Neshanic Station-Neshanic Station Historical Society 1999-08-01 The villages of Neshanic and Neshanic Station make up the southern portion of Somerset County, New Jersey. Upper and Lower Neshanic, as they were earlier known, joined over a century ago when the Elm Street Bridge was built, linking the two villages. Neshanic was a colonial settlement that grew around the commerce of Amwell Road and the following of the Reformed Dutch Church of Neshanic, which was established in 1752. Neshanic Station contained only a handful of residences until railroad lines led to the commercial and residential expansion of the village in the late 1800s. Today, these two villages exist mainly as residential communities but are linked with the past through the lifelong ties to the villages by their residents. While the commerce that once occupied this area is gone, its sense of community remains.

A pack of feral canines roams at night, attacking livestock in a desperate search for food. Then prominent physician Gordon Hall is found dead in his yard, his throat ripped open. Sheriff's Department investigator Tom Bridger believes the killing was premeditated murder using a trained attack dog as the weapon. He also suspects it is connected to the resurgence of an old problem: illegal dog fighting. But Dr. Hall's son insists the feral pack killed his father, and he organizes a group of men to find and shoot the animals. Rachel and her friend Holly Turner make enemies by trying to rescue the dogs and move them to the sanctuary Holly has created. Tom, in love with Rachel and worried about her safety, must divide his time between the escalating controversy, shutting down the dog-fighting operation (if he can locate it), and hunting for Gordon Hall's killer....

Remembering Mom-Ellen Gable 2020-05-18 In Remembering Mom, author Ellen Gable shares memories of her beloved mother, an unconventional woman who was often thrust into situations by necessity. She endured having to watch her first husband spiral into psychosis and schizophrenia, then have him be committed to a psychiatric hospital on the same day she was in labor with their fourth child. She worked from home typing back in the day when women didn't have jobs other than homemaking. Her humor was quirky, and she had some strange sayings. She could swear like a sailor, but loved her Catholic faith. She wasn't a perfect Catholic, nor was she a perfect mother, but she was devoted to her five children. After the death of her first husband, she remained strong for her young adult children, then eventually found love again and another opportunity for motherhood.

Night Messages-Dale Matthies 2015-10-26 Musician, Tommy Donn, has a new problem. Songs playing on his internal juke box have switched to the tunes his Aunt Shirley and Uncle Frank loved - but they died mysteriously thirty years ago. Is it possible? Are they sending a message that will resolve the questions the small-town Wisconsin sheriff could not?...or, would not! On the Fourth of July the Sheriff arrested Tommy's uncle for burning Aunt Shirley alive. Bad Boy, Frank Nazwisko didn't do it, but who would listen to a kid with an active imagination? Tommy Donn wants an ordinary, successful life - but the old songs, bad dreams, and even a watery, near-death experience, become a major distraction. Songs from the 1950s, '60s, and '70s give clues to the identity of the real killer. Was it Uncle Frank's drinking buddy? After all, someone called in an anonymous tip to the Sheriff after Frank's buddies drank themselves silly and blurted family secrets. Or, was it the parish priest? Aunt Shirley did spend an excessive amount of time doing volunteer projects at the church. (And, there were all those nasty rumors about him.) This is a cozy mystery. That means no gruesome gore or overly explicit sexual details - just good story telling. And, you'll learn what really happened to Shirley Nazwisko.

2 \* 0 \* 4 Lifestyle: Floral: A Planner for Living-M. A. Lee 2018-09-10 "Love the Lord with all your heart and with all your soul and with all your strength and with all your mind." from Luke 10:27 The 2 \* 0 \* 4 planner is designed to transform your life. \* Your heart will celebrate deepening relationships. \* Your soul will be inspired to come closer to God. \* Your mind will be sharper and clearer. \* Your body will strive toward its own ideal weight. How can a simple planner do all this? The key is double-pronged: following the two-page weekly spread and committing to the core of the 2 \* 0 \* 4 Lifestyle. Scientific studies tell us that 21 days is necessary to break a habit, and 66 days are necessary to form a habit. The 2 \* 0 \* 4 will equip you with weekly reminders for diet, water intake, and movement. At six-week and seasonal intervals are opportunities to commit to goals to strengthen your relationships, pursue quiet contemplation or peaceful prayers, build your mind, and develop your body. We are not simple human beings. We are heart and soul, mind and body. We are circles of love and caring, spiritual endeavors, curious intellectuals, and physical movement. Any transformation requires a time commitment, and challenges confront our devotion to change. Schedule your changes, plan for special events, take lists when shopping, and climb over the struggles that interfere with your devotion to transform. If you fall off track with any element, just climb back on with a re-commitment to change. At the end of a committed year of the 2 \* 0 \* 4 Lifestyle, we guarantee that your life will have transformed for the better. Open the planner and find \* The Raison d'Et're: explaining the purpose of the lifestyle and providing assistance with necessary diet changes—feast and fast, eating real food and avoiding bad fats and sugars. \* The Yearly Pre-Set, a goal-setting exercise for Heart, Soul, Mind, and Body. Accomplishments to Achieve creates lists in each area for you to consider throughout the year. \* Seasonal Pre-Set then Re-Sets, reviewing previous victories and challenges, specific goal setting, anticipated challenges, and obligations to come. \* The weekly spread, undated, with a panel for reflecting over the week, daily gratitude and meditation, upcoming goals, an inspirational quotation, and a place to note your weekly weigh-in. \* At the six-week mark is a new retrospection and prospectus, considering challenges and new ideas about your goals. After the first two six-week marks, you will encounter progress meters for these goals. \* Calendars of important dates from 2019 to 2023. \* Notes and Looking Ahead pages, Gifts and Wish List, and My Lists: films, restaurants, books, tech, places, hikes, music, and vacation spots. What other planner combines heart and soul, mind and body? Make the decision to live a whole life with 2 \* 0 \* 4.
