It's been ten months since the word 'vampire' stopped being something from old monster stories and Hollywood movies. It's been six months since our world and theirs erupted into war. It's been two months since an uneasy peace was signed. It's been one hour since that peace was shattered. The war is here again. The vampire war. Our world will burn. Our world will bleed! When anyone can turn, when every street is a battlefield, there is nowhere to run! V-Wars: Blood and Fire is edited and co-written by New York Times bestselling author Jonathan Maberry and features all new stories of the Vampire Wars by Kevin J. Each tale explores the nature of terror and peels back another layer of our comfort. Each tale bares our throat to the bite. Innuendo Bonanza!-Garry Bushell 2015-07-07 Garry starting collecting TV bloopers more than 20 years ago, when his Bushell on the Box column was first published in The Sun. "To err is human", writes Garry, "but to really cock things up, you need a TV presenter!" Garry's Goofs are rooted in the traditional English love of the innuendo, in particular the unintentional double meaning. Whether it's the host of Antiques Roadshow telling the busty owner of two glass decanters "that's the nicest pair I've seen in ages!" or whether it's the witless presenter of Who Do You Think You Are asking a guest "did your great-grandfather have any children?"... you'll love 'em all! INNUENDO BONANZA contains more than 1,000 classic goofs, guaranteed to have you in stitches. Childish, maybe. Puerile, certainly. But very funny!
