Real Estate on Your Terms (Revised Edition)-Chris Prefontaine 2020-12-15 This is a revised edition of the 2017 Amazon Best Seller Real Estate ... on your terms, with bonus chapters added. A NEW APPROACH TO REAL ESTATE ... ON your terms! Your career is in real estate, or maybe you're looking to invest. That means you know the general consensus: The real estate market is unpredictable; therefore, your income has to be. You're at the mercy of the economy and the bank. What if that's not the truth? What if you had the tools, know-how, and been there-done-that experience from an industry veteran on how to hedge your cash from the market? What if real estate was on YOUR TERMS? Good news--all of this is achievable by creating a "money machine" rather than a per-deal operating system. And in Real Estate on your terms, Chris Prefontaine shares the following with you: \* Hope from stories--"If he did, I can!" \* How to buy two-plus homes monthly without using your own cash or credit \* Strategies for structured continuous cash flow and wealth building

Zillow Talk-Spencer Rascoff 2015-01-27 How do you spot an area poised for gentrification? Is spring or winter the best time to put your house on the market? Will a house on Swamp Road sell for less than one on Gingerbread Lane? The fact is that the rules of real estate have changed drastically over the past five years. To understand real estate in our fast-paced, technology-driven world, we need to toss out all of the outdated truisms and embrace today's brand new information. But how? Enter Zillow, the nation's #1 real estate website and mobile app. Thanks to its treasure trove of proprietary data and army of statisticians and data scientists, led by chief economist Stan Humphries, Zillow has been able to spot the trends and truths of today's housing market while acknowledging that a home is more than an economic asset. In Zillow Talk, Humphries and CEO Spencer Rascoff explain the science behind where and how we live now and reveal practical, data-driven insights about buying, selling, renting and financing real estate. Read this book to find out why: It's better to remodel your bathroom than your kitchen Putting the word "cute" in your listing could cost you thousands of dollars You shouldn't buy the worst house in the best neighborhood You should never list your house for \$444,000 You shouldn't list your house for sale before March Madness or after the Masters Densely packed with entertaining anecdotes and invaluable how-to advice, Zillow Talk is poised to be the real estate

almanac for the next generation.

Nothing Down? Nothing Doing! Real Estate Guide for First-Time Buyers-Alan Ray Hoxie 2002-09 You've probably seen the infomercials on television offering books and tapes that show you how to buy and sell real estate with "nothing down." But if making a fortune was as easy as the infomercials claim, why aren't the authors looking for the next big deal rather than peddling books and conducting seminars? This book shows you how to avoid the pitfalls that come from such get-rich real estate claims and reviews how you can really acquire property without a great deal of money. This book also discusses ways to buy and sell your first home. This will give you a head start when you enter the increasingly competitive real estate market. So forget the claims you see on television and read this book if you truly want to give real estate a try.
