The Uncensored Mafia Guide for College Students-Antonio Rossini 2015-07-15 I feel compelled to share with the kids already in college, and those on their way, the things that can mean the difference between a happy and a hellish college life. Not everything in this book would be considered moral or ethical. I hate injustice and I hate the rats in this world, rude roommates, bad teachers, unfair officials and scumbags that take advantage of young people. I hate seeing good people get screwed. This book lays out in simple terms the things every college kid should know that you won't find in a school hand book. For this book I've interviewed all of the family member graduates in: Engineering, Business, Teaching, Nursing, Computer Science, Communications, Biology and Art. I asked them, "What do you wish you had known before college? What tips do you have for kids that aren't found in the school handbook? What helped you get through school?" The answers may surprise you. There's more than one way to paint a house. You may or may not agree with everything in this book. If you don't, that's fine. Some of you may find something in this book too timid, while others may see the same thing as extreme. Use common sense. The stories in this book are true and the advice offered has been used. That's not to say you should take it. Let me say that neither my family nor I are in the mafia or have ever been in the mafia. I do not condone criminal activity. (See Chapter 4: DENY EVERYTHING)

Intelligent Design Uncensored-William A. Dembski 2010-05-07 What is ID? Why is it controversial? Intelligent design is surrounded by a storm of debate. Proponents and opponents have both sought to have their voices heard above the din. Is it unscientific? Is it a danger to real Christian faith? Is it trying to smuggle God into the classroom? Controversy can create confusion rather than clarity. So here to clear things up is Bill Dembski, one of the founders of intelligent design, who joins with Jonathan Witt to answer these questions and more. They plainly lay out just what intelligent design is and is not. They answer objections with straight talk that is down to earth. You'll be surprised at how often smart people have misrepresented ID. You might be surprised to see exactly how they respond to what turns out to be misleading arguments. Here is the book to make you intelligent about the whole fuss!

Hollywood and the Mob-Tim Adler 2011-11-03 From its earliest days, the Mafia has sought to make a fast buck from the American film industry. Stories of intimidation, threats and violence mingle with those of glamour and excess. In this stunning story of infamy and ballsy enterprise, Tim Adler tells the secret history of Al Capone, Sam Giancana and John Gotti's attempts to infiltrate the studio lots. However, although they have controlled the moguls and the money, the Mob learned how to be cool from classic films like The Godfather and characters like Tony Soprano, leaving them forever intertwined in both fact and fiction.

The Lavender Mafia-Johnnie Barleykorn 2020-01-28 Jack McCreesh is a high school student who feels a powerful calling to be a priest. He realizes the church is in decline and he has a desire to take bold action and become a defender of the true faith. He could see the areas where the church was failing but did not understand how deeply entrenched the wickedness was.Due to family circumstances, he decides to take time for discernment and join the military. Years as a Navy corpsman and working with the United States Marines has toughened Jack, but it may not be enough. He enters the seminary to begin his battle with dark forces and the Lavender Mafia. He quickly encounters a powerful cabal that is in direct opposition to everything he believes. He is in the minority. The narrow path can be difficult, but he finds some allies in the seminary. Jack is focused on graduating so he can fight back as an ordained priest. He's determined to stay loyal to the teachings of Christ and oppose the covert, subversive network that is undermining the faith. The future of the Catholic Church is at stake. Jack McCreesh, and other faithful men like him, are needed to turn the tide and ensure the gates of Hell do not prevail.
