The narrator tells about a young, 19-year-old boy named Henry Fleming, a recruit in the American Civil War. The story is about the meaning of courage. Although Crane was born after the war and had never seen battle himself, the novel is one of the most influential American stories of the character of the American fighting spirit and the ultimate source of bravery, written by an American author. Crane met and spoke with a number of veterans as a student and he created what is widely regarded as an unusually realistic depiction of a young man in battle.

Although the exact battle is never identified, Crane based this

Many veterans, both Union and Confederate, praised the book's accurate representation of war, and critics consider its stylistic strength the mark of a literary classic. Maggie, a Girl of the Streets-Stephen Crane 2020-11-25 A very little boy stood upon a heap of gravel for the honor of Rum Alley. He was throwing stones at howling urchins from Devil's Row who were circling madly about the heap and pelting at him. His infantile countenance was livid with fury. His small body was writhing in the delivery of great, crimson oaths. "Run, Jimmie, run! Dey'll get yehs," screamed a retreating Rum Alley child. "Naw," responded Jimmie with a valiant roar, "dese micks can't make me run." Howls of renewed wrath went up from Devil's Row throats. Tattered gamins on the right made a furious assault on the gravel heap. On their small, convulsed faces there shone the grins of true assassins. As they charged, they threw stones and cursed in shrill chorus. The little champion of Rum Alley stumbled precipitately down the other side. His coat had been torn to shreds in a scuffle, and his hat was gone. He had bruises on twenty parts of his body, and blood was dripping from a cut in his head. His wan features wore a look of a tiny, insane demon. On the ground, children from Devil's Row closed in on their antagonist. He crooked his left arm defensively about his head and fought with cursing fury. The little boys ran to and fro, dodging, hurling stones and swearing in barbaric trebles.

The Little Regiment-Stephen Crane 1897

George's Mother (Golden Deer Classics)-Stephen Crane 2018-08-17 George's Mother is a novel by American novelist Stephen Crane, first published in 1896. The novel relates to Crane's earlier novel Maggie: A Girl of the Streets, as the title character of that work makes a brief appearance.

The Red Badge of Courage and Other Stories-Stephen Crane 1998-09-10 The Red Badge of Courage (1895) is a vivid psychological account of a young man's experience of fighting in the American Civil War, based on Crane's reading of popular descriptions of battle. The intensity of its narrative and its naturalistic power earned Crane instant success, and led to his spending most of his brief remaining life war reporting. The other stories collected in this volume draw on this experience; 'The Open Boat' (1898) was inspired by his fifty hour struggle with waves after his ship was sunk during an expedition to Cuba; 'The Monster' (1899) is a bitterly ironic commentary on the ostracization of a doctor for harbouring the servant who was disfigured and lost his sanity rescuing his son. As a rare example of Crane working in a vein of American Gothic, it is particularly striking for its treatment of race and social injustice. 'The Blue Hotel' traces the events that lead to a murder at a bar in a small Nebraska town. This edition is the most generously annotated edition of Crane's work, exploring it from a fresh critical perspective and focusing on his place as an experimental writer, his modernist legacy and his social as well as literary revisionism.
