MC Bear Mates Vol 1-Becca Fanning 2017-12-17 In a world ruled by fickle Goddesses, these Bear Shifter Bikers purse their Fated Mates. The MC Bear Mates Vol 1 Box Set is here! Contains the following novels: MARS: Mars Donner is tall, dangerous and brutally loyal. His golden eyes melt panties and make men get out of his way. He'd done his fair share of dirt, and even put a few people in the dirt, but he had lines he wouldn't cross. As long as he had his MC, his cut and his hog, he thought he could get through anything. Then he met his Fated Mate, and he knew there was no line he wouldn't cross for her. Annette Vogel is an investigative journalist and no stranger to chasing a story. Freshly back from Afghanistan, her therapist tells her that she needs to take it easy, that working through PTSD is a process. But Adrenaline junkies don't take it easy, and when she gets wind of a human trafficking circle she has to go after the story. But crossing those kinds of people can have deadly consequences, especially when the story starts chasing her. MUNDO: Jimmy "Mundo" Aston always found himself deep in the sh*t. Whether it was going at it with rival bikers or cops, he never let his opponent get the better of him. This attitude was why he found himself in jail, eager to get out and back with his Club. Three hots and a cot weren't bad, and at over six feet tall he knew no one would try any funny business. So really it was just getting through the boredom, until he met her. Christie Lockheart didn't believe in love. She didn't believe in chances. She'd lost loves to chance and thought they could go to hell for all she cared. She could at least focus on her work, the one thing that kept her grounded. As a dentist for the County Corrections department she went from jail to jail to treat inmates. Not a glamorous job, but she thought she was beyond glamor at this point. Until she met Mundo Aston, and their brief interaction left her with lots of questions...and the desire to take a chance again. Just as they try to put together a normal life, the evil stalking the Nomads MC strikes again! KIKO: Kiko had thought he'd seen everything, but when the parade of young ladies came streaming out of the shipping container, their hair stuck to their scalps and reeking of God-knows-what, he felt sick to his stomach. He knew it was stupid to draw the line here after years of using violence and force like most people use language. But the line was drawn, and he knew he wouldn't cross this one. Now these women were under the protection of The Nomads, and the Ukrainian Mob would be in for a very bloody fight if they thought they could force these women to do anything. And there was one who was something special... USA Today Bestselling Author Becca Fanning brings you a Shifter Romance novel box set packed full of action, intrigue and steam! Beauty Is a Wound-Eka Kurniawan 2015-09-08 The English-language debut of Indonesia's rising star. The epic novel Beauty Is a Wound combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past:the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. Beauty Is a Wound astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

Making Sex-Thomas Walter Laqueur 1992 History of sex in the West from the ancients to the moderns by describing the developments in reproductive anatomy and physiology.

Woman Battering as Marital Act-Margareta Hyden 1994 In an interdisciplinary analysis, Margareta Hydén highlights the nature of women's abuse, the social organization of marriage, gender relations, and human nature itself, in ways that go beyond the discourse of victims and survivors of violence. Hydén examines the act of woman battering from three distinct perspectives: the male perpetrator, the female victim, and the couple engaged in the joint project of marriage. The two major issues discussed are, first, the identification and description of the distinctive features of battering as it appears and is committed by men against women in marital life; and, second, the understanding of how the individuals involved define, interpret, explain and try to justify this act. Woman Battering as Marital Act is a powerful analysis of this prevalent crime that serves to reshape our understanding of why battered women often remain in their violent marriages.

Ulysses-James Joyce 2020-07-28 "I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

Geek Love-Katherine Dunn 2011-05-25 Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan. . . Iphy and Elly, the lissome Siamese twins. . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.
