World Religions and Democracy-Larry Diamond 2005-03-02 Can religion be compatible with liberal democracy? World Religions and Democracy brings together insights from renowned scholars and world leaders in a provocative and timely discussion of religions' role in the success or failure of democracy. An essay by Alfred Stepan outlines the concept of "twin tolerations" and differentiation, and creates a template that can be applied to all of the religion-democracy relationships observed and analyzed throughout the volume. "Twin tolerations" means that there is a clear distinction and a mutual respect between political authorities and religious leaders and bodies. When true differentiation is accomplished, the religious sector enjoys freedom of activity and the ability to peacefully influence its members but does not wield direct political power. A country's ability to implement the principle of differentiation directly affects the successful development of democracy. Part two focuses on eastern religions—Confucianism, Hinduism, and Buddhism—and includes contributions from Nobel Prize winner Aung San Suu Kyi and His Holiness the Dalai Lama. The third part addresses democracy in relationship to Judaism and the three branches of Christianity—Catholicism, Protestantism, and Eastern Orthodoxy. Sociologist Peter Berger offers a global perspective of Christianity and democracy. The volume's final section discusses what is perhaps the most challenging example of the struggling relationship between religion and democracy today: Islam and the governments of the Muslim nations. Abdou Filali-Ansary, Bernard Lewis, and others present a comprehensive exploration of Muslim thought and faith in an increasingly secular, modern world. It is in this volatile political and religious climate that solutions are most urgently needed but also most elusive. Contributors: Alfred Stepan, Hahm Chaibong, Francis Fukuyama, Pratap Mehta, His Holiness the Dalai Lama, Aung San Suu Kyi, Hillel Fradkin, Daniel Philpott, Tim Shah, Robert Woodberry, Elizabeth Prodromou, Peter Berger, Abdou Filali-Ansary, Bernard Lewis, Robin Wright, Abdelwahab El-Affendi, Radwan A. Masmoudi, Laith Kubba, Ladan Boroumand, Roya Boroumand.

Retailing in the Twenty-First Century 2nd Edition-Jay Diamond 2009-03-23 Retailing in the Twenty-First Century introduces students to the field of retailing with the most current retailing principles and practices. This comprehensive text covers such current shifts as retailers expanding into overseas markets and others repositioning themselves to respond to the latest merchandising and management trends. More and more retailers are reconsidering their customer bases and are focusing on multicultural consumer segments instead of merely relying on the "one size fits all" philosophy of the past. It is vital that both those already in the field and students who will soon enter the field be aware of the retailing principles and practices covered in this textbook.

Contemporary Visual Merchandising-Jay Diamond 1999 This comprehensive and practical book discusses visual merchandising through a combination of fundamentals and projects. KEY TOPICS: Presenting step-by-step illustrations showing the process of assembling a visual display, the book discusses aspects of good design through analytical drawings accompanying photographs of those displays. The second edition of Contemporary Visual Merchandising has been updated throughout to reflect today's retail environment. It includes new chapters on Store Design and Point of Purchase Displays. The book provides step-by-step illustrations depicting exactly how displays are developed, beginning with the basic elements and concluding with the finished presentation. It also provides step-by-step illustrations on producing "alternative" mannequins being used by many contemporary retailers. An essential reference for every retailer, large or small.

The World Until Yesterday-Jared Diamond 2013-01-10 From the author of No.1 international bestseller Collapse, a mesmerizing portrait of the human past that offers profound lessons for how we can live today Visionary, prize-winning author Jared Diamond changed the way we think about the rise and fall of human civilizations with his previous international bestsellers Guns, Germs and Steel and Collapse. Now he returns with another epic - and groundbreaking - journey into our rapidly receding past. In The World Until Yesterday, Diamond reveals how traditional societies around the world offer an extraordinary window onto how our ancestors lived for the majority of human history - until virtually yesterday, in evolutionary terms - and provide unique, often overlooked insights into human nature. Drawing extensively on his decades working in the jungles of Papua New Guinea, Diamond explores how tribal societies approach essential human problems, from childrearing to conflict resolution to health, and discovers we have much to learn from traditional ways of life. He unearth's remarkable findings - from the reason why modern afflictions like diabetes, obesity and Alzheimer's are virtually non-existent in tribal societies to the surprising benefits of multilingualism. Panoramic in scope and thrillingly original, The World Until Yesterday provides an enthralling first-hand picture of the human past that also suggests profound lessons for how to live well today. Jared Diamond is the Pulitzer Prize-winning author of the seminal million-copy-bestseller Guns, Germs, and Steel, which was named one of TIME's best non-fiction books of all time, and Collapse, a #1 international bestseller. A professor of geography at UCLA and noted polymath, Diamond's work has been influential in the fields of anthropology, biology, ornithology, ecology and history, among others.

Ill Winds-Larry Diamond 2020-04-14 From America's leading scholar of democracy,a personal, passionate call to action against the rising authoritarianism that challenges our world order—and the very value of liberty Larry Diamond has made it his life's work to secure democracy's future by understanding its past and by advising dissidents fighting autocracy around the world. Deeply attuned to the cycles of democratic expansion and decay that determine the fates of nations, he watched with mounting unease as illiberal rulers rose in Hungary, Poland, Turkey, the Philippines, and beyond, while China and Russia grew increasingly bold and bullying. Then, with Trump's election at home, the global retreat from freedom spread from democracy's margins to its heart. Ill Winds' core argument is stark: the defense and advancement of democratic ideals relies on U.S. global leadership. If we do not reclaim our traditional place as the keystone of democracy, today's authoritarian swell could become a tsunami, providing an opening for Vladimir Putin, Xi Jinping, and their admirers to turn the twenty-first century into a dark time of despotism. We are at a hinge in history, between a new era of tyranny and an age of democratic renewal. Free governments can defend their values; free citizens can exercise their rights. We can make the internet safe for liberal democracy, exploit the soft, kleptocratic underbelly of dictatorships, and revive America's degraded democracy. Ill Winds offers concrete, deeply informed suggestions to fight polarization, reduce the influence of money in politics, and make every vote count. In 2019, freedom's last line of defense still remains "We the people."

Contemporary Visual Merchandising and Environmental Design-Jay Diamond 2004 This comprehensive and practical book provides an introduction to visual merchandising. The most complete book of its type on the market, it is clearly written and contains a wealth of photographs and drawings from most major retailers. A companion CD-ROM provides a wealth of resource materials. This book about retail displays and merchandising focuses on every aspect of visual merchandising (not just fashion apparel), covering facilities design, display forms, materials and props, lighting, color, and visual themes. It describes how the small retailer can energize their displays without spending alot of capital, and presents examples of successful retail merchandising. For visual merchandisers, other display personnel, and owners/managers of retail outlets.

Stoned-Aja Raden 2015-12-01 As entertaining as it is incisive, Stoned is a raucous journey through the history of human desire for what is rare, and therefore precious. What makes a stone a jewel? What makes a jewel priceless? And why do we covet beautiful things? In this brilliant account of how eight jewels shaped the course of history, jeweler and scientist Aja Raden tells an original and often startling story about our unshakable addiction to beauty and the darker side of human desire. What moves the world is what moves each of us: desire. Jewelry—which has long served as a stand-in for wealth and power, glamor and success—has birthed cultural movements, launched political dynasties, and started wars. Masterfully weaving together pop science and history, Stoned breaks history into three categories—Want, Take, and Have—and explains what the diamond on your finger has to do with the GI Bill, why green-tinted jewelry has been exalted by so many cultures, why the glass beads that bought Manhattan for the Dutch were initially considered a fair trade, and how the French Revolution started over a coveted necklace. Studded with lively personalities and fascinating details, Stoned tells the remarkable story of our abiding desire for the rare and extraordinary.

Abuse to Abundance-Jay Diamond 2018-07-10 As a result of reading this book you will powerfully transform limiting beliefs and behaviours that have held you back from living an abundant life. Emotional, physical, and sexual abuse is rarely talked about openly and so on our healing journey we are often left desperately seeking answers to the question: Can I heal? The answer is yes, you can. Jay uses her experience as an abuse survivor with a dark family history alongside 20 years experience as a healer; to teach you how to set your internal GPS to an abundant life. You can break the chains of the past. Using non traditional methods and embracing taboos, prepare to claim back your mind, body and soul. Because abundance is your birthright.

Empress of Fashion-Amanda Mackenzie Stuart 2012-12-04 Diane von Furstenberg once called Diana Vreeland a "beacon of fashion for the twentieth century." Now, in this definitive biography by Amanda Mackenzie Stuart, is the story of the iconic fashion editor as you've never seen her before. From her career at the helms of Harper's Bazaar and Vogue, to her reign as consultant to the Costume Institute at the Metropolitan Museum of Art, Vreeland had an enormous impact on the fashion world and left a legacy so enduring that must-have style guides still quote her often wild and always relevant fashion pronouncements. With access to Vreeland's personal material and photographs, critically acclaimed biographer Amanda Mackenzie Stuart has written the ultimate behind-the-scenes look at Diana Vreeland and her world—a jet-setting social scene that included Coco Chanel, Elsa Schiaparelli, Yves Saint Laurent, Hubert de Givenchy, Oscar de la Renta, Lauren Bacall, Penelope Tree, Lauren Hutton, Andy Warhol, Mick and Bianca Jagger, and the Kennedys. Filled with gorgeous color photographs of her work, Empress of Fashion: A Life of Diana Vreeland is an elegant and fascinating account of one of the most revered tastemakers of the 20th century.

The Heartless Stone-Tom Zoellner 2007-06-12 Documents the author's visits to diamond mines after a broken engagement, describing his efforts to understand the worth of an engagement ring, the factors that linked diamonds with engagements, and the retail diamond industry.

The Wig, the Bitch and the Meltdown-Jay Manuel 2020-08 The Wig, The Bitch & The Meltdown is a satirical look behind the scenes of Model Muse, a fictional reality model competition show, and global phenomenon. This twisted tale of ambition, jealousy, blackmail, mystery, and revenge is seen through the eyes of our moral compass Pablo Michaels-the heart of production in the helter-skelter world of Model Muse. As "The Fixer," Pablo is the man everyone turns to in a crisis and through his eyes we experience first-hand, a behind the scenes look of the backstage shenanigans of the fashion/reality TV world. Struggling to hold the fledgling production together, Pablo juggles his duties to his "BFF," the ruthless and vulnerable antihero Keisha Kash, his Supermodel boss while trying to hold on to his own soul. With Model Muse becoming a mega TV franchise, Keisha receives a mysterious threatening note which begins the unraveling of the truth about his Supermodel boss. This revelation shatters Pablo's rose-colored glasses and becomes his worst nightmare, nearly destroying his faith in humanity. Will he succumb to the dog-eat-dog world of the entertainment industry and become like his boss, stopping at nothing to achieve his desires? Or, will he find a way to navigate the world of betrayal and duplicity that surrounds him, and remain true to himself?

Illuminae-Amie Kaufman 2015-10-20 For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines the form." —Victoria Aveyard, bestselling author of Red Queen This morning, Kady thought breaking up with Ezra was the hardest thing she'd have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that's little more than a speck at the edge of the universe. Now with enemy fire raining down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are just getting started. A plague has broken out and is mutating with terrifying results; the fleet's AI may actually be their enemy; and nobody in charge will say what's really going on. As Kady hacks into a web of data to find the truth, it's clear the only person who can help her is the ex-boyfriend she swore she'd never speak to again. Told through a fascinating dossier of hacked documents—including emails, maps, files, IMs, medical reports, interviews, and more—Illuminae is the first book in a heart-stopping trilogy about lives interrupted, the price of truth, and the courage of everyday heroes. "Prepare yourselves for Illuminae." —EW.com "[Y]ou're not in for an ordinary novel experience. . . ." —Bustle.com "A truly interactive experience. . . . The War of the Realms-Taylor Diamond 2010-11-13 In the times when goblins and devil dogs roamed the earth, and great kingdoms and realms were existing, a great war is beginning. Many great heroes are going to the battle, and it is nothing like they have ever imagined. Join these heroes as they go on daring adventures and share heartstopping secrets.

The Engagements-J. Courtney Sullivan 2013-06-11 From the New York Times best-selling author of Commencement and Maine comes a gorgeous, sprawling novel about marriage—about those who marry in a white heat of passion, those who marry for partnership and comfort, and those who live together, love each other, and have absolutely no intention of ruining it all with a wedding. Evelyn has been married to her husband for forty years—forty years since he slipped off her first wedding ring and put his own in its place. Delphine has seen both sides of love—the ecstatic, glorious highs of seduction, and the bitter, spiteful fury that descends when it's over. James, a paramedic who works the night shift, knows his wife's family thinks she could have done better; while Kate, partnered with Dan for a decade, has seen every kind of wedding—beach weddings, backyard weddings, castle weddings—and has vowed never, ever, to have

one of her own. As these lives and marriages unfold in surprising ways, we meet Frances Gerety, a young advertising copywriter in 1947. Frances is working on the De Beers campaign and she needs a signature line, so, one night before bed, she scribbles a phrase on a scrap of paper: "A Diamond Is Forever." And that line changes everything. A rich, layered, exhilarating novel spanning nearly a hundred years, *The Engagements* captures four wholly unique marriages, while tracing the story of diamonds in America, and the way—for better or for worse—these glittering stones have come to symbolize our deepest hopes for everlasting love. This ebook edition includes a Reading Group Guide. *Survey of Historic Costume-Phyllis G. Tortora 2005* This bestseller brings the authors' analysis of Western dress up to date and adds a number of new features. *Survey of Historic Costume, 4th Edition*, is a basic text for readers who want an overview and chronology of costume, discussing the dress of each era within its historical, cultural and economic contexts.

Beastie Boys Book-Michael Diamond 2018 "A panoramic experience that tells the story of Beastie Boys ... by band members ADROCK and Mike D"--Provided by publisher.

The Diamond and the Boy-Hannah Holt 2018-10-02 Told in a unique dual-narrative format, *The Diamond and the Boy* follows the stories of both natural diamond creation and the life of H. Tracy Hall, the inventor of a revolutionary diamond-making machine. Perfect for fans of *Rosie Revere, Engineer*, and *On a Beam of Light: A Story of Albert Einstein*. Before a diamond is a gem, it's a common gray rock called graphite. Through an intense trial of heat and pressure, it changes into one of the most valuable stones in the world. Before Tracy Hall was an inventor, he was a boy—born into poverty, bullied by peers, forced to work at an early age. However, through education and experimentation, he became one of the brightest innovators of the twentieth century, eventually building a revolutionary machine that makes diamonds. From debut author Hannah Holt—the granddaughter of Tracy Hall—and illustrator Jay Fleck comes this fascinating in-depth portrait of both rock and man.

Have You Ever Tried to Sell a Diamond?-Edward Jay Epstein 2013-12 Edward Jay Epstein investigates the most brilliant illusion in modern history: the illusion that diamonds are so rare that they will maintain their value forever. He explains how the De Beers cartel, backed by a syndicate of Jewish diamond dealers in London, created an artificial scarcity by controlling the worldwide supply and used modern advertising to establish it in the mind of the public. In this book, comprised of six essays, we also learn about the secret workings of the cartel over the past century, including: + Why you cannot always sell diamonds for the price you paid? + Why Russia is now taking over the cartel operation? + How De Beers now uses the concept of blood diamonds to control prices? + Why Nicky Oppenheimer exited De Beers in 2011? Praise for Edward Jay Epstein: "Brilliant Expose of the International diamond monopoly" -- *Telegraph* (London) "Full of readable if somewhat garish descriptions of diamond mines, diamond traders, and the activities of governments. If Ian Fleming were alive, he would have found much rewarding material here." -Woodrow Wyatt, *Sunday Times*

Fashion Illustration for Designers-Kathryn Hagen 2017-05-03 Fashion design begins in the designer's creative mind, and drawing is the crucial next step to communicating creative ideas to others to bring those ideas to reality. Clear, expressive drawings engage and bring together people in patternmaking, production, marketing, and all other facets of the fashion business, ensuring that everyone shares the same vision that originates with the designer. Kathryn Hagen brings decades of experience teaching design students how best to translate their ideas into drawings. She opens with basic drawing skills using both hand tools and computer techniques before moving on to applying those skills to both the human figure and the specifics of various types of clothing. Throughout the book she exposes designers to myriad techniques and styles, encouraging each individual to discover what works best for him or her. Each chapter ends with practice exercises as well as visual references to review and reinforce material learned in the chapter lessons. Videos demonstrating hands-on examples can be viewed at waveland.com/Hagen, with emphasis on distressed fabrics and novelty treatments. 84 pages of color present a wide variety of rendering techniques.

Introducing the New Testament-Mark Allan Powell 2018-05-15 This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources.

The Spirit of Democracy-Larry Diamond 2008-01-08 Examines why recent efforts to promote democracy around the world have been ineffective, calling for a rule of law, security, protection of individual rights, shared economic prosperity, and free civic organizations to promote the democratic cause.

Birthday Suit-Lauren Blakely 2019-01-17 There is no rule in the Man Code as unbreakable as this: no matter how beautiful, smart, clever, and witty she is, do not—under any circumstances—fall in love with your best friend's woman.

Yeah. So there's that. Look, it's not like I didn't know I screwed up by falling for her. Also, for the record, unrequited love sucks big time. And, I might have cut myself some slack by now, given everything that went down in the last few years, but Lulu just walked back into my life in a big way. *** There are three things I've never been able to resist—my friends, my family, and chocolate. Leo Hennessy? He was nowhere on that list. He's been a true friend—a friend who walked through hell and back with me. Now, I'm stepping into my new future. I didn't expect it to include a riddle-filled, race-against-the-clock scavenger hunt across New York City. With Leo. Suddenly, I'm looking at this man with new eyes... But my life spun out because of a man once before, and I can't risk my fresh start, no matter what the temptation. And Leo is most definitely a temptation of the sexiest, sweetest, and most dangerous variety. More irresistibly delicious than chocolate...

Steal This Book-Abbie Hoffman 2002-02-25 A handbook of survival and warfare for the citizens of Woodstock Nation A classic of counterculture literature and one of the most influential—and controversial—documents of the twentieth century, *Steal This Book* is as valuable today as the day it was published. It has been in print continuously for more than four decades, and it has educated and inspired countless thousands of young activists. Conceived as an instruction manual for radical social change, *Steal This Book* is divided into three sections—Survive! Fight! and Liberate! Ever wonder how to start a guerilla radio station? Or maybe you want to brush up on your shoplifting techniques. Perhaps you're just looking for the best free entertainment in New York City. (The Frick Collection—"Great when you're stoned.") Packed with information, advice, and Abbie's unique outlaw wisdom ("Avoid all needle drugs--the only dope worth shooting is Richard Nixon."), *Steal This Book* is a timeless reminder that, no matter what the struggle, freedom is always worth fighting for. "All Power to the Imagination was his credo. Abbie was the best."--Studs Terkel

The Bell Jar-Sylvia Plath 2015-08-11 Sylvia Plath's shocking, realistic, and intensely emotional novel about a woman falling into the grip of insanity Esther Greenwood is brilliant, beautiful, enormously talented, and successful, but slowly going under—maybe for the last time. In her acclaimed and enduring masterwork, Sylvia Plath brilliantly draws the reader into Esther's breakdown with such intensity that her insanity becomes palpably real, even rational—as accessible an experience as going to the movies. A deep penetration into the darkest and most harrowing corners of the human psyche, *The Bell Jar* is an extraordinary accomplishment and a haunting American classic.

The British Monarchy on Screen-Mandy Merck 2016-02-01 Moving images of the British monarchy are almost as old as the moving image itself, dating back to an 1895 American drama, *The Execution of Mary Queen of Scots*. And from 1896, actual British monarchs appeared in the new 'animated photography', led by Queen Victoria. Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television, watched by 20 million Britons and 100 million North Americans. At the century's end, Princess Diana's funeral was viewed by 2.5 billion worldwide. In the first book length examination of film and television representations of this enduring institution, distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to 'William and Kate'. Seventeen essays by Ian Christie, Elisabeth Bronfen, Andrew Higson, Karen Lury, Glynn Davies, Jane Landman and other international commentators examine the portrayal of royalty in the 'actuality' picture, the early extended feature, amateur cinema, the movie melodrama, the Commonwealth documentary, *New Queer Cinema*, TV current affairs, the big screen ceremonial and the post-historical boxed set. A long overdue contribution to film and television studies, this book will be essential reading for scholars and students of British media and political history.

Epstein-Dylan Howard 2019-12-03 This is—for the first time—the full and unedited story behind the sick life and mysterious death of Jeffrey Epstein that is being called one of the most significant scandals in American history He was the billionaire financier and close confidant of presidents, prime ministers, movie stars and British royalty, the mysterious self-made man who rose from blue-collar Brooklyn to the heights of luxury. But while he was flying around the world on his private jet and hosting lavish parties at his private island in the Caribbean, he also was secretly masterminding an international child sex ring—one that may have involved the richest and most influential men in the world. The conspiracy of corruption was an open secret for decades. And then this summer, it all came crashing down. After his arrest on sex trafficking charges in July, it seemed Epstein's darkest secrets would finally see the light. But hopes for true justice were shattered on August 10 this year, when he was found dead in his cell at the Metropolitan Correctional Center, New York. The verdict: suicide. The timing: convenient, to say the least. Now, Epstein: *Dead Men Tell No Tales* delivers bombshell new revelations, uncovers how the man President Trump once described as a "terrific guy" abused hundreds of underage girls at his mansions in Palm Beach and Manhattan... all while entertaining the world's most powerful men—including President Clinton, Prince Andrew, and Donald Trump himself. How much did they know about his perversions? And did they take part? How might they have helped him to continue his abuse, and to escape justice for it? What responsibility might they have for his sudden, shocking death? And is there a shocking spy and blackmail story at the heart of the scandal? The answers to these questions and more will be explored in Epstein: *Dead Men Tell No Tales* with groundbreaking new reporting, never-before-seen court files, and interviews with new witnesses and confidants. Combining the very best investigative reporting from investigative journalists Dylan Howard, Melissa Cronin and James Robertson—who have been covering the case for close to a decade—will send shockwaves through the highest levels of the establishment.

Dhandha-Shobha Bondre 2013-05-22 Dhandha, meaning business, is a term often used in common trade parlance in India. But there is no other community that fully embodies what the term stands for than the Gujaratis. Shobha Bondre's *Dhandha* is the story of a few such Gujaratis: Jaydev Patel—the New York Life Insurance agent credited with having sold policies worth \$2.5 billion so far; Bhimjibhai Patel—one of the country's biggest diamond merchants and co-founder of the ambitious 'Diamond Nagar' in Surat; Dalpatbhai Patel—the motelier who went on to become the mayor of Mansfield County; Mohanbhai Patel—a former Sheriff of Mumbai and the leading manufacturer of aluminium collapsible tubes; and Hersha and Hasu Shah—owners of over a hundred hotels in the US. Travelling across continents—from Mumbai to the United States—in search of their story and the common values that bond them, Dhandha showcases the powerful ambition, incredible capacity for hard work, and the inherent business sense of the Gujaratis.

Max's Diamonds-Jay Greenfield 2016-05-01 Paul Hartman, coming of age in postwar Rockaway, grows up haunted by the specter of his cousin Max, an Auschwitz survivor, and Max's mysterious cache of diamonds. When a stranger from his past confronts him with an impossible demand, one that could destroy his career and his marriage, Paul must make choices that will change his fate forever.
