Thats something that will lead you to comprehend even more approaching the globe, experience, some places, in imitation of history, amusement, and a lot more?

It is your certainly own epoch to take action reviewing habit. accompanied by guides you could enjoy now is **the savage murder of skylar neese kindle edition daleen berry** below.

Pretty Little Killers-Daleen Berry 2014-07-08 In Pretty Little Killers, journalist Daleen Berry and investigator Geoffrey Fuller expand upon their New York Times bestselling ebook The Savage Murder of Skylar Neese to give you even more information behind one of the most horrific and shocking murders of our time. Including over 100 pages of new material, Pretty Little Killers shares the latest theories and answers the questions that have left many people baffled. After killer Shelia Eddy pled guilty to first degree murder and was sentenced to life in prison and Rachel Shoaf was sentenced to thirty years for second-degree murder, family, friends, investigators, and other key sources reveal the facts you would have learned if the case had gone to trial. Including specific details drawn from Rachel’s confession, Pretty Little Killers looks at the crime through the eyes of the victim and killers, providing intimate testimony from the pages of Rachel’s personal journal, Skylar’s diary and school papers, and court records. Berry and Fuller examine all this, including previously unreported details about Rachel and Shelia’s rumored lesbian relationship and explain why more than one investigator believes Skylar’s murder was a thrill kill. Most important, Pretty Little Killers provides a satisfying answer to Skylar’s final question: “Why?” Pretty Little Killers-Daleen Berry 2014-07-08 In Pretty Little Killers, journalist Daleen Berry and investigator Geoffrey Fuller expand upon their New York Times bestselling ebook The Savage Murder of Skylar Neese to give you even more information behind one of the most horrific and shocking murders of our time. Including over 100 pages of new material, Pretty Little Killers shares the latest theories and answers the questions that have left many people baffled. Berry and Fuller examine all this, including previously unreported details about Rachel and Shelia’s rumored lesbian relationship and explain why more than one investigator believes Skylar’s murder was a thrill kill. Most important, Pretty Little Killers provides a satisfying answer to Skylar’s final question: “Why?” The Savage Murder of Skylar Neese-Daleen Berry 2014-02-18 New York Times Bestseller Journalist Daleen Berry and investigator Geoffrey Fuller give you the little-known details behind one of the most horrific and shocking murders of our time. One hot July night, three popular, pretty girls snuck out for a midnight joyride. Only two came back. Stabbed so savagely she was almost decapitated, Skylar Neese was left bloody on the side of the road, buried beneath rocks and branches. For six months, people wondered and waited, hoping Skylar would return. Instead, the community was stunned when Rachel Shoaf confessed to Skylar’s murder. The budding actress and singer accused the third member of the inseparable trio, Shelia Eddy, of being the ringleader. People were even more shocked to learn the murder was not a crime of sudden rage—but premeditated. Now, friends, family, and the public are left with so many unanswered questions: Why did investigators believe her murder was connected to a rash of bank robberies and an interstate heroin ring? What part did drugs and social media play in Skylar’s killing and its aftermath? How did other high school students and even her own mother help discover who killed Skylar? And, if Rachel’s confession is true, what would lead two teenage girls to kill their best friend in one of the most horrific crimes in recent years? With firsthand interviews with those close to the case and written in cooperation with the victim’s parents, Dave and Mary Neese, The Savage Murder of Skylar Neese is the most comprehensive, detailed and in-depth source on the Skylar Neese murder. The Savage Murder of Skylar Neese: The Truth Behind the Headlines-Berry, Daleen Tacoma Confidential-Paul LaRosa 2006-01-03 Gig Harbor, WA, a quiet Tacoma suburb, knew little of tragedy and scandal—until April 26, 2003. On that day David Brame, distraught over his impending divorce, shot his wife to death in a busy public parking lot. Then, with the couple’s two children only feet away, he turned the gun on himself. It was a horrific event, but Tacoma residents had special reason to be shocked. Many would have considered Brame their city’s least likely murderer. He was, after all, the chief of police. . . . But as the investigation unfolded, another side of Brame and his marriage came to light. Bizarre behavior. Years of abuse. Liaisons with multiple partners—and constant death threats. Here, in chilling detail, is the full story of Gig Harbor’s most violent and disturbing crime, meticulously pieced together by an award-winning newsman. Every secret is revealed—even the most confidential. One Last Kiss-Michael W. Cuneo 2012-07-31 FROM ADULTERY... Ex-Marine and bodyguard Chris Coleman was a family man with a secret: He wanted to leave his wife for another woman, Tara Lintz. But as head of security for the world-famous Joyce Meyer Ministries—an evangelical organization that frowns on divorce—Coleman had to make other plans. TO MURDER... On May 5, 2009, Illinois police received a call from Coleman, who claimed he was unable to contact his family. When investigators arrived at his home, they found Coleman’s wife and two sons strangled in bed. Various obscenities—the word punished among them. TO LIFE—OR DEATH. Who could have done something so sinister? As Coleman played the part of a grieving husband, forensic evidence at the crime scene told a different story. Key testimony from Lintz afforded yet more evidence of Coleman’s guilt—and soon a jury would find him guilty of three counts of murder in the first degree. Terror by Night-Terry Caffey 2011-10-12 At 3:00 a.m. on March 1, 2008, Terry Caffey awoke to find his daughter’s boyfriend standing in his bedroom with a gun. An instant later the teen opened fire, killing Terry’s wife, his two sons, and wounding him 12 times, before setting the house ablaze. Terry fell into deep depression and planned to kill himself, but God intervened. Upon visiting his burned-out property, Terry noticed a scorched scrap of paper from one of his wife’s books leaning against a tree trunk. The page read: “[God,] I couldn’t understand why You would take my family and leave me behind to struggle along without them. And I guess I still don’t totally understand that part of it. But I do believe that You’re sovereign; You’re in control.” That page was like a direct message from God, and it turned Terry’s life around. Now, one year later, Terry is remarried, the adoptive father of two young sons, and working to rebuild his relationship with his 17-year-old daughter, who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes. Terror by Night tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime. Sharing never-before-told details about the night of the crime and subsequent murder trial, it explains how Terry was able to forgive the men who murdered his family, and how he even interceded with the prosecutors on their behalf. A powerful example of how the power of forgiveness can bring healing after tragedy and great loss, it shows how God can bring good out of even the darkest tragedies. Blood in the Snow-Tom Henderson 2011-04-26 Describes how stay-at-home father Stephen Grant murdered his wife, Tara, dismembered her, and buried her in the woods, then reported her missing and participated in a frantic, emotional search for her before the truth came out. Dying for Love-Carlton Smith 2011-11-29 Describes how Pennsylvania dentist John Yelenic was murdered by his ex-wife Michele’s boyfriend, Kevin Foley, who believed that Michele stood to inherit more than one million dollars in insurance benefits upon John’s death. The Yoga Store Murder-Dan Morse 2013-11-05 The full true story of the lululemon murder and what really happened to Jayna Murray and Brittany Norwood—photos included. It was a crime that shocked the country. On March 12, 2011, two young saleswomen were found brutally attacked inside a lululemon athletica retail store in Bethesda, Maryland, one of the nation’s wealthiest suburbs. Thirty-year-old Jayna Murray was dead—slashed, stabbed, and struck more than three hundred times. Investigators found blood spattered on walls, and size fourteen men’s shoe prints leading away from her body. Twenty-eight-year-old Brittany Norwood was found alive, tied up on the bathroom floor. She had lacerations, a bloody face, and ripped clothing. She told investigators that two masked men had slipped into the Bethesda lululemon store just after closing, presumably planning to rob it. She spoke of the night of terror she and her coworker had experienced. Investigators were sympathetic...but as the case went on, Brittany’s story began to unravel. Why rob a business that dealt mostly in credit cards? Why was Jayna murdered but Brittany left alive? Could the petite, polite Brittany have been involved? Most chilling of all: could she have been the killer? Guilt by Matrimony-Nancy Styler 2015-11-17 “An amazing story about a homicidal web of deceit fueled by mental illness. It is not a typical true-crime tale—it is in a class by itself.” —Diane Fanning, author of Bitter Remains In 2014, an Aspen socialite was bludgeoned, wrapped in a sheet, and stuffed inside a locked closet. Fewer than twelve hours after her body was found, and without any evidence, police decided a married couple from Denver had killed Nancy Pfister. Within a few days, they charged Nancy Styler—a friend of Pfister’s who’d had a falling out with her over a business deal—and Dr. Trey Styler, Nancy’s disabled husband, who’d recently lost the family home, his medical practice, and any hope of a peaceful retirement for himself and his wife. Eleven days later, police also charged Kathy Carpenter, Pfister’s underpaid and overworked personal assistant. Months later, Trey Styler, who was slowly losing his grip on reality as he battled mental illness, confessed. Speculation spread about whether he was involved at all or if his confession was that of a man on his deathbed—because a medical condition appeared to have left him barely able to walk, much less carry out such a heinous crime. Here, Styler’s widow reveals the answers to the biggest mysteries of this case and recounts the trauma of being falsely accused and imprisoned for a first-degree murder she had no knowledge of. And, in the only interview before his death, Trey gives his account of that fateful day. New York Times–bestselling author Daleen Berry covers this compelling story from the inside, following the Stylers from their fairy-tale life in Denver to the morning of their arrest to Nancy’s release from jail and attempts to rebuild her shattered life. Filled with details from exclusive interviews, a close look at the botched police work, and first-person accounts of what really happened, Guilt by Matrimony is the definitive look at a shocking murder that rocked Aspen. “A tale of murder and intrigue among Aspen’s chic social set. . . . A true-crime yarn with all of the vital ingredients, from high-life scheming to whiplash-inducing red herrings to a classic twist ending.” —John Temple, author of American Pain: How a Young Felon and His Ring of Doctors Unleashed America’s Deadliest Drug Epidemic Sleep, My Child, Forever-John Coston 2016-10-18 The dark double life of Ellen Boehm, the mother who murdered her two sons—and nearly killed her daughter. Ellen Boehm, a single mom from St. Louis, Missouri, appeared devoted to her children. But in reality, she was unequipped for motherhood, financially strapped, and desperate. Within a year of each other, her sons, ages two and four, died mysteriously, and Boehm’s eight-year-old daughter then suffered a near-fatal mishap when a hair dryer fell into the girl’s bath. While neighbors wondered how Boehm remained so calm through it all, Det. Sgt. Joseph Burgoon of St. Louis Homicide had darker suspicions. Burgoon soon unraveled a labyrinth of deception, greed, and obsession that revealed a cold-blooded killer whose get-rich-quick scheme came at the cost of her children’s lives. Boehm had taken out insurance policies on her children with six different companies totaling nearly \$100,000. Using police reports, case documents, and photos, journalist John Coston recreates the events that led to one mother’s unspeakable acts of filicide—and a cop’s relentless pursuit of the truth. Little Lost Angel-Michael Quinlan 2012-06-23 The story of a shocking true crime details how four teenage Indiana girls, in a twisted search for popularity and love, kidnapped, tortured, and murdered twelve-year-old Shanda Sharer. Sister of Silence-Daleen Berry 2011-01 A “riveting” and “compelling” true story, this memoir unfolds fast and leaves you longing for more. Following a shotgun wedding, the author found herself married to a coal miner who kept her barefoot and pregnant. Sister of Silence is the amazing story of her personal journey: how she went from being a teen mom to an award-winning journalist determined to break the silence that shatters women and children’s lives. Cruel Sacrifice-Aphrodite Jones 1994 On a freezing January in 1992, five teenage girls crowded into a car. By the end of the night, only four of them were alive. The fifth had been tortured and mutilated nearly beyond recognition. Her name was Shanda Sharer; her age-twelve. When the people of Madison, Indiana heard that a brutal murder had been committed in their midst, they were stunned. Then the story became even more bizarre. The four accused murderers were all girls under the age of eighteen: Melinda Loveless, Melinda Tackett, Hope Rippey, and Toni Lawrence. Here, for the first time, veteran true crime journalist Aphrodite Jones reveals the shocking truth behind the most savage crime in Indiana history—a tragic story of twisted love and insane jealousy, lesbianism, brutal child abuse, and sadistic ritual killing in small-town America...and of the young innocent who paid the ultimate price. Murder in Connecticut-Michael Benson, author of The Devil at Genesee Junction 2008-09-24 DIVAN incisive, unflinching account of the shocking, summer 2007 Connecticut crime that is still making national headlines, Murder in Connecticut examines what happened to Dr. William Petit, his wife Jennifer Hawke-Petit, and their two daughters, Hayley and Michaela, in the early morning hours of July 23 in the quiet town of Cheshire—and how their community rallied bravely around the sole survivor of this vicious home invasion. Who was the Petit family? How were they marked for murder by their killers, Joshua Komisarjevsky and Steven Hayes? How could these men have dreamed up such a crime? And will these horrifying murders—with startling similarities to the case in Truman Capote’s classic In Cold Blood—really be the impetus behind sweeping parole reform laws that will not only affect Connecticut, but all of America? /div Killer Twins-Amy Alilsh 2017-05-02 Nikita White was a 34-year-old African-American mother of 16-year-old identical twins named Jasmyiah and Tasmiyah. But on the afternoon of January 13, 2010, she was found murdered in the bathroom of her boyfriend’s home. Her twin daughters would be arrested for her murder in a crime that shocked their small Georgia town. But what really prompted the girls to murder their own mother? Poisoned Love-Caitlin Rother 2010-01-01 Case seen on Inside Edition, Good Morning America, and 48 Hours Accident, Suicide. . . Or Murder? On November 6, 2000, paramedics answered a call to find Kristin Rossum, 24, sobbing. Her husband, Greg de Villers, wasn’t breathing and she claimed he had overdosed on drugs after learning she was leaving him. But family and friends who knew of Greg’s distaste for drugs weren’t buying Kristin’s story—particularly the idea that he would take his own life. American Beauty The daughter of a well-to-do California family, Rossum was a brainy blonde beauty whose talent for toxicology had won her a post at the San Diego County Medical Examiner’s Office. But her sweet smile masked a dark side. She’d developed a taste for methamphetamine in high school, and six months after her marriage to Greg, she’d begun seeking secret trysts with other men. Toxic Passion At the time of her husband’s death, Rossum was engaged in an illicit affair with her married boss. Investigators found that the Medical Examiner’s Office was missing supplies of meth and fentanyl, the narcotic that had killed her husband. With each clue discovered, another piece of Rossum’s “good girl” façade fell away. What the world would eventually see was the true face of a murderer—and the hand of justice. . . . 16 Pages Of Shocking Photos Nikitta-Marcia Grender 2016-02 On 5 February 2011, Marcia Grender received a phone call which changed her life forever. The flat her beautiful nineteen-year-old daughter Nikitta shared with her fiancé Ryan Mayes was on fire, and Nikitta was believed to be trapped inside. Marcia and her partner Paul, Nikitta’s father, rushed to the scene but there was nothing they could do. Firefighters had already discovered Nikitta’s body in the wreckage of the home she’d lovingly built with her childhood sweetheart. To add to their agony, Nikitta had given birth to her eighth months’ pregnant. The fully formed yet unborn baby girl she’d already named Kelsey May was gone, too. But it soon became apparent Nikitta’s death was far from an accident. Within hours, the investigation became a murder inquiry and Ryan’s cousin Carl Whant was the prime suspect. As her world collapsed around her, Marcia could only watch in horror. Shortly after Whant was charged with murder, child destruction, rape and arson, she began charting her feelings in a searingly honest diary, the contents of which are published for the first time in this book. Marcia painstakingly recalls the agony of holding her granddaughter for the first time in a police mortuary, but being unable to see her dead daughter because of the shocking state in which Whant had left her. But, above all, she speaks of the indescribable hell of learning to live without the most important thing in her life.

House of Evil-John Dean 2008-07-29 ***Please note: This ebook edition does not contain the photos found in the print edition.*** In the heart of Indianapolis in the mid 1960’s, through a twist of fate and fortune, a pretty young girl came to live with a thirty-seven-year-old mother and her seven children. What began as a temporary childcare arrangement between Sylvia Likens’s parents and Gertrude Baniszewski turned into a crime that would haunt cops, prosecutors, and a community for decades to come... When police found Sylvia’s emaciated body, with a chilling message carved into her flesh, they knew that she had suffered tremendously before her death. Soon they would learn how many others—including some of Baniszewski’s own children—participated in Sylvia’s murder, and just how much torture had been inflicted in one HOUSE OF EVIL My Brother Jason-Tracey Corbett-Lynch 2018-05-18 In August 2014 Limerick man Jason Corbett was murdered by his wife, Molly Martens, and her father, ex-FBI agent Tom Martens, in the bedroom of their luxury North Carolina home. He had been savagely beaten to death with a baseball bat and brick while his children slept nearby. For his sister, Tracey Corbett-Lynch, and the rest of his family in Ireland it was just the beginning of the nightmare that would involve a custody battle for his orphaned children, an online hate campaign by Molly Martens and, ultimately, the gripping trial that would lead to her conviction, alongside her father, for his murder. My Brother Jason is the story of how this seemingly all-American girl from a picture-perfect family targeted the widowed Jason Corbett, becoming nanny to his children in a desperate bid to create the family and security she craved, thus setting in motion a series of events that would lead to Jason’s brutal killing by the woman he had once loved. Here, for the first time, Tracey Corbett-Lynch tells her family’s side of the story in a book that contains shocking revelations about Molly Marten’s history of strange behaviour and the lengths she was willing to go to in order to get custody of Jason’s children. With full access to Jason’s letters, emails, keepsakes and photographs, it is the story of how an ordinary, loving family was torn apart by the brutal murder of their beloved brother. Becky: The Heartbreaking Story of Becky Watts by Her Father Darren Galsworthy-Darren Galsworthy 2016-03-10 Full Bone Moon-G. Cameron Fuller 2011-09-01 “Six years ago, two WVU freshmen were last seen hitchhiking back to their dorms after seeing a movie in downtown Morgantown. Their bodies were later found in the dark woods south of town. E.P. Clawson was convicted of the murders, but Michael Chase, a reporter for the Herald-Dispatch, never thought Clawson was guilty -- a belief that nearly cost him his career. Now the murders have started again.”--Cover p. [4] The Lost Girls-John Glatt 2015-04-14 New York Times bestselling crime writer John Glatt tells the true story behind the kidnappings and long-overdue rescue of three women found in a Cleveland basement. The Lost Girls tells the truly amazing story of Amanda Berry, Gina Dejesus and Michelle Knight, who were kidnapped, imprisoned, and repeatedly raped and beaten in a Cleveland house for over a decade by Ariel Castro, and their amazing escape in May 2013, which made headlines all over the world. The book has an exclusive interview and photographs of Ariel Castro’s secret fiancé, who spent many romantic nights in his house of horror, without realizing he had bound and chained captives just a few feet away. There are also revealing interviews with several Castro family members, musician friends and several neighbors who witnessed the dramatic rescue. In Cold Blood-Truman Capote 2013-02-19 Powerful account of the brutal slaying of a Kansas family by two young ex-convicts. Fast Food Nation-Eric Schlosser 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production. Jack and the Beanstalk-William Wiesner 1979-06 The story of Jack, the giant, and the magic beans. Footsteps in the Snow-Charles Lachman 2014-11-04 NOW A LIFETIME MOVIE CHANNEL DOCUMENTARY It was a shocking true crime that left two families shattered, and became the coldest case in U.S. history. Who really killed little Maria? The question fueled a real-life nightmare in Sycamore, Illinois... 1957. Sycamore, Illinois. Christmas was three weeks away, and seven-year-old Maria Ridualph went out to play. Soon after, a figure emerged out of the falling snow. He was very friendly. Minutes later, Maria vanished, leaving behind an abandoned doll and footprints in the snow. In April, a spring thaw gave up Maria’s body in a nearby wooded area. The case attracted national attention, including that of the FBI and President Eisenhower. In all, seventy-four men and three women fell under suspicion. But no one was ever charged with the crime. Incredibly, fifty-five years later, the coldest case in the history of American jurisprudence would be reopened. It happened after a seventy-four-year-old former neighbor of the Ridualphs named Eileen Tessier made a stunning deathbed confession to her family about a dark past, and a darker secret they knew nothing about. Two families would be joined by despair and retribution, and in an astounding turn of events, Maria Ridualph’s killer would finally be brought to justice. INCLUDES PHOTOGRAPHS Finding Jacob Wetterling-Robert M. Dudley 2016-11-10 In October 1989, 11-year-old Jacob Wetterling was abducted near his home in the small town of St. Joseph, Minnesota. Despite an unparalleled effort to find him, his whereabouts remained a mystery for 27 years—until his kidnapper, arrested on another charge, confessed to Wetterling’s murder and led authorities to his buried remains in September 2016. Wetterling’s disappearance—and the national media attention that followed—had far-reaching effects. No longer was small-town America considered safe from the exploitation of children. In 1993, Congress passed the “Jacob Wetterling Act,” setting up a nationwide registry for offenders convicted of crimes against children. Based in part on earlier publications by the author, this detailed account chronicles the decades-long search for Wetterling and his abductor. Long-overlooked names and information that pointed the way to solving the case are brought to the forefront of the investigation. Imperfect Justice Updated Ed-Jeff Ashton 2012-08-28 The definitive inside story of the case that captivated the nation. . . . and the verdict that no one saw coming. It was the trial that stunned America. On July 5, 2011, nearly three years after her initial arrest, Casey Anthony walked away, virtually scot-free, from one of the most sensational murder trials of all time. She’d been accused of killing her daughter, Caylee, but the trial only left behind more questions: Was she actually innocent? What really happened to Caylee? Was this what justice really looked like? In Imperfect Justice, prosecutor Jeff Ashton, one of the principal players in the case’s drama, sheds light on those questions and much more, telling the behind-the-scenes story of the investigation, the trial, and the now-infamous verdict. Complete with never-before-revealed information about the case and the accused, Ashton examines what the prosecution got right, what they got wrong, and why he remains completely convinced of Casey Anthony’s guilt. Missoula-Jon Krakauer 2016 Missoula, Montana, is home to a highly regarded state university whose beloved football team inspires a rabidly loyal fan base. Between January 2008 and May 2012, the Department of Justice investigated 350 sexual assaults reported by students to the Missoula police. Many of the alleged perpetrators played for the Grizzlies. Few of the cases were properly handled by either the university or local authorities. In Missoula, Krakauer chronicles the searing experiences of some of the victims: the nights when they were raped; their fear and self-doubt in the aftermath; the way they were treated by police, prosecutors, and defense attorneys; their bravery in pushing forward and what it cost them. Krakauer’s dispassionate, rigorously documented account of what these women endured cuts through the abstract ideological debate about campus rape. College-age women are not raped because they are promiscuous, or send mixed signals, or seek attention. They are the victims of a terrible crime, deserving of fairness from a justice system that is clearly broken. Witness-Amber Frey 2009-03-17 1 corinthians 10:13, niv “No temptation has seized you except what is common to man. And God is faithful; He will not let you be tempted beyond what you can bear. But when you are tempted, He will also provide a way out so that you can stand up under it.” Amber Frey’s life was full of blessings: an exciting new business, a beautiful home, and most of all, her infant daughter, Ayiana. But Amber had been through some unhappy relationships, and she longed for a true and loving partner. In November 2002, she went on a blind date with Scott Peterson. He was handsome, charming, thoughtful, and romantic. Best of all, he was single and ready to settle down. . . . or so he said. Their connection was immediate. Over the next few weeks, Amber and Scott grew closer and closer. Scott won her over with his warmth, humor, and intelligence, and he even won the heart of little Ayiana. Before long, he began to speak of the beautiful future the three of them were destined to share as a family. Soon enough, however, Amber began to suspect that Scott Peterson might not be the man he claimed to be. On December 9, he broke down in tears and told her that he had been married, but had “lost” his wife. This was weeks before Laci Peterson, eight months pregnant at the time, was even reported missing. Scott Peterson hadn’t lost her, but clearly he was planning to. Suddenly a relationship that seemed full of promise was turning into Amber’s worst nightmare. Amber launched an investigation of her own. The moment she was able to confirm her worst suspicions, she contacted the Modesto Police Department, in northern California, and offered to do whatever she could to help. She began secretly taping her conversations with Scott, pressing him for information but never letting on that she had heard the news of Laci’s disappearance. Those conversations became the basis for the prosecution’s case against Scott Peterson for the murder of his wife and unborn child. Amber’s whole world was turned upside down in the process. She lost her privacy, as every detail of her life was scrutinized by the media, who couldn’t seem to get enough of this tragic, heart-wrenching story. But she soldiered on, looking deep inside herself and drawing strength from her faith. Witness is the chilling story of how a young woman became ensnared in Scott Peterson’s web of lies, then risked everything to seek justice for Laci Peterson and her unborn child, Connor. It is also a story of forgiveness and faith, and of one woman’s struggle to live with an open and honest heart. Saving Stacy-Rob St. Clair 2019-01-24 An investigation of the murder of five people at one rural Bellefontaine farm property, that only one person, teenager Stacy Moody, survived. Her brother Scott Moody, who died in the massacre, was accused of the crime. The author represented Steven R. Moody in his capacity as administrator of his son Scott’s estate, defending the estate against two wrongful death actions. Evil Angels-John Bryson 2013-01-03 The Perfect Father-John Glatt 2020-07-21 In The Perfect Father, New York Times bestselling author John Glatt reveals the tragedy of the Watts family, whose seemingly perfect lives played out on social media—but the truth would lead to a vicious and heartbreaking murder. In the early morning hours of August 13th, 2018, Shanann Watts was dropped off at home by a colleague after returning from a business trip. It was the last time anyone would see her alive. By the next day, Shanann and her two young daughters, Bella and Celeste, had been reported missing, and her husband, Chris Watts, was appearing on the local news, pleading for his family’s safe return. But Chris Watts already knew that he would never see his family again. Less than 24 hours after his desperate plea, Matt made a shocking confession to police: he had strangled his pregnant wife to death and smothered their daughters, dumping their bodies at a nearby oil site. Heartbroken friends and neighbors watched in shock as the movie-star handsome, devoted family man they knew was arrested and charged with first degree murder. The Wask Chris had presented to the world in his TV interviews and the family’s Facebook accounts was slipping—and what lay beneath was a horrifying image of instability, infidelity, and boiling rage. In this first major account of the case, bestselling author and journalist John Glatt reveals the truth behind the tragedy and constructs a chilling portrait of one of the most shocking family annihilator cases of the 21st century. Slave Girl-Sarah Forsyth 2009 Sex abuse. Shatter the Silence-Daleen Berry 2016-05-07 Shatter the Silence is the romantic and long-awaited sequel by New York Times Best-Selling Author Daleen Berry. The sequel to Sister of Silence, Ms. Berry’s 2011 breakout memoir about surviving abuse, Shatter the Silence takes place in Preston County, West Virginia. This romantic memoir weaves accounts of the true crimes Ms. Berry covered while working as a news reporter with details of her divorce, her ex-husband’s ongoing harassment following their divorce, and finally, her love affair with the police detective who became first, a colleague, then a friend, and ultimately, the man who helped save her life. Readers will weep as they learn about the collateral damage Ms. Berry and her four children sustained, following ten years trapped in a violent marriage. They will cheer when they see her refusal to live the rest of her life as a victim, and will be overjoyed when Ms. Berry realizes she has, as a single mother of four at the age of 27, fallen in love for the very first time. Finally, Ms. Berry’s loyal fans will be moved by the tender, intimate moments she shares, as they join this award-winning author on her journey to love and healing. There’ll Be Peace When You Are Done-Lynn S. Zubernis 2020-05-05 Fifteen years. Two brothers. Angels and demons. A story like no other. And one of the most passionate fan bases of all time. That’s Supernatural. There’ll Be Peace When You Are Done: Actors and Fans Celebrate the Legacy of Supernatural is an emotional look back at the beloved television show Supernatural as it wraps up its final season after fifteen unprecedented years on air. With heartfelt chapters written by both the series’ actors and its fans—plus full-color photos and fan illustrations—There’ll Be Peace When You Are Done traces Supernatural’s evolution, the memorable characters created by its writers and brought to life by its talented actors, and the many ways in which the show has inspired and changed the lives of both its viewers and cast. Both a celebration of Supernatural and a way of remembering what made it so special, this book is a permanent reminder of the legacy the show leaves behind and a reminder to the SPN Family to, like the series’ unofficial theme song says, “carry on.” Featuring chapters from Jared Padalecki (“Sam Winchester”) and Jensen Ackles (“Dean Winchester”), which include some of the most heartfelt and emotional things they’ve previously said about Supernatural that they want fans to remember—plus new reflections about Sam and Dean’s legacy, There’ll Be Peace When You Are Done also includes original contributions from: Richard Speight, Jr. (“Gabriel”) Chad Lindberg (“Ash”) Julie McNiven (“Anna Milton”) Tahmoh Penikett (“Gadreel”) Shoshannah Stern (“Eileen Leahy”) Rick Worthly (“Alpha Vamp”) David Haydn-Jones (“Arthur Ketch”) Lauren Tom (“Linda Tran”) And many more, including a special message from Misha Collins (“Castiel”) Edited by Lynn S. Zubernis, a clinical psychologist, professor, and passionate Supernatural fangirl, There’ll Be Peace When You Are Done is the ultimate send-off for this iconic show that has touched and changed the lives of so many fans across all walks of life. Conviction-Juan Martinez 2016-02-16 Juan Martinez, the fiery prosecutor who convicted notorious murderess Jodi Arias for the disturbing killing of Travis Alexander, speaks for the first time about the shocking investigation and sensational trial that captivated the nation. Through two trials, America watched with baited breath as Juan Martinez fought relentlessly to convict Jodi Arias of Murder One for viciously stabbing her ex-boyfriend Travis Alexander to death. What emerged was a story wrought with sex, manipulation, and deceit that stunned the public at every turn. Arias, always playing the wronged and innocent woman, changed her story continually as her bizarre behavior surrounding the crime and its aftermath came to light. Unwavering, Arias and her defense team continued to play off the salacious details of the case, until she was finally found guilty and—controversially—sentenced to life behind bars. Now, speaking openly for the first time, prosecutor Juan Martinez will unearth new details from the investigation that were never revealed at trial, exploring key facts from the case and the pieces of evidence he chose to keep close to the vest. Throughout the trials, his bullish and unflinching prosecution strategy was both commended and criticized, and in his book, Martinez will illuminate the unique tactics he utilized in this case and how they lead to a successful conviction, and-for the first time-discuss how he felt losing the death penalty sentence he’d pursued for years. Going beyond the news reports, Martinez will explore the truth behind the multiple facades of Jodi Arias. Sparring with her from across the stand, Martinez came to know Arias like no one else could, dissecting what it took for a seemingly normal girl to become a deluded, cunning, and unrepentant murderer. With new stories from behind the scenes of the trial and Martinez’s own take on his defendant, the book takes you inside the mind of Jodi Arias like never before. Complete with 16 pages of photos from the case and trial, this book is the definitive account of the case that shocked America. A Quiet Hero-Dwight Harshbarger 2019-10 “After seizing Europe, the Nazis begin to execute ‘the final solution’ by conducting a census of Jews in each of the Occupied countries that is driven by IBM technology. After the census in Holland, the Nazis murdered 75 percent of the Dutch Jews. After the census in France, 25 percent of the country’s Jews are murdered. What made France different? At Vichy France’s National Statistical Service headquarters in Lyon, General Renff,ff., Carmille and his aide Miriam Duprrff,ff., know spies are everywhere. They race against time to sabotage the census-based lists of Jews and mobilize the Resistance to combat the Nazi death machine. In this novel, Miriam tells the true story of General Renff,ff., Carmille’s leadership in saving the lives of thousands of Jewsf.,f.,ff.”the story of A Quiet Hero."
