Solomon Kane-Robert E. Howard 2018-03-14 A late 16th - early 17th century Puritan, Solomon Kane is a somber-looking man who wanders the world with no apparent goal other than to vanquish evil in all its forms...Robert E. Howard weaves quite possibly his greatest weird fiction creation ever, Solomon Kane! THE ADVENTURES OF SOLOMON KANE-Robert E. Howard 2017-08-15 "He was . . . a strange blending of Puritan and Cavalier, with a touch of the ancient philosopher, and more than a touch of the pagan. . . . A hunger in his soul drove him on and on, an urge to right all wrongs, protect all weaker things. . . . Wayward and restless as the wind, he was consistent in only one respect—he was true to his ideals of justice and right. Such was Solomon Kane."Collected in this volume are the seven stories (plus one poem) that make up the thrilling saga of the dour and deadly Puritan, Solomon Kane: Red Shadows (1928), Skulls In The Stars (1929), Rattle Of Bones (1929), The Moon Of Skulls (1930), The Hills Of The Dead (1930), The Footfalls Within (1931), Wings In The Night (1932) and Solomon Kane's Homecoming - A Poem (1936).Together they constitute a sprawling epic of weird fantasy adventure that stretches from sixteenth-century England to remote African jungles where no white man has set foot. Here are shudder-inducing tales of vengeful ghosts and bloodthirsty demons, of dark sorceries wielded by evil men and women, all opposed by a grim avenger armed with a fanatic's faith and a warrior's savage heart.

The Right Hand of Doom and Other Tales of Solomon Kane-R. E. Howard 2007-01-09 The sixteenth-century Puritan Solomon Kane has a thirst for justice which surpasses common reason. Sombre of mood, clad in black and grey, he 'never sought to analyse his motives and he never wavered once his mind was made up. Though he always acted on impulse, he firmly believed that all his actions were governed by cold and logical reasonings...A hunger in his soul drove him on and on, an urge to right all wrongs, protect all weaker things, and avenge all crimes against right and justice'. Immune to the attractions of the opposite sex, he seems drawn by some psychological distress beacon to places where he knows only that he will be called upon to defend the helpless or (more often) exact retribution on their behalf. Himself a Christian, possessed of enormous strength and skill in swordplay, he yet has little hesitation in calling upon the assistance of his Voodoo-practising friend N'Longa when strength, skill and Christian belief are not enough.

The Robert E. Howard Reader-Darrell Schweitzer 2010-08-01 This anthology presents a wide range of analysis, criticism, and opinion about one of the most influential fantasy authors of the twentieth century, with contributions by such well-known writers and critics as: Poul Anderson, Fritz Leiber, George H. Scithers, L. Sprague de Camp, S. T. Joshi, Howard Waldrop, Steve Tompkins, Darrell Schweitzer, Leo Grin, Robert Weinberg, Mark Hall, Charles Hoffman, Don D'Amassa, Robert M. Price, Gary Romeo, and Scott Connors. A "must buy" for every fan of Robert E. Howard.

El Borak and Other Desert Adventures-Robert E. Howard 2010-02-09 Robert E. Howard is famous for creating such immortal heroes as Conan the Cimmerian, Solomon Kane, and Bran Mak Morn. Less well-known but equally extraordinary are his non-fantasy adventure stories set in the Middle East and featuring such two-fisted heroes as Francis Xavier Gordon—known as "El Borak"—Kirby O'Donnell, and Steve Clarney. This trio of hard-fighting Americans, civilized men with more than a touch of the primordial in their veins, marked a new direction for Howard's writing, and new territory for his genius to conquer. The wily Texan El Borak, a hardened fighter who stalks the sandscapes of Afghanistan like a vengeful wolf, is rivaled among Howard's creations only by Conan himself. In such classic tales as "The Daughter of Erlik Khan," "Three-Bladed Doom," and "Sons of the Hawk," Howard proves himself once again a master of action, and with plenty of eerie atmosphere his plotting becomes tighter and twistier than ever, resulting in stories worthy of comparison to Jack London and Rudyard Kipling. Every fan of Robert E. Howard and aficionados of great adventure writing will want to own this collection of the best of Howard's desert tales, lavishly illustrated by award-winning artists Tim Bradstreet and Jim & Ruth Keegan. From the Trade Paperback edition.

Skulls in the Stars-Robert E. Howard 2015-02-12 This early work by Robert E. Howard was originally published in 1929 and we are now republishing it with a brand new introductory biography. 'Skulls in the Stars' is a story that follows the adventures of the puritan explorer Solomon Kane. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard - a bookish and somewhat introverted child - was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more seriously. The December 1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece - a short caveman tale titled 'Spear and Fang' - for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery' genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger.

Kull-Robert E. Howard 2006-10-31 In a meteoric career that spanned a mere twelve years, Robert E. Howard single-handedly invented the genre that came to be called sword and sorcery. From his fertile imagination sprang some of fiction's most enduring heroes. Yet while Conan is indisputably Howard's greatest creation, it was in his earlier sequence of tales featuring Kull, a fearless warrior with the brooding intellect of a philosopher, that Howard began to develop the distinctive themes, and the richly evocative blend of history and mythology, that would distinguish his later tales of the Hyborian Age. Much more than simply the prototype for Conan, Kull is a fascinating character in his own right: an exile from fabled Atlantis who wins the crown of Valusia, only to find it as much a burden as a prize. This groundbreaking collection, lavishly illustrated by award-winning artist Justin Sweet, gathers together all Howard's stories featuring Kull, from Kull's first published appearance, in "The Shadow Kingdom," to "Kings of the Night," Howard's last tale featuring the cerebral swordsman. The stories are presented just as Howard wrote them, with all subsequent editorial emendations removed. Also included are previously unpublished stories, drafts, and fragments, plus extensive notes on the texts, an introduction by Howard authority Steve Tompkins, and an essay by noted editor Patrice Louinet. Praise for Kull "Robert E. Howard had a gritty, vibrant style—broadsword writing that cut its way to the heart, with heroes who are truly larger than life."—David Gemmell "Howard's writing seems so highly charged with energy that it nearly gives off sparks."—Stephen King "Howard was a true storyteller—one of the first, and certainly among the best, you'll find in heroic fantasy. If you've never read him before, you're in for a real treat."—Charles de Lint "For stark, living fear . . . what other writer is even in the running with Robert E. Howard?"—H. P. Lovecraft

The Best of Robert E. Howard Volume 2-Robert E. Howard 2007-11-27 "[Behind Howard's stories] lurks a dark poetry and the timeless truth of dreams." –Robert Bloch "Howard's writing seems so highly charged with energy that it nearly gives off sparks." –Stephen King The classic pulp magazines of the early twentieth century are long gone, but their action-packed tales live on through the work of legendary storyteller Robert E. Howard. From his fecund imagination sprang an army of larger-than-life heroes—including the iconic Conan the Cimmerian, King Kull of Atlantis, Solomon Kane, and Bran Mak Morn—as well as adventures that would define a genre for generations. Now comes the second volume of this author's breathtaking short fiction, which runs the gamut from sword and sorcery, historical epic, and seafaring pirate adventure to two-fisted crime and intrigue, ghoulish horror, and rip-roaring western. Kull reigns supreme in "By This Axe I Rule!" and "The Mirrors of Tuzan Thune"; Conan conquers in one of his most popular exploits, "The Tower of the Elephant"; Solomon Kane battles demons deep in Africa in "Wings in the Night"; and itinerant boxer Steve Costigan puts up his dukes of steel inside and outside the ring in "The Bulldog Breed." In between, warrior kings, daring knights, sinister masterminds, grizzled frontiersmen—even Howard's stunning heroine, Red Sonya—tear up the pages in stories built to thrill by their masterly creator. And in such epic poems as "Echoes from an Anvil," "Black Harps in the Hills," and "The Grim Land," the author blends his classic characters and visceral imagery with a lyricism as haunting as traditional folk balladry. Lavishly illustrated by Jim and Ruth Keegan, here is a Robert E. Howard collection as indispensable as it is unforgettable. "Howard had a gritty, vibrant style—broadsword writing that cut its way to the heart, with heroes who are truly larger than life." –David Gemmell "For stark, living fear . . . What other writer is even in the running with Robert E. Howard?" –H. P. Lovecraft From the Trade Paperback edition.

Robert E. Howard's Conan the Cimmerian Barbarian-Robert E. Howard 2017-06 This 860-page collection contains all of Robert E. Howard's Conan the Cimmerian stories published during his lifetime, contextualized with biographical details of their author. The hardcover, a Multimedia Bundle Edition, includes

the e-book and audiobook editions as downloadable bonus content. Excerpt from Introduction: "When the first Conan of Cimmeria story appeared in the pages of *Weird Tales* magazine in December 1932, nothing quite like it had ever before appeared in print. Author Robert E. Howard had been writing stories broadly similar to it for half a decade; but it was with Conan, and the Hyborian Age storyworld in which he was placed, that Howard finally fully doped out the sub-genre that would become known as "sword and sorcery," of which Howard is today considered the founding father. "Conan's origins date back to an experiment in 1926 titled "The Shadow Kingdom," featuring the character Kull, exile of Atlantis. The idea -- Howard's great innovation -- was, at its core, historical fiction set in a pre-historical period. That pre-historical period -- being, of course, lost in the mists of time -- could contain anything Howard might like to include: evil races of sentient snake-things, sorcerers, undead creatures, demons walking upon the earth, anything. "In other words, Howard was creating a secular mythology. "And as with any mythology, secular or no, there would be a hero, a Ulysses or a Theseus, an exceptional man of legend striding through that myth-world, sword in hand, righting wrongs and slaying supernatural monsters and, along the way, providing metaphorical insight onto his world and ours. "At the same time, he was finding success with another historical-fiction-fusion innovation: The grim, savage English Puritan Solomon Kane. Kane's world was the skull-strewn chaos of Europe and north Africa during the Thirty Years War, in the early 1600s. Little enough is known about specific events during that dark time that it was possible to take historical liberties with it as a storyworld, so that it could accommodate dark magic, walking skeletons, vampires, magic staffs, and, of course, N'Longa the witch-doctor. "Howard quickly realized he was onto something with Solomon Kane. The first Solomon Kane story, "Red Shadows," appeared in August 1928 in *Weird Tales*, and readers loved it. Here was a dark, brooding world of menace and witchcraft connected pseudo-genealogically to their own. It was easy for readers to "take the ride" -- to suspend their disbelief and envision Kane's adventures as a part of the real world. "But, perhaps the connection with the real world was too close. The countries of 1630s Europe are well known; the causes of the conflict fully understood. There was only so much Howard could do in Solomon Kane's world. Moreover, Solomon Kane is just a hard character to root for. Unlike Kull, he is, not to put too fine a point on it, really not a sane man. "So it makes perfect sense that after the shadowy, prehistoric world of Kull and the dark, necromantic world of Solomon Kane, Howard would combine these two precursors to develop a world that was far enough into the distant past to be free of actual historical constraints -- like Kull's -- yet close enough to the present to still exist as echoes and legends in the world's mythologies. "And so Howard created The Hyborian Age, circa 10,000 B.C. And to play the role of our avatar as we explore this shadowy, almost-historical world, he gave us Conan the Cimmerian - to tread the jeweled thrones of the Earth under his sandalled feet."

The Hills of the Dead (Illustrated)-Robert E. Howard 2014-03-18 First published in *Weird Tales*, August 1930. In Africa again, Kane's old friend N'Longa (the witch doctor from "Red Shadows") gives the Puritan a magic wooden staff, the Staff of Solomon, which will protect him in his travels. Kane enters the jungle and finds a city of vampires.

The Horror Stories of Robert E. Howard-Robert E. Howard 2008-10-28 Here are Howard's greatest horror tales, all in their original, definitive versions. Some of Howard's best-known characters--Solomon Kane, Bran Mak Morn, and sailor Steve Costigan among them--roam the forbidding locales of the author's fevered imagination, from the swamps and bayous of the Deep South to the fiend-haunted woods outside Paris to remote jungles in Africa. The collection includes Howard's masterpiece "Pigeons from Hell," which Stephen King calls "one of the finest horror stories of [the twentieth] century," a tale of two travelers who stumble upon the ruins of a Southern plantation--and into the maw of its fatal secret. In "Black Canaan" even the best warrior has little chance of taking down the evil voodoo man with unholy powers--and none at all against his wily mistress, the diabolical High Priestess of Damballah. In these and other lavishly illustrated classics, such as the revenge nightmare "Worms of the Earth" and "The Cairn on the Headland," Howard spins tales of unrelenting terror, the legacy of one of the world's great masters of the macabre. From the Trade Paperback edition.

Crashing Through-Robert Kurson 2007-05-15 In his critically acclaimed bestseller *Shadow Divers*, Robert Kurson explored the depths of history, friendship, and compulsion. Now Kurson returns with another thrilling adventure--the stunning true story of one man's heroic odyssey from blindness into sight. Mike May spent his life crashing through. Blinded at age three, he defied expectations by breaking world records in downhill speed skiing, joining the CIA, and becoming a successful inventor, entrepreneur, and family man. He had never yearned for vision. Then, in 1999, a chance encounter brought startling news: a revolutionary stem cell transplant surgery could restore May's vision. It would allow him to drive, to read, to see his children's faces. He began to contemplate an astonishing new world: Would music still sound the same? Would sex be different? Would he recognize himself in the mirror? Would his marriage survive? Would he still be Mike May? The procedure was filled with risks, some of them deadly, others beyond May's wildest dreams. Even if the surgery worked, history was against him. Fewer than twenty cases were known worldwide in which a person gained vision after a lifetime of blindness. Each of those people suffered desperate consequences we can scarcely imagine. There were countless reasons for May to pass on vision. He could think of only a single reason to go forward. Whatever his decision, he knew it would change his life. Beautifully written and thrillingly told, *Crashing Through* is a journey of suspense, daring, romance, and insight into the mysteries of vision and the brain. Robert Kurson gives us a fascinating account of one man's choice to explore what it means to see--and to truly live. From the Hardcover edition.
