Beauty to Die for-Judi Vance 1999 “Judi Vance has written one of the most important and informative consumer books on cosmetics today. It is a book I will use often as a reference and shopping guide.” – David Steinman – Author of Diet For A Poisoned Planet and co-author of The Safe Shoppers Bible “Concise and powerful!” – Rowan Hamilton – Cosmetic Scientist and Herbalist If you use any cosmetics you may be more at risk than you could imagine. Beauty to Die For is shocking, thought-provoking and rock solid in its research. This landmark book reveals the deathtraps in the cosmetics that we unwittingly use in our daily lives. It details the devastating toll that modern industry and government knowingly exact on the health of men, women, and children – and may sound the death knell for certain cosmetic industry practices. This book is a practical guide – an interactive tool – that teaches consumers how to shop safely and wisely. It translates the technical jargon into language that everyone can understand. It was written to help you identify the dangers in products you take for granted. Products you use everyday; products in which you put your faith and trust – yet these products threaten your very existence. This book not only illuminates the hazards, it provides sensible suggestions for creating a less toxic life. “Health isn’t a given, but it’s yours for the taking.” – Judi Vance – Paris to Die For-Maxine Kenneth 2011-07-28 Inspired by an actual letter in the John F. Kennedy Library written by Jackie and revealing her job offer from the newly formed CIA Young Jacqueline Bouvier's first CIA assignment was supposed to be simple: Meet with a high-ranking Russian while he's in Paris and help him defect. But when the Comrade ends up dead, and Jackie-in her black satin peep-toe stiletto heels-barely escapes his killer, it's time to get some assistance. Enter Jacques Rivage, a French photographer and freelance CIA agent who seems too brash and carefree to grapple with spies, though he's all too able to make Jackie's heart skip a beat. Together the two infiltrate 1951 high society in the City of Lights, rubbing shoulders with the likes of the Duchess of Windsor, Audrey Hepburn, and Evelyn Waugh. Jackie, no longer a pampered debutante, draws on her quick intelligence, equestrian skills, and even her Chanel No. 5 atomizer as a weapon to stay alive in the shadowy world of international intrigue-and to keep her date with a certain up-and-coming, young Congressman from Massachusetts . . .

Looks to Die For-Janice Kaplan 2008-01-08 When her prominent Beverly Hills plastic surgeon husband is falsely accused of murdering an aspiring young actress, celebrity home decorator and mother of three Lacy Fields discovers a latent talent for solving crimes. By the author of The Botox Diaries. Reprint. 60,000 first printing.

Wear No Evil-Greta Eagan 2014-03-11 Have you ever wondered, “How can I inherently do good while looking good?” Wear No Evil has the answer, and is the timely handbook for navigating both fashion and ethics. It is the style guide with sustainability built in that we've all been waiting for. As a consumer, you regain your power with every purchase to support the causes and conditions you already advocate in other areas of your life (such as local or organic food), while upholding your sense of self through the stylish pieces you use to create your wardrobe. Featuring the Integrity Index (a simplified way of identifying the ethics behind any piece of fashion) and an easy to use rating system, you'll learn to shop anywhere while building your personal style and supporting your values- all without sacrifice. Fashion is the last frontier in the shift towards conscious living. Wear No Evil provides a roadmap founded in research and experience, coupled with real life style and everyday inspiration. Part 1 presents the hard-hitting facts on why the fashion industry and our shopping habits need a reboot. Part 2 moves you into a closet-cleansing exercise to assess your current wardrobe for eco-friendliness and how to shop green. Part 3 showcases eco-fashion makeovers and a directory of natural beauty recommendations for face, body, hair, nails, and makeup. Style and sustainability are not mutually exclusive. They can live in harmony. It's time to restart the conversation around fashion—how it is produced, consumed, and discarded—to fit with the world we live in today. Pretty simple, right? It will be, once you've read this book. Wear No Evil gives new meaning—and the best answers—to an age-old question: “What should I wear today?”

No Time to Die-Elizabeth Chandler 2010-05-04 Message from a dead girl... It's too late to call back. Jenny will never speak to Liza again. But it seems that even from beyond the grave, Liza is begging her sister for help.... They say it's a serial killer. Is it? Jenny can't afford to trust anyone. Now she's here, in Wisteria, anonymously registered at the Chase College theater camp where her sister died. The daughter of a famous theatrical family, Jenny distrusts actors, loathes acting. Yet here in the college's darkened theatre, Liza seems to be speaking to her. Suddenly Jenny is mouthing Liza's last lines, sharing Liza's last days, a drama starring Brian, the stage manager, who seems to follow her everywhere...dangerously attractive Mike...Paul, who was obsessed with Liza...motherly, suffocating assistant director Maggie...and Walker, the director, bristling with hostility and resentment against Liza and Jenny's famous father. Does he suspect Jenny's true identity? How can anyone know the visions that may be driving Jenny straight into the killer's arms?

Green Living in the Urban Jungle-Lucy Siegle 2001 Embracing an eco-friendly lifestyle can be a daunting prospect for the average urban dweller. Synthetic surroundings are miles away from inspiring pastoral scenes, and the temptation to indulge in a spot of mindless consumerism lurks around every corner. To exacerbate matters, urban dwellers are generally pressed for space, probably cash and definitely time. This handbook aims to address these issues head on, dispel the myths and provide some viable solutions.

Fixing to Die-Elaine Viets 2013-11-05 Mystery shopper Josie Marcus has been happily married to veterinarian Ted Scottmeyer for months. But her newly wedded bliss is about to be cut short.... Josie and Ted have finally tied the knot, and they're ready for the next step: buying a house. Ted's business partner, Christine, has one she's willing to sell, but it needs a lot of love. Luckily, the newlyweds are up for the challenge. But when they tear down a rickety gazebo in the backyard, they find the body of Christine's sister, a free spirit who supposedly took off six months before. The police arrest Christine for murder, leaving Ted to work overtime at the office to cover for his partner. With no time to work on the house or be with her husband, Josie will have to find the real killer quickly, before both her house and marriage are beyond repair.... Includes Shopping Tips!

Slow Fashion-Safia Minney 2016-03-21 Slow Fashion offers creatives, entrepreneurs, and ethical consumers alike a glimpse into the innovative world of the eco-concept store movement, sustainable design, and business that puts people, livelihoods, and sustainability central to everything they do. Safia Minney argues that the future of brick and mortar retail is in the best in fair trade, sustainability, and organic products, together with vintage and second hand goods and local produce. Restorative economics, the well-being of our planet, and our bodies and minds can be inspired by this growing sector, one that is shaping big business. This book curates pioneering people and projects that will inspire you to be part of the change. International names include Livia Firth, Zandra Rhodes, and Lily Cole. American change-makers include Andrew Morgan, filmmaker (The True Cost, a ground-breaking documentary that asks us each to consider who pays the price for our clothing), and Dana Geffner (Fair World Project). With full color photography and elegant design, Slow Fashion profiles the people bringing the alternatives to the mainstream: designers, labels, and eco-concept stores across the world; fair trade producers; campaigns that are re-designing the fashion economy; and the fibers and fabrics which are making a difference. Safia Minney is founder and CEO of fair trade and sustainable fashion label People Tree. She has turned a lifelong interest in environment, trade, and social justice issues into an award-winning social business. She is widely regarded as a leader in the Fair Trade movement and has been awarded Outstanding Social Entrepreneur by the World Economic Forum.

The First Book of Fashion-Ulinka Rublack 2021-02-11 This captivating book reproduces arguably the most extraordinary primary source documents in fashion history. Providing a revealing window onto the Renaissance, they chronicle how style-conscious accountant Matthäus Schwarz and his son Veit Konrad experienced life through clothes, and climbed the social ladder through fastidious management of self-image. These bourgeois dandies' agenda resonates as powerfully today as it did in the sixteenth century: one has to dress to impress, and dress to impress they did. The Schwarzes recorded their sartorial triumphs as well as failures in life in a series of portraits by illuminists over 60 years, which have been comprehensively reproduced in full color for the first time. These exquisite illustrations are accompanied by the Schwarzes' fashion-focussed yet at times deeply personal captions, which render the pair the world's first fashion bloggers and pioneers of everyday portraiture. The First Book of Fashion demonstrates how dress – seemingly both ephemeral and trivial – is a potent tool in the right hands. Beyond this, it colorfully recaptures the experience of Renaissance life and reveals the importance of clothing to the aesthetics and every day culture of the period. Historians Ulinka Rublack's and Maria Hayward's insightful commentaries create an unparalleled portrait of sixteenth-century dress that is both strikingly modern and thorough in its description of a true Renaissance fashionista's wardrobe. This first English translation also includes a bespoke pattern by TONY award-winning costume designer and dress historian Jenny Tiramani, from which readers can recreate one of Schwarz's most elaborate and politically significant outfits.

Consumptive Chic-Carolyn A. Day 2017-10-05 During the late 18th and early 19th centuries, there was a tubercular 'moment' in which perceptions of the consumptive disease became inextricably tied to contemporary concepts of beauty, playing out in the clothing fashions of the day. With the ravages of the illness widely regarded as conferring beauty on the sufferer, it became commonplace to regard tuberculosis as a positive affliction, one to be emulated in both beauty practices and dress. While medical writers of the time believed that the fashionable way of life of many women actually rendered them susceptible to the disease, Carolyn A. Day investigates the deliberate and widespread flouting of admonitions against these fashion practices in the pursuit of beauty. Through an exploration of contemporary social trends and medical advice revealed in medical writing, literature and personal papers, Consumptive Chic uncovers the intimate relationship between fashionable women's clothing, and medical understandings of the illness. Illustrated with over 40 full color fashion plates, caricatures, medical images, and photographs of original garments, this is a compelling story of the intimate relationship between the body, beauty, and disease - and the rise of 'tubercular chic'.

Simply to Die for-Joyce Christmas 1989 Acting as temporary guardian to the niece of her friend, socialite Lynne Jordan, Lady Margaret Priam becomes involved in the mystery surrounding the murder of the young woman's mother four years earlier

Salaula-Karen Tranberg Hansen 2000-08 When we donate our unwanted clothes to charity, we rarely think about what will happen to them: who will sort and sell them, and finally, who will revive and wear them. In this fascinating look at the multibillion dollar secondhand clothing business, Karen Tranberg Hansen takes us around the world from the West, where clothing is donated, through the salvage houses in North America and Europe, where it is sorted and compressed, to Africa, in this case, Zambia. There it enters the dynamic world of Salaula, a Bemba term that means "to rummage through a pile." Essential for the African economy, the secondhand clothing business is wildly popular, to the point of threatening the indigenous textile industry. But, Hansen shows, wearing secondhand clothes is about much more than imitating Western styles. It is about taking a garment and altering it to something entirely local, something that adheres to current cultural norms of etiquette. By unraveling how these garments become entangled in the economic, political, and cultural processes of contemporary Zambia, Hansen also raises provocative questions about environmentalism, charity, recycling, and thrift.

The Emperor's New Clothes-Hans Christian Andersen 2005 Two rascally weavers convince the emperor that they are making him beautiful new clothes, visible only to those fit for their posts, but during a royal procession in which he first wears them, a child whispers that the emperor has nothing on.

Do or Die-Leon Bing 1992-05-20 Do or Die is the first insider account of teenage gangs--the lives, loves, and battles of children who kill--from the only journalist ever allowed inside this closed and dangerous world. This is no West Side Story. Welcome to a world where teenagers wear colostomy bags and have scrapbooks filled with funeral invitations; where a young man, after being shot in the chest, drives himself to the hospital; where another youngster, caught in crossfire, uses his girlfriend as a human shield; where teenage gangsters are kidnapped, tortured, and held for six-figure ransoms; where kids hum the latest movie's theme music while killing people. It's a world of clickheads, sherns, bangers, ballers, and mummyheads; a world where the strongest feelings of family come from other gang members; a world where the most potent feelings of self-worth come from murder.

A Day No Pigs Would Die-Robert Newton Peck 2010-01-13 Originally published in hardcover in 1972, A Day No Pigs Would Die was one of the first young adult books, along with titles like The Outsiders and The Chocolate War. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today. From the Paperback edition.

I Don't Want to Die Poor-Michael Arceneaux 2020-04-07 From the New York Times bestselling author of I Can't Date Jesus, which Vogue called “a piece of personal and cultural storytelling that is as fun as it is illuminating,” comes a wry and insightful essay collection that explores the financial and emotional cost of chasing your dreams. Ever since Oprah Winfrey told the 2007 graduating class of Howard University, “Don’t be afraid,” Michael Arceneaux has been scared to death. You should never do the opposite of what Oprah instructs you to do, but when you don’t have her pocket change, how can you not be terrified of the consequences of pursuing your dreams? Michael has never shied away from discussing his struggles with debt, but in I Don’t Want to Die Poor, he reveals the extent to which it has an impact on every facet of his life—how he dates; how he seeks medical care (or in some cases, is unable to); how he wrestles with the question of whether or not he should have chosen a more financially secure path; and finally, how he has dealt with his “dream” turning into an ongoing nightmare as he realizes one bad decision could unravel all that he’s earned. You know, actual “economic anxiety.” I Don’t Want to Die Poor is an unforgettable and relatable examination about what it’s like leading a life that often feels out of your control. But in Michael’s voice that’s “as joyful as he is shrewd” (BuzzFeed), these razor-sharp essays will still manage to make you laugh and remind you that you’re not alone in this often intimidating journey.

Party Girls Die in Pearls-Plum Sykes 2017-05-09 “A rollicking murder mystery. . . . a wildly entertaining romp. . . . Laugh? I died.”—Vogue The New York Times bestselling author of Bergdorf Blondes takes us back to the decadent 1980s in this comic murder mystery set in the tony world of Oxford University. It’s 1985, and at Oxford University, Pimm’s, punting, and ball gowns are de rigueur. Ursula Flowerbutton, a studious country girl, arrives for her first term anticipating nothing more sinister than days spent poring over history books in gilded libraries—and, if she’s lucky, an invitation to a ball. But when she discovers a glamorous classmate on a chaise longue with her throat cut, Ursula is catapulted into a murder investigation. Determined to bag her first scoop for the famous student newspaper Cherwell, Ursula enlists the help of trend-setting American exchange student Nancy Feingold to unravel the case. While navigating a whirl of black-tie parties and secret dining societies, the girls discover a surfeit of suspects. From broken-hearted boyfriends to snobby Sloane Rangers, lovelorn librarians to dishy dons, none can be presumed innocent—and Ursula’s investigations mean that she may be next on the murderer’s list. Clueless meets Agatha Christie in this wickedly funny tale of high society and low morals, the first book in Plum Sykes’ irresistible new series.

Too Fast to Live Too Young to Die-Andrew Krivine 2020-04-02 Praise for the Too Fast To Live Too Young To Die exhibition: "A fascinating look at how punk and new wave music met the eye" New York Times "An absolute joy" Financial Times The largest unique collection of printed memorabilia from the punk and post-punk movements. Andrew Krivine began collecting punk memorabilia in 1977 when punk exploded onto the scene. Since then, Andrew has amassed one of the world's largest collection of punk graphic design and memorabilia. This book features a carefully curated selection of over 650 posters, club flyers, record covers and adverts from the collection. Together they represent the prime years of punk which changed the world of graphic design forever with its do-it-yourself aesthetics. The artworks are put into context by graphic design experts, academics and commentators. Among them former art director of New York Times Steven Heller, reader in graphic design at the London College of Communication Dr Russ Bestley, graphic design writer Rick Poynor, designer Malcolm Garrett and Pulitzer Prize-winning editor Michael Wilde. The book spans the growth and evolution of punk on both sides of the Atlantic including The Clash, The Buzzcocks, Iggy Pop and The Stooges, Television, The Ramones, Patti Smith, Talking Heads, Devo, Blondie, Flying Lizards, Public Image Ltd, The Only Ones, The Slits, New Order, REM and Joy Division. A collectable item itself, the book is beautifully produced with front and back cover artwork by Malcolm Garrett and Peter Saville, the designers behind some of punk's most memorable album covers. Arguably the most essential and final work on the graphic design revolution within the punk and post-punk movements of the UK and America, Too Fast To Live Too Young To Die will appeal to punk fans and graphic designers alike. Part of Andrew's collection is currently touring the world as the Too Fast To Live Too Young To Die exhibition and has been on display at the Museum of Arts and Design in New York among other museums.

Designed to Die-Chloe Green 2001 Fashion stylist and occasional sleuth Dallas O'Connor must try to discover who is turning a big-budget photo shoot into a venue for murder, and faces suspects ranging from bickering designers to a lingerie model.

To Die for the People-Huey Newton 2020-09-02 Long an iconic figure for radicals, Huey Newton is now being discovered by those interested in the history of America's social movements. This new release of a classic collection of his writings and speeches traces the development of Newton's personal and political thinking, as well as the radical changes that took place in the formative years of the Black Panther Party. More than just a historic record, Newton's prescience and foresight make these documents strikingly pertinent today. Huey Newton was the founder, leader and chief theoretician of the Black Panther Party, and one of America's most dynamic and important revolutionary philosophers.

About to Die-Barbie Zelizer 2010-12-01 Due to its ability to freeze a moment in time, the photo is a uniquely powerful device for ordering and understanding the world. But when an image depicts complex, ambiguous, or controversial events--terrorist attacks, wars, political assassinations--its ability to influence perception can prove deeply unsettling. Are we really seeing the world "as it is" or is the image a fabrication or projection? How do a photo's content and form shape a viewer's impressions? What do such images contribute to historical memory? About to Die focuses on one emotionally charged category of news photograph--depictions of individuals who are facing imminent death--as a prism for addressing such vital questions. Tracking events as wide-ranging as the 1906 San Francisco Earthquake, the Holocaust, the Vietnam War, and 9/11, Barbie Zelizer demonstrates that modes of journalistic depiction and the power of the image are immense cultural forces that are still far from understood. Through a survey of a century of photojournalism, including close analysis of over sixty photos, About to Die provides a framework and vocabulary for understanding the news imagery that so profoundly shapes our view of the world.

The Fifth to Die-J. D. Barker 2018-07-10 A 4MK Thriller Detective Porter and the team have been pulled from the hunt for Anson Bishop, the Four Monkey Killer, by the feds. When the body of a young girl is found beneath the frozen waters of Jackson Park Lagoon, she is quickly identified as Ella Reynolds, missing three weeks. But how did she get there? The lagoon froze months earlier. More baffling? She's found wearing the clothes of another girl, missing less than two days. While the detectives of Chicago Metro try to make sense of the quickly developing case, Porter secretly continues his pursuit of 4MK, knowing the best way to find Bishop is to track down his mother. When the captain finds out about Porter's activities, he's suspended, leaving his partners Clair and Nash to continue the search for the new killer alone. Obsessed with catching Bishop, Porter follows a single grainy photograph from Chicago to the streets of New Orleans and stumbles into a world darker than he could have possibly imagined, where he quickly realizes that the only place more frightening than the mind of a serial killer is the mind of the mother from which he came.

Shoes to Die For-Laura Levine 2014-01-01 I'm crazy about Laura Levine's mystery series. Her books are so outrageously funny. --Joanne Fluke If clothes make the man, then what do Jaime Austen's elastic-waist pants and T-shirts make her? A fashion nightmare, according to her neighbor, Lance. She doesn't expect Lance--who works in the designer shoe department at Nieman Marcus--to understand. . . which is how she ends up visiting his favorite boutique, Passions. While the couture is definitely not for Jaime, the staff's gossip is. Tiny orange-haired clerk Becky starts complaining about her co-worker Giselle--a.k.a. "Frenchie"-- a brittle blonde who, when she's not making fun of customers behind their backs, adds extra-marital notches to her Chanel belt. Though Jaime doesn't land a new look, she does land a new job when Passions' owner gives her a chance to write their new magazine ads. But when Jaime arrives the next morning to pitch her ideas, she finds Frenchie pitched over, stabbed in the neck by one of her own stilettos. Now all Jaime has to do is figure out who hated Frenchie the most, in a case of death by designer knock-off. . .

To Die For-Joyce Maynard 2012-04-17 "A seductive page-turner" about a murderously ambitious cable-news star by the New York Times--bestselling author of Labor Day (The New York Times Book Review). Local weather reporter Suzanne Maretto craves nothing more than to transcend life at her suburban cable television news station and follow in the footsteps of her idol: Barbara Walters. When she concludes that her unglamorous husband is getting in the way of her dream of stardom, the solution seems obvious: Get rid of him. She seduces a fifteen-year-old admirer, Jimmy, and persuades him to do her dirty work. Mission accomplished, Suzanne takes to the airwaves in her new role as grieving widow, in search of a TV deal. If that means selling Jimmy down the river, she's ready. Maynard's brilliant, funny, and groundbreaking novel--adapted by Gus Van Sant into the cult classic movie of the same name, starring Nicole Kidman--was first published in 1992 before the era of manufactured stardom and the phenomenon of televised murder trials as entertainment. The book still stands as a razor-sharp satire of celebrity-fixated culture and the American obsession with TV--a novel that imagined the phenomenon of reality television before its creation, with alternately bone-chilling and hilarious accuracy. This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection.

Fashion and Beauty in the Time of Asia-S. Heijin Lee 2019-06-03 How transnational modernity is taking shape in and in relation to Asia Fashion and Beauty in the Time of Asia considers the role of bodily aesthetics in the shaping of Asian modernities and the formation of the so-called "Asian Century." S. Heijin Lee, Christina H. Moon, and Thuy Linh Nguyen Tu train our eyes on sites as far-flung, varied, and intimate as Guangzhou and Los Angeles, Saigon and Seoul, New York and Toronto. They map the transregional connections, ever-evolving aspirations and sensibilities, and new worlds and life paths forged through engagements with fashion and beauty. Contributors consider American influence on plastic surgery in Korea, Vietnamese debates about "the fashionable," and the costs and commitments demanded of those who make and wear fast fashion, from Chinese garment workers to Nepalese nail technicians in New York who are mandated to dress "fashionably." In doing so, this interdisciplinary anthology moves beyond common characterizations of Asians and the Asian diaspora as simply abject laborers or frenzied consumers, analyzing who the modern Asian subject is now: what they wear and how they work, move, eat, and shop.

To Die for-Linda Howard 2005 The owner of a fitness center, Blair Mallory is stunned when a troubled member of the club becomes obsessed with her and sets out to imitate her style and dress, a situation that is further complicated by the woman's murder.

Suri's Burn Book-Allie Hagan 2012-09-04 Based on the blog, this clever book of snarky commentary is told from the imagined world of "Suri Cruise."

The Epic of Gilgamesh-Maureen Gallery Kovacs 1989 Since the discovery over one hundred years ago of a body of Mesopotamian poetry preserved on clay tablets, what has come to be known as the Epic of Gilgamesh has been considered a masterpiece of ancient literature. It recounts the deeds of a hero-king of ancient Mesopotamia, following him through adventures and encounters with men and gods alike. Yet the central concerns of the Epic lie deeper than the lively and exotic story line: they revolve around a man's eternal struggle with the limitations of human nature, and encompass the basic human feelings of loneliness, friendship, love, loss, revenge, and the fear of oblivion of death. These themes are developed in a distinctly Mesopotamian idiom, to be sure, but with a sensitivity and intensity that touch the modern reader across the chasm of three thousand years. This translation presents the Epic to the general reader in a clear narrative.

The Home Edit-Clea Shearer 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do--in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. PLEASE NOTE: The paperback includes a starter set of labels for your refrigerator; the ebook and audiobook include a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397). Fashionopolis-Dana Thomas 2020-09-08 *NYTBR Paperback Row Selection* An investigation into the damage wrought by the colossal clothing industry and the grassroots, high-tech, international movement fighting to reform it What should I wear? It's one of the fundamental questions we ask ourselves every day. More than ever, we are told it should be something new. Today, the clothing industry churns out 80 billion garments a year and employs every sixth person on Earth. Historically, the apparel trade has exploited labor, the environment, and intellectual property--and in the last three decades, with the simultaneous unfurling of fast fashion, globalization, and the tech revolution, those abuses have multiplied exponentially, primarily out of view. We are in dire need of an entirely new human-scale model. Bestselling journalist Dana Thomas has traveled the globe to discover the visionary designers and companies who are propelling the industry toward that more positive future by reclaiming traditional craft and launching cutting-edge sustainable technologies to produce better fashion. In Fashionopolis, Thomas sees renewal in a host of developments, including printing 3-D clothes, clean denim processing, smart manufacturing, hyperlocalism, fabric recycling--even lab-grown materials. From small-town makers and Silicon Valley whizzes to such household names as Stella McCartney, Levi's, and Rent the Runway, Thomas highlights the companies big and small that are leading the crusade. We all have been casual about our clothes. It's time to get dressed with intention. Fashionopolis is the first comprehensive look at how to start.

Dior Or Die-Angela M. Sanders 2014-10-25 Portland, Oregon, vintage clothing store owner, Joanna Hayworth, is in a tight spot. Her plans to upgrade her store have derailed and costs are mounting. When she wins three trunks of vintage haute couture at auction, she thinks her luck has changed-but it's about to get much worse. The clothing's high-society matron owner turns up poisoned to death, and police seize the wardrobe, leaving Joanna with more debt, a friend wrongly jailed for diamond theft, and a convent of quirky nuns depending on her help. There's only one way to calmer waters: find the murderer, and fast.

The Conscious Closet-Elizabeth L. Cline 2019-08-20 With her landmark investigation Overdressed- The Shockingly High Cost of Cheap Fashion, Elizabeth Cline was the first to reveal fast fashion's hidden toll on garment workers, the environment, and even our own satisfaction with our clothes. The Conscious Closet shows exactly what we can do about it. Based on her personal experiences getting off the fast-fashion treadmill and figuring out a common-sense and affordable approach to conscious style, Elizabeth will share how to pare down your closet; swap, resell, or recycle what you don't love; better care for and repair what you do; and how to affordably buy, thrift, or rent the ethical wardrobe of your dreams. Whether your goal is to build an effortless capsule wardrobe, keep up with trends, buy quality, seek out ethical brands, or all of the above, this is the book for you. The Conscious Closet is not just a style guide. It is a manifesto and call to action to transform one of the most polluting industries on earth, fashion, into a force for good, on both a micro level- our own closets-and macro level, by learning where and how our clothes are made, and how to connect to a global and impassioned community of stylish fashion revolutionaries for bigger systematic change. Clothing is one of the most personal expressions of who we are, and in The Conscious Closet, Elizabeth aims to help readers truly understand and love their clothes again-without sacrificing the environment or their morals in the process.
