The Monk-Matthew Lewis 2016-01-14 'He was deaf to the murmurs of conscience, and resolved to satisfy his desires at any price.' The Monk (1796) is a sensational story of temptation and depravity, a masterpiece of Gothic fiction and the first horror novel in English literature. The respected monk Ambrosio, the Abbot of a Capuchin monastery in Madrid, is overwhelmed with desire for a young girl; once having abandoned his monastic vows he begins a terrible descent into immorality and violence. His appalling fall from grace embraces blasphemy, black magic, torture, rape, and murder, and places his very soul in jeopardy. Lewis's extraordinary tale drew on folklore, legendary ghost stories, and contemporary dread inspired by the terrors of the French Revolution. Its excesses shocked the reading public and it was condemned as obscene. The novel continues to beguile and shock readers today with its gruesome catalogue of iniquities, while at the same time giving a profound insight into the deep anxieties experienced by British citizens during one of the most turbulent periods in the nation's history. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Melmoth the Wanderer-Charles Robert Maturin 2008-11-28 Melmoth the Wanderer (1820) is a gothic novel by the Anglo-Irish Protestant clergyman and writer Charles Robert Maturin. John Melmoth, in a satanic deal, exchanges his soul for immortality and wanders through the world offering to release the sufferings and hardships of the one who will next take over his deal with the devil.

The Mysteries of Udolpho-Ann Radcliffe 2019-06-09 The Mysteries of Udolpho is a quintessential Gothic romance, replete with incidents of physical and psychological terror; remote, crumbling castles; seemingly supernatural events; a brooding, scheming villain; and a persecuted heroine. Radcliffe also added extensive descriptions of exotic landscapes in the Pyrenees and Apennines. Set in 1584 in southern France and northern Italy, the novel focuses on the plight of Emily St. Aubert, a young French woman who is orphaned after the death of her father. Emily suffers imprisonment in the castle Udolpho at the hands of Signor Montoni, an Italian brigand who has married her aunt and guardian Madame Cheron. Emily's romance with the dashing Valancourt is frustrated by Montoni and others. Emily also investigates the mysterious relationship between her father and the Marchioness de Villeroi, and its connection to the castle at Udolpho.

The Romance of the Forest-Ann Ward Radcliffe 1904

Zofloya-Charlotte Dacre 1806

Selected Tales-Jacob and Wilhelm Grimm 2009-07-30 This new translation offers a more representative selection of the Grimms' tales by including fables and morality tales as well as all the best known 'fairy' tales. It faithfully conveys the Grimms' own texts and provides a wealth of information about the origins of the

stories, their literary evolution at the hands of the Grimms, with examples of earlier versions and stories that were omitted as being unsuitable for children.

The History of Tom Jones, a Foundling-Henry Fielding 1809

The Private Memoirs and Confessions of a Justified Sinner-James Hogg 1824 Published anonymously in 1824, this gothic mystery novel was written by Scottish author James Hogg. The Private Memoirs and Confessions of a Justified Sinner was published as if it were the presentation of a century-old document. The unnamed editor offers the reader a long introduction before presenting the document written by the sinner himself.

The Lives of the Jain Elders-Hemacandra 1998 The Lives of the Jain Elders by the twelfth-century Jain scholar-monk, Hemacandra, is the key synthesis of source material for the early history of Jainism. Hemacandra's epic relates the pupillary succession of the early monastic Jain community, their influence, and the legendary spread of their influence, and the asceticism of the Elders, performed in the hope of liberation from a cycle of death and rebirth. Abounding in memorable characters, and providing a rich compendium of Indian folk-tale, The Lives of the Jain Elders offers fascinating insight into the social life of medieval India. This new translation makes the complete work available for the first time in a European language and substantial editorial apparatus illuminates Jain belief and history.

The Canterbury Tales-Geoffrey Chaucer 2011-08-11 A group of pilgrims pass the time during their journey to Canterbury by telling each other stories.

The Wild Irish Girl-Lady Morgan (Sydney) 1999 "I long to study the purely national, purely natural character of an Irishwoman." When Horatio, the son of an English lord, is banished to his father's Irish estate as punishment for his dissipated ways, he goes off in search of adventure. On the wild west coast of Connaught he finds remnants of a romantic Gaelic past--a dilapidated castle, a Catholic priest, a deposed king and the king's lovely daughter Glorvina. In this setting and among these characters Horatio learns the history, culture, and language of a country he had once scorned, but he must do so in disguise, for his own English ancestors are responsible for the ruin of the Gaelic family he comes to love. Written after the Act of Union, The Wild Irish Girl. (1806) is a passionately nationalistic novel and a founding text in the discourse of Irish nationalism. This unique paperback edition includes the 'Introductory Letters' to the novel as well as Owenson's footnotes, rich in detail on the Irish language, history, and legend.

The Gothic: A Very Short Introduction-Nick Groom 2012-09-27 The Gothic is wildly diverse. It can refer to ecclesiastical architecture, supernatural fiction, cult horror films, and a distinctive style of rock music. It has influenced political theorists and social reformers, as well as Victorian home décor and contemporary fashion. Nick Groom shows how the Gothic has come to encompass so many meanings by telling the story of the Gothic from the ancient tribe who sacked Rome to the alternative subculture of the present day. This unique Very Short Introduction reveals that the Gothic has predominantly been a way of understanding and responding to the past. Time after time, the Gothic has been invoked in order to reveal what lies behind conventional history. It is a way of disclosing secrets, whether in the constitutional politics of seventeenth-century England or the racial politics of the United States. While contexts change, the Gothic perpetually regards the past with fascination, both yearning and horrified. It reminds us that neither societies nor individuals can escape the consequences of their actions. The anatomy of the Gothic is richly complex and perversely contradictory, and so the thirteen chapters here range deliberately widely. This is the first time that the entire story of the Gothic has been written as a continuous history: from the historians of late antiquity to the gardens of Georgian England, from the mediaeval cult of the macabre to German Expressionist cinema, from Elizabethan Revenge Tragedy to American consumer society, from folk ballads to vampires, from the past to the present. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Monk-Matthew Gregory Lewis 2016-12-10 Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About The Monk by Matthew Gregory Lewis The Monk: A Romance is a Gothic novel by Matthew Gregory Lewis, published in 1796. A quickly written book from early in Lewis's career (it was written in ten weeks, before he turned 20), its convoluted and scandalous plot has made it one of the most important Gothic novels of its

Downloaded from apexghana.org on January 26, 2021 by guest

time, often imitated and adapted for the stage and the screen. Newly arrived in Madrid, Leonella and her niece Antonia visit a church to hear the sermon of a celebrated priest, Ambrosio, and while waiting tell their story to two young men, Don Lorenzo and Don Christoval. Antonia's Grandfather is the Marquis de las Cisternas, who was unhappy with his son's marriage, causing her parents to flee, leaving their young son behind only to be told a month later he has died. Leonella has come to Madrid to convince the Marquis' son, Raymond de las Cisternas, to resume their pension, which has been cut off. As the story is told, Lorenzo falls in love with Antonia. The mysterious priest, who was left at the abbey as a child, delivers the sermon, and Antonia is fascinated with him. Lorenzo vows to win the hand of Antonia, but must first visit his sister Agnes, who is a nun at the nearby abbey. Having fallen asleep in the church, he awakens to find someone delivering a letter for his sister from Raymond de las Cisternas. On the way home, a gypsy warns Antonia that she is about to die, killed by someone who appears to be honorable.

Melmoth the Wanderer (Unabridged)-Charles Maturin 2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Melmoth the Wanderer tells the story of John Melmoth, a Dublin student and a scholar who sold his soul to the devil in exchange for 150 extra years of life, and searches the world for someone who will take over the pact for him, in a manner reminiscent of the Wandering Jew.

The Italian-Ann Radcliffe 2011-05-01 Set against the backdrop of the Inquisition, this Gothic romance from British novelist Ann Radcliffe is sure to please fans of the genre. Protagonists Vincentio di Vivaldi and Ellena di Rosalba fall in love at first sight and attempt to escape the siege of religious persecution and marry. Will they succeed, or will their romance fall prey to the hysteria and senseless destruction that defines the era?

Vathek: an Arabian tale. (Memoir. By William North.-The Amber Witch ... Edited ... by W. Meinhold ... Translated from the German by E. A. Friedländer.)-William Beckford 1856

The Seasons-Nick Groom 2014-06-01 For millennia, the passing seasons and their rhythms have marked our progress through the year. But what do they mean to us now that we lead increasingly atomized and urban lives and our weather becomes ever more unpredictable or extreme? Will it matter if we no longer hear, even notice, the first cuckoo call of spring or rejoice in the mellow fruits of harvest festival? How much will we lose if we can no longer find either refuge or reassurance in the greater natural—and meteorological—scheme of things? Nick Groom's splendidly rich and encyclopedic book is an unabashed celebration of the English seasons and the trove of strange folklore and often stranger fact they have accumulated over the centuries. Each season and its particular history are given their full due, and these chapters are interwoven with others on the calendar and how the year and months have come to be measured, on important dates and festivals such as Easter, May Day and, of course, Christmas, on that defining first cuckoo call, on national attitudes to weather, our seasonal relationship with the land and horticulture and much more. The author expresses the hope that his book will not prove an elegy: only time will tell.

The Adventures of Roderick Random-T. Smollett 2016-01-29 APOLOGUE A young painter, indulging a vein of pleasantry, sketched a kind of conversation piece, representing a bear, an owl, a monkey, and an ass; and to render it more striking, humorous, and moral, distinguished every figure by some emblem of human life. Bruin was exhibited in the garb and attitude of an old, toothless, drunken soldier; the owl perched upon the handle of a coffee-pot, with spectacle on nose, seemed to contemplate a newspaper; and the ass, ornamented with a huge tie-wig (which, however, could not conceal his long ears), sat for his picture to the monkey, who appeared with the implements of painting. This whimsical group afforded some mirth, and met with general approbation, until some mischievous wag hinted that the whole—was a lampoon upon the friends of the performer; an insinuation which was no sooner circulated than those very people who applauded it before began to be alarmed, and even to fancy themselves signified by the several figures of the piece. Among others, a worthy personage in years, who had served in the army with reputation, being incensed at the Supposed outrage, repaired to the lodging of the painter, and finding him at home, "Hark ye, Mr. Monkey," said he, "I have a good mind to convince you, that though the bear has lost his teeth, he retains his paws, and that he is not so drunk but he can perceive your impertinence." "Sblood! sir, that toothless jaw is a d—ned scandalous libel—but don't you imagine me so chopfallen as not to be able to chew the cud of resentment." Here he was interrupted by the arrival of a learned physician, who, advancing to the culprit with fury in his aspect, exclaimed, "Suppose the augmentation of the ass's ears should prove the diminution of the baboon's—nay, seek not to prevaricate, for, by the beard of Aesculapius! there is not one hair in this periwig that will not stand up in judgment to convict thee of personal abuse. Do but observe, captain, how this pitiful little fellow has copied the very curls—the colour, indeed, is different, but then the form and foretop are quite similar." While he thus remonstrated in a strain of vociferation, a venerable

senator entered, and waddling up to the delinquent, "Jackanapes!" cried he, "I will now let thee see I can read something else than a newspaper, and that without the help of spectacles: here is your own note of hand, sirrah, for money, which if I had not advanced, you yourself would have resembled an owl, in not daring to show your face by day, you ungrateful slanderous knave!"

Chronicle of the Abbey of Bury St Edmunds-Jocelin de Brakelond 1998 This is the first English translation for forty years of a medieval classic, offering vivid and unique insight into the life of a great monastery in late twelfth-century England. The translation brilliantly communicates the interest and immediacy of Jocelin's narrative, and the annotation is particularly clear and helpful.

A Research Guide to Gothic Literature in English-Sherri L. Brown 2018-03-15 The Gothic began as a designation for barbarian tribes, was associated with the cathedrals of the High Middle Ages, was used to describe a marginalized literature in the late eighteenth century, and continues today in a variety of forms (literature, film, graphic novel, video games, and other narrative and artistic forms). Unlike other recent books in the field that focus on certain aspects of the Gothic, this work directs researchers to seminal and significant resources on all of its aspects. Annotations will help researchers determine what materials best suit their needs. A Research Guide to Gothic Literature in English covers Gothic cultural artifacts such as literature, film, graphic novels, and videogames. This authoritative guide equips researchers with valuable recent information about noteworthy resources that they can use to study the Gothic effectively and thoroughly.

A Pocket Philosophical Dictionary-Voltaire 2011-08-11 'What can you say to a man who tells you he prefers obeying God rather than men, and that as a result he's certain he'll go to heaven if he cuts your throat?' Voltaire's Pocket Philosophical Dictionary, first published in 1764, is a major work of the European Enlightenment. It is also a highly entertaining book: this is no 'dictionary' in the ordinary sense, nor does it treat 'philosophy' in the modern meaning of the term. It consists of a sequence of short essays or articles, arranged in alphabetical order, and covering everything from Apocalypse and Atheism to Tolerance and Tyranny. The unifying thread of these articles is Voltaire's critique of established religion: ridicule of established dogma, attacks on superstition, and pleas for toleration. Witty and ironic, this is very much a work of combat, part of Voltaire's high-profile political struggle in the 1760s to defend the victims of religious and political intolerance. This new translation is based on the definitive French text, and reprints the edition that provoked widespread controversy and condemnation. In his Introduction Nicholas Cronk considers the work's continuing relevance to modern debates about religious intolerance and its consequences. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Monk-Matthew Gregory Lewis 1800

The Qur'an- 2008-04-17 'Read! Your Lord is the Most Bountiful one who taught by the pen, who taught man what he did not know.' The Qur'an, believed by Muslims to be the word of God, was revealed to the Prophet Muhammad 1400 years ago. It is the supreme authority in Islam and the living source of all Islamic teaching; it is a sacred text and a book of guidance, that sets out the creed, rituals, ethics, and laws of the Islamic religion. It has been one of the most influential books in the history of literature. Recognized as the greatest literary masterpiece in Arabic, it has nevertheless remained difficult to understand in its English translations. This new translation is written in a contemporary idiom that remains faithful to the original, making it easy to read while retaining its powers of eloquence. Archaisms and cryptic language are avoided, and the Arabic meaning preserved by respecting the context of the discourse. The message of the Qur'an was directly addressed to all people regardless of class, gender, or age, and this translation is equally accessible to everyone. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Forger's Shadow-Nick Groom 2003-07-01 Whilst defining the very meaning of forgery, Nick Groom ranges from the economic forgery of the 18th century to the formation of literary copyright which was established not in order to protect the nation's authors but rather as a way of censoring them.

Candide and Other Stories-Voltaire, 2008-04-17 "The story of Candide, a naive youth who is conscripted, shipwrecked, robbed, and tortured by the Inquisition

without losing his will to live, is accompanied by four other stories"--NoveList.

The Dying Hour-Rick Mofina 2005 When a stranger stops to help her while she is stranded on the road during a bad storm, Karen Harding enters a realm of terror and hopelessness when her so-called "savior" takes her hostage, keeping her captive in the darkness as he prepares to kill her. Original.

Adelgitha, Or, The Fruits of a Single Error-Matthew Gregory Lewis 1806 The scene is set as Otranto and the Action passes in the Year 1080.

Monks in Motion-Jack Meng-Tat Chia 2020-08-25 Chinese Buddhists have never remained stationary. They have always been on the move. In *Monks in Motion*, Jack Meng-Tat Chia explores why Buddhist monks migrated from China to Southeast Asia, and how they participated in transregional Buddhist networks across the South China Sea. This book tells the story of three prominent monks Chuk Mor (1913-2002), Yen Pei (1917-1996), and Ashin Jinarakkhita (1923-2002) and examines the connected history of Buddhist communities in China and maritime Southeast Asia in the twentieth century. *Monks in Motion* is the first book to offer a history of what Chia terms "South China Sea Buddhism," referring to a Buddhism that emerged from a swirl of correspondence networks, forced exiles, voluntary visits, evangelizing missions, institution-building campaigns, and the organizational efforts of countless Chinese and Chinese diasporic Buddhist monks. Drawing on multilingual research conducted in Indonesia, Malaysia, Singapore, China, Hong Kong, and Taiwan, Chia challenges the conventional categories of "Chinese Buddhism" and "Southeast Asian Buddhism" by focusing on the lesser-known--yet no less significant--Chinese Buddhist communities of maritime Southeast Asia. By crossing the artificial spatial frontier between China and Southeast Asia, *Monks in Motion* breaks new ground, bringing Southeast Asia into the study of Chinese Buddhism and Chinese Buddhism into the study of Southeast Asia.

A Sicilian Romance-Ann Radcliffe 1830

The Italian-Ann Ward Radcliffe 2017 *The Italian* (1797) is a gripping tale of love and betrayal, abduction and assassination, and incarceration by the Inquisition. Radcliffe's last and most unnerving novel exemplifies her definition of 'terror' writing, combining Romantic and Gothic elements and influencing countless later writers.

The Doomsday Book-Connie Willis 2011-01-05 For Kivrin, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin -- barely of age herself -- finds she has become an unlikely angel of hope during one of history's darkest hours. Five years in the writing by one of science fiction's most honored authors, *Doomsday Book* is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. From the Paperback edition.

The Monk's Cell-Paula Pryce 2017 The call to contemplative Christianity is not an easy one. Those who answer it set themselves to the arduous task of self-reformation through rigorous study and practice, learned through the teachings of monks and nuns and the writings of ancient Christian mystics, often in isolation from family and friends. Those who are dedicated can spend hours every day in meditation, prayer, liturgy, and study. Why do they come? Indeed, how do they find their way to the door at all? Based on nearly four years of research among semi-cloistered Christian monastics and a dispersed network of non-monastic Christian contemplatives across the United States and around the globe, *The Monk's Cell* shows how religious practitioners in both settings combined social action and intentional living with intellectual study and intensive contemplative practices in an effort to modify their ways of knowing, sensing, and experiencing the world. Organized by the metaphor of a seeker journeying towards the inner chambers of a monastic chapel, *The Monk's Cell* uses innovative "intersubjective fieldwork" methods to study these opaque, interiorized, often silent communities, in order to show how practices like solitude, chant, contemplation, attention, and a paradoxical capacity to combine ritual with intentional "unknowing" develop and hone a powerful sense of communion with the world.

Four Major Plays-Henrik Ibsen 2006-06-06 *Four Major Plays Volume I* A Doll House The Wild Duck Hedda Gabler The Master Builder Among the greatest and best known of Ibsen's works, these four plays brilliantly exemplify his landmark contributions to the theater: his realistic dialogue, probing of social problems, and depiction of characters' inner lives as well as their actions. Rich in symbolism and often autobiographical, each of these dramas deals convincingly and

provocatively with such universal themes as greed, fear, and sexual hostility, and confronts the eternal conflict between reality and illusion. These Rolf Fjelde translations have been widely acclaimed as the definitive versions of the major works of the father of modern theater. Translated and with a Foreword by Rolf Fjelde And an Afterword by Joan Templeton

Zastrozzi and St. Irvyne-Percy Bysshe Shelley 2002-02-18 In 1810, while still at Eton, Percy Bysshe Shelley published *Zastrozzi*, the first of his two early Gothic prose romances. He published the second, *St. Irvyne; or, The Rosicrucian*, a year later. These sensationalist novels present some of Shelley's earliest thoughts on irresponsible self-indulgence and violent revenge, and offer remarkable insight into an imagination that is strikingly modern. This new Broadview Literary Texts edition also brings together the fragmentary remains of Shelley's other prose fiction, including his chapbook, *Wolfstein*, and contemporary reviews both by Shelley and about his work.

Brother-making in Late Antiquity and Byzantium-Claudia Rapp 2016-02-10 "Among medieval Christian societies, Byzantium is unique in preserving the text of a church ritual for 'brother-making' (adelphopoiesis), in which two adult men are pronounced by the prayers of a priest to be 'brothers.' They are expected to remain on friendly terms, and have access to one another's households as quasi-family members. Both the ritual and its application are well attested from the late eighth century to the 15th century and beyond. This phenomenon was at the center of John Boswell's highly controversial and publicized book *Same-Sex Unions in Pre-Modern Europe* (1994). Although most critics dismissed Boswell's claims that these 'unions' represented church-sanctioned homosexual marriages, his book introduced readers to a poorly-understood Byzantine institution. Claudia Rapp's project will be the first ever book-length study of the ritual brotherhood in medieval Byzantium. Her main objective is to contextualize the tradition in other kinship relationships of Byzantine society and to trace its origins back to early Byzantine monasticism. Rapp will draw on new material on the structure of the ritual and its appearance in the manuscripts to show its proximity to rituals of Christian initiation, such as baptism and entry into the monastic life. She will also consider parallels to male-male relationships in pagan antiquity. Her book will make a timely contribution to an ongoing debate which has lost some of the heat since the aftermath of Boswell's book, but which remains of intrinsic interest to medieval studies, church history and the evolution of social institutions"--Provided by publisher.

No Name-Wilkie Collins 1863

Female Gothic Histories-Diana Wallace 2013-03-15 *Female Gothic Histories: Gender, History and the Gothic* is an innovative new study of the ways in which women writers have used Gothic historical fiction to symbolise and counter their exclusion from traditional historical narratives.

The Irish Buddhist-Alicia Turner 2020 ""The Irish Buddhist tells the story of a poor Irishman who worked his way across America as a migrant worker, became one of the very first Western Buddhist monks, and traveled the length and breadth of Asia, from Burma and present-day Thailand to China and Japan, and from India and Sri Lanka to Singapore and Australia. Defying racial boundaries, he scandalized the colonial establishment of the 1900s. As a Buddhist monk, he energetically challenged the values and power of the British empire. U Dhammaloka was a radical celebrity who rallied Buddhists across Asia, set up schools, and argued down Christian missionaries - often using western atheist arguments. He was tried for sedition, tracked by police and intelligence services, and died at least twice. His early years and final days are shrouded in mystery despite his adept use of mass media. His story illuminates the forgotten margins and interstices of imperial power, the complexities of class, ethnicity and religious belonging in colonial Asia, and the fluidity of identity in the high Victorian period. Too often, the story of the pan-Asian Buddhist revival movement and Buddhism's remaking as a world religion has been told "from above," highlighting scholarly writers, middle-class reformers and ecclesiastical hierarchies. By contrast, Dhammaloka's adventures "from below" highlight the changing and contested meanings of Buddhism in colonial Asia. They offer a window into the worlds of ethnic minorities and diasporas, transnational networks, poor whites, and social movements, all developing different visions of Buddhist and post-imperial modernities. ""--

The Oxford Handbook of Charles Brockden Brown-Philip Barnard 2019-05-15 Over the past few decades, the writings of Charles Brockden Brown (1771-1810) have reclaimed a place of prominence in the American literary canon. Yet despite the explosion of teaching, research, and an ever-increasing number of doctoral dissertations, there remains no up-to-date overview of Brown's work. The Oxford Handbook of Charles Brockden Brown provides a state-of-the-art survey of the life and writings of Charles Brockden Brown, a key writer of the Atlantic revolutionary age and U.S. Early Republic. The seven novels he published during his lifetime are now studied for their narrative complexity, innovations in genre, and social-political commentaries on life in early America and the

revolutionary Atlantic. Through the late twentieth century, Brown was best known as an author of political romances in the gothic mode that proved to be widely influential in romantic era, and has generated large amounts of scholarship as a crucial figure in the history of the American novel. This Handbook extends its focus beyond the well-known novels to address the full range of Brown's prolific literary career. The Handbook includes original essays on all of Brown's fiction and nonfiction writings, and offers new interpretations of the contexts of his work: from the literary, social, political, and economic to the scientific, commercial, and religious. The thirty-five contributors in this volume speak in new ways about Brown's depictions of literary theory, social justice, sexuality, and property relations, as well as colonialism, slavery, Native Americans, and women's rights. Brown's perspectives on American and global history, emerging modernity, selfhood and otherness, and other topics, are explained in comprehensible and up-to-date terms. In addition to opening up new avenues of research, The Oxford Handbook of Charles Brockden Brown provides the intellectual foundations needed to understand Brown's enduring impact and literary legacy.
