The Soul-winner's Handy Guide-Yan Tiong Wee 2003

The Quest for Truth-Michael Dedivonai 2012-08 This book is for the reader who takes interest in an age-old issue that remains contemporary with every succeeding generation. When, how, and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science, and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate. Free from the shackles and bias imposed by the various schools of religious, scientific and philosophical thought, the examinations offered herein are rooted in systematic analyses of the scientific, philosophical, ethical, social and finally the religious; which in turn allows for the explanation and justification of concepts that enable the reader to

adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions. Our age is accurately referred to as the age of advancement and technology and for good reason. The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence. As a result of the significant expansion of the sciences, the desire for an understanding of "self" and simply of "why" has in many ways been diluted, thus negating the never ending questions that once tugged at man's conscious in the middle of the night for thousands of years. Today's amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before. The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations, however coupled with that are the problems of population explosion, which in the not too distant future will give rise to serious concerns. We have the ability to harness the power of the atom, yet along with it comes the ability to destroy all that we hold sacred. Taking into consideration the advanced age we live in, how does one account for the remarkable complexity extant throughout the known universe? Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to "random chance" alone? The law of causation deals with the need for a preceding event leading to the outcome, and despite the fact that this scientific age has left its handprint on every facet of life today, it has failed to satisfy the innate question of simply,..... why? Let's Go Soul Winning-Jack Hyles 1980 Here are simple step-by-step lessons in exactly how to lead a soul to Christ. They have been given in great soul-winning conferences all over America and have made many average Christians into amazingly effective soul winners.

Unholy Hands on the Bible-Dean J. Burgon 1990-01-01 What do you get when you buy this volume? You get all six of the Works of Dean John W. Burgon, which in effect gives you an excellent introduction to Textual Criticism in The Traditional Text of the New Testament. In The Causes of the Corruption of the Traditional Text of the Gospels you will learn how the Gnostics, Manicheans, Ebionites, Arians, and other

heretics sought to halt the spread of Christianity by putting out corrupt manuscripts. Discover the motivation that caused the critics to elevate these adulterated manuscripts to a place of adoration. See for yourself the overwhelming evidence against the thousands of changes in the popular new versions that dilute the Scriptures. The Last Twelve Verses According to the Gospel of Mark shows that over 2,000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes. Did you know that except for the NKJV, MKJV, LITV, the nine other major new versions have bracketed the last 12 verses of Mark (or in a footnote indicated that they do not believe they are authentic). WHY? It's a mystery. There are only three (3) Greek manuscripts that do not have these verses. And in 200 pages of proofs, Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss. they were copying. As Dr. Gordon H. Clark wrote, If a version brackets these verses, then you know that they are not going by the evidence. The Revision Revised is a Critique of the English Revised Version of 1881, with additional applications to the Modern Translations. There is an excellent critique of the Westcott and Hort textual theories. Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3:16. The Woman Taken In Adultery gives a defense of the authenticity of John 7:53-8:11. Conflation and The 'Neutral' Text by Edward Miller, M.A. gives an additional critique of Dr. Hort's theories. Get this volume, and arm yourself to fight for the God-breathed words that God has preserved for you that you might have life and faith. Every one of His words are precious. We need not give up thousands of them...

Spiritual Rhythm-Mark Buchanan 2010-08-24 “Abide in me,” Jesus tells us, “and you will bear much fruit.” Yet too often we forget that fruit needs different seasons in order to grow. We measure our spiritual maturity by how much we do rather than how we are responding to our current spiritual season. In Spiritual Rhythm, Mark Buchanan replaces our spirituality of busyness with a spirituality of abiding. Sometimes we are busy, sometimes still, sometimes pushing with all we’ve got, sometimes waiting. This model of the spiritual life measures and produces growth by asking: Are we living in rhythm with the season we are in? With the lyrical writing for which he is known, Mark invites us to respond to every season of the heart, whether we are flourishing and fruitful, stark and dismal, or cool and windy. In comparing spiritual rhythms to the seasons of the year, he shows us what to expect from each season and how embracing the seasons causes our spiritual lives to prosper. As he draws on the powerful words of Scripture, Mark explores what activities are suitable or necessary in each season—and what activities are useless or even harmful in that season. Throughout the book, Mark weaves together stories of young and old, men and women, families, couples, and individuals who are in or have been through a particular season of the heart. As Mark writes, “I pray that this book meets you in whatever season you’re in, and prepares you for whatever seasons await. I pray that it helps you find your voice, your stride, your rhythm, in season or out. Mostly, I pray that you, with or without my help, find Christ wherever you are. And that, even more, you discover that wherever you are, he’s found you.”

I Want to Witness, But What Do I Say?-Susan Nazarewicz 2015-07-15 So where are your family and

friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly through car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what

Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Susan Nazarewicz: Susan graduated from the UNC at Chapel Hill (B.A.); RHEMA Bible Training College, Victory World Missions Training Center, Church On the Move School of Ministry and Prophetic Age Ministries Institute and is ordained by John G. Lake Ministries. She works as a prayer partner at Oral Roberts Ministries at the Abundant Life Prayer Group and is a member at RHEMA Bible Church in Tulsa, OK where she sings in the choir.

The Lost Soul of Eamonn Magee-Paul Gibson 2018-04-20 The remarkable story of Eamonn Magee's life takes in a childhood lived during the height of The Troubles, a youth spent involved with the IRA, and the constant presence of drink, drugs, gambling and violence throughout his life. It may be hard to believe but it was against the background of all this that Eamonn won the WBU world welterweight and Commonwealth light welterweight titles. The author, Paul Gibson, has managed to decipher a very dark, very troubled, very flawed individual who happened to have an exceptional gift to box at the highest world level. The Lost Soul of Eamonn Magee reads like the screenplay of the kind of gritty rags-to-riches-to-rags boxing story that Hollywood producers seem to love.

51 Reasons Why the King James-David W. Daniels 2018-10-31 Many Christians claim to have faith in a Bible that doesn't exist. That's right, they say they believe the "original autographs" were without error, but they don't have them! We need a Bible we can trust that we can actually hold in our hands. Here are 51 reasons why you can trust the King James. Be ready to give an answer! ----- More: Our world is split between two camps: those with faith, and those with doubt. Right now, those with doubt are outnumbering those with faith. But God only blesses faith. It's "the Christian faith" —not the Christian doubt. Are there reasons to trust that God kept His promise to preserve His own words? Yes! There are many. This book is a small collection of those. People have been finding, not only what faith looks like, but have actually made the move and left the doubting Bibles, with their contradictory doctrines, and come to the King James. There they found a consistent message, consistent doctrine, and a consistent faith. So they can hold the Bible up in their hands and say, "Thus saith the Lord! This is the words of God." Trusting God's Words Can Change Your Church! The result? An increase in holiness, faith, soul-winning, Christian growth and confidence in the Scriptures. Read "51 Reasons" today!

world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans. In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple “sleights of hand” to get food. Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal’s color-changing techniques. With her “joyful passion for these intelligent and fascinating creatures” (Library Journal Editors’ Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, *The Soul of an Octopus* reveals what octopuses can teach us about the meeting of two very different minds.
