is an attempt to point us back to the Bible and reinvigorate our own vision of how the Spirit mobilizes the community of believers in the local church."--Wendy Murray, author; former senior writer, Christianity Today "Gordon Fee, one of our truly master exegetes, has put steel and sinew into the words Spirit, spirit, and spiritual--words that have become flabby through subjectivizing indulgence and lack of exegetical exercise. His accurate, fresh, and passionate recovery of the place and meaning of Spirit in Paul and for us Christians is a provocative stimulus and reliable guide to the recovery of the experienced presence of God in our lives. For those of us who want to live in continuity with all that has been revealed in Jesus and given in the Spirit, this is an eminently practical book."--Eugene H. Peterson, professor emeritus of spiritual theology, Regent College "Gordon Fee is one of the finest Bible expositors I have known. Whenever he speaks and writes, I listen, and recommend you do the same."--Chuck Colson, founder, Prison Fellowship Ministries
