Write Now-Barbara Getty 2019-07 It's so natural and easy to have better handwriting. WRITE NOW is a self-instructional course in modern italic handwriting, containing everything you need to improve the legibility, ease and look of your handwriting -- a complete workbook for adults and professionals. This popular book in the United States is now available internationally with this new edition. Improve the legibility, ease and look of your handwriting with this complete workbook for adults and professionals. Learn a fast, efficient and practical handwriting style that eliminates the loops and flourishes of conventional cursive. Italic is a modern handwriting system based on Italian Renaissance letterforms that are highly suited to rapid and legible writing, where rhythmic patterns follow the natural movement of the hand. Italic's handsome letters are as easy to write as they are to read. Send handwritten notes you can be proud of. Friends and business associates will appreciate receiving legible and distinctive handwritten messages. Poor handwriting isn't your fault. The looped cursive handwriting most of us were taught was simply not designed to accomplish the necessary combination of legibility, speed, and ease. WRITE NOW is a self-instructional course in modern italic handwriting. A complete program for adults. Contains instructions, practice exercises and tips. The new edition includes a supplementary section with a complete review of basic and cursive italic. An easy way to develop a better hand at your own pace. Write directly in the book. No special tools are required -- just your favorite pen or pencil. Includes instruction in edged-pen writing (edged pen required for this section). Also includes the historical development of letters. Entire book is handwritten. "It's a breakthrough at last!" -- Betty Edwards, PhD, author of Drawing on the Right Side of the Brain "When one consciously chooses to communicate, this remarkable script forces the writer to think more clearly, fostering greater mental discipline and organization. Italic handwriting is legible and handsome - I find it soul-satisfying. I recommend Write Now - the book to use. Long live legibility!" -- Paul O. Jacobs, M.D. "Write Now by Barbara Getty and Inga Dubay is the best book on italic handwriting -- or any handwriting -- I've come across. Handsomely handwritten, wondrously clear, easy to use, and even witty, WRITE NOW is the perfect resource for anyone who wants to learn Italic or (as I did) improve a deteriorated script." -- Kitty Burns Florey, author Script & Scribble: The Rise and Fall Of Handwriting "The hospital staff calls it a miracle. I can now communicate my ideas to other physicians. My wife tells me she can read my love letters. All of this accomplished by improving the legibility of my handwriting with Getty-Dubay." -- Stephen Caplan, MD International edition 101 pages.

My North Star Misdled Me-Sarah Lamar King 2016-01-24 This book was written to help a person find their internal quarrels in written words. Written words bring about a different perspective. To overcome something, you must be able to see it from a different viewpoint, you must be able to analyze and understand it in order to accept it or move past it. The most important step in the healing process is acknowledgement that what you are feeling is okay to feel, and that you are not alone in those feelings. Get lost in this book and find yourself in it, all at the same time. Emotional clarity.

Burn After Writing (Pink)-Sharon Jones 2020-10-27 "Tumblr, Facebook, LinkedIn, Twitter, Instagram, texting, Snapchat, YouTube, the world has become one giant confessional. In a reversal of this trend, Burn After Writing encourages you to share nothing. With its incisive questions and thought experiments, this private journal challenges you to play a game of Truth or Dare with yourself. Push your limits, reflect on your past, present, and future, and create a secret book that's about you, and just for you. And when you're finished, toss it, hide it, or Burn After Writing"--From publisher description.

Write Now, Here's How-Linda M. Hasselstrom 2020-07-14 Write Now, Here's How is a collection of forty essays that lead the reader through six decades of writing challenges. Hasselstrom, like all good teachers, knows how to encourage, invite, instruct and entertain. She finds inspiration everywhere—in a daily walk, in a claw-foot tub, and in the daily news. Reading this book is like attending one of her writing retreats.

Girls Write Now: Two Decades of True Stories from Young Female Voices- 2018-10-16 Teenage girls tell their most urgent stories, punctuated by inspiration and advice from Zadie Smith, Roxane Gay, Chimamanda Ngozi Adichie, Gloria Steinem, Alice Walker, and more of today's great writers. "Important work . . . A beautiful example of what happens when you let girls write and share it with the world." —Samhita Mukhopadhyay, Teen Vogue Girls Write Now: Two Decades of True Stories from Young Female Voices offers a brave and timely portrait of teenage-girl life in the United States over the past twenty years. They're working part-time jobs to make ends meet, deciding to wear a hijab to school, sharing a first kiss, coming out to their parents, confronting violence and bullying, and immigrating to a new country while holding onto their heritage. Through it all, these young writers tackle issues of race, gender, poverty, sex, education, politics, family, and friendship. Together their narratives capture indelible snapshots of the past and lay bare hopes, insecurities, and wisdom for the future. Interwoven is advice from great women writers—Roxane Gay, Francine Prose, Chimamanda Ngozi Adichie, Zadie Smith, Quiara Alegria Hudes, Janet Mock, Gloria Steinem, Lena Dunham, Mia Alvar, and Alice Walker—offering guidance to a young reader about where she's been and where she might go. Inspiring and informative, Girls Write Now belongs in every school, library and home, adding much-needed and long-overdue perspectives on what it is to be young in America.

Become a Fearless Writer-Nina Harrington 2017 Are you Ready to Discover a Proven System to Stop Procrastinating and Move Forward as a Creative Entrepreneur? What you will learn: A scientifically valid and repeatable system which has been tested by authors and entrepreneurs around the world. An effective method to develop deep motivation and an entrepreneurial growth mindset based on your unique strengths and attributes. The five-step plan to power through procrastination and all of the negative brain chatter, and build solid working methods and routines which will form the foundation of your career. What's Inside: I know how frustrating it can be to start each day with great plans about how much work we are going to achieve in the limited time available and end it beating ourselves up because, yet again, that precious time had slipped through our fingers because of procrastination. That's why I have spent hundreds of hours finding out how successful authors and solo entrepreneurs have overcome procrastination and developed the deep motivation needed to achieve remarkable results. The result of that research is the MAGIC 5-Step System. How to develop powerful deep-seated Motivation and Drive. How to Leverage the Entrepreneurial Growth Mindset. How to Accept both your Unique Strengths and your Limiting Beliefs, and Create Coping Mechanisms around them. How to bridge the Gap between where you are now and where you want to be in the most effective and fastest way possible. How to Implement a practical action plan and Commit to New Working Processes which will transform your Productivity. How to realise your potential as a truly prolific author and creative Entrepreneur. Who This Book is For: Fiction and non-fiction authors who want to stop procrastinating, increase their productivity and complete more books and creative projects. Bloggers, writers and content marketers who need to produce content at short notice and need an effective fast-track productivity system to ensure that they can meet short deadlines. Solo entrepreneurs who are working around the conflicting demands of a family and/or a day job and want to make the most effective use of the limited time they have available. The 5-Step MAGIC System can be used by any author and creative entrepreneur, pre-published or published, who wants to identify the deep source of their motivation, stop procrastinating and build a successful career as a prolific author. Bottom Line I have used the MAGIC system to stop procrastinating and leverage the power of motivation in my life. Now, this is your chance to use the same proven system. What have you got to lose? And more importantly, how much do you stand to gain?

Don't Date a Psycho-Dr Keiron Brown 2014-07-29 "What are you, some kinda PSYCHO?" How many times have you said this to someone? Probably a lot. How often has someone said this to you? Hopefully, not so much! Truth is, we've all dated or been involved with someone who drove us nuts or, if we haven't, chances are that we were the ones who got on the other person's nerves. Now, the question is: who is the Psycho; you or the other person? Don't Date a Psycho: Don't Be One, Don't Date One looks at why we behave in the ways that we do in relationships, what makes us stay with the person we're with and what makes us leave them, and how to tell who is safe to be in a relationship with and who is unsafe. Done with humor and written from more than two decades of clinical experience as a psychologist, Dr. Keiron Brown helps us to gain a clearer understanding of who we are as individuals, who we are as partners in relationships and what makes each and every one of us prone to acting a little nuts sometimes when our hearts are at stake.

Stir Up the Gift Within-JaneNK Nwanne 2016-01-18 Many of us live a mundane existence in which we get up, go to work, come home, and go to sleep. This cycle keeps repeating each and every day. The worst part is that we likely work a job that we don't enjoy doing, but we keep working that job in order to provide for our family. Stop right now and pay attention, because it doesn't have to be that way. This book, Stir Up the Gift Within, encourages people to use their talents to do what they love. It teaches people exactly how to find their talents so that they can use them to pursue their passions in life. There are bigger dreams and goals lurking inside each and every one of us; we need to stir up that gift within us. The difference between successful people and ordinary people is that successful people take action and pursue their dreams. Ordinary people tend to accept what life has thrown at them without trying to make any changes or go against the ideals of society in order to seek out that better life. All successful people found a way to use their talents to do what they love. The hardest part was learning how to do it, and that is exactly what you will learn in this book.

How to Write an Ebook-Sarah Langston 2013-08-29 This easy-to-read guide will give you the tools you need to successfully begin constructing your first ebook.

The Collective-Savage Writer 2017-09-11 For those feeling emotional fatigue right now, what do you do to alleviate yourself from it? Do you enjoy the world for what it is? Do you eat fine food and drink aged wines or take it to the limit by dabbling in drugs and drinking heavier? Hang in there. Take everything one day at a time. The sun will soon shine again.

Writing Journal: A Year in the Life of a Self-Published Author-Scott Haworth 2014-05-10 One year ago I had six novels self-published that were starting to get good reviews from the people who read them. After a decade of working hard to make a career out of writing, I finally felt like I was on the cusp of success. I decided to start a journal to chronicle my journey. Whether you are an author who is thinking about self-publishing or you are simply curious about how the process works, this journal will give you insight on what it is like to try to break out in one of the hardest professions known to man. Everyone has heard about the success stories of a handful of self-published authors, but they are the exception to the rule. Even if you work hard, have talent and take advantage of every marketing and promotional opportunity that is available, the chances of making it big are astronomically low. Read my story and experience the highs, the lows, the more lows and the holy crap I didn't think it could get any lower of self-publishing. The journal highlights my efforts to write and self-publish four novels in less than a year. It also delves into the strategies I implemented to convince lovely folks like yourself to actually pay me money to read them. Finally, I also talk about how I got started as a writer and how the publishing industry has dramatically changed since then. Keywords: self publishing, novels, marketing, money, how to, success, books

Eight Days-D. Nichole King 2015-06-18 Suicide. That's what being with Kate Browdy is. She's sick. And now my father has knocked her out because her immune system can't deal with this virus. Seven years of fighting leukemia is destroying her. I can't deal with this. I'm not strong like her. Survival instinct kicks in, so I do what I know-I call Ellie. Numb the pain. But there shouldn't even be pain. What is it about this girl? She's not good for me, and I'm not good for her. I'm a freaking disaster, and Kate deserves better. Maybe it's time to cut my losses.

David Doc Branigan-Logan Carrington 2012-10-03 David, "Doc" Branigan, a man who wasn't afraid to earn his wealth, even though he inherited millions. The restlessness he struggled with nearly every day kept leading him to temptations he knew better than to divulge in. When his sister Elisse, begged him to come home, it was only then he learned what she had been trying to teach him for years.

I Could Use a Miracle Right Now-John Webb Kline 2004 The movie The Passion of The Christ dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world. John Webb Kline's new book, I Could Use a Miracle Right Now, profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can. It is a story about one man's life-long encounter with the Living Christ—a story that one might call, The Passion of the Christian. It is a must-read for any true seeker of truth or follower of Christ. Author John Webb Kline describes his inspiring new book as a Workingman's Theology—a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face. Based on stories from his own, often tumultuous, yet miracle-filled life, Webb brings us to the amazing discovery that, not only is God's intervention for our lives real, but it is also there for each and everyone of us—hidden only by our rational worldviews and unbelief. This is a book about hanging on to faith when it would seem perfectly reasonable not to; a book for the faithless and faithful alike; it is a book for those who are feeling so hurt, so angry, or so left out of God's will that they have nothing left but the desire to curse God and die. In today's world, it very well could be your own handbook for survival. Heart to Hand Ministries director, Woody Wolfe has this to say about I Could Use a Miracle Right Now: "Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision. Webb's uncanny ability to put into words, that which is at the heart of the true Gospel message, has been such a blessing to me. I wish this book would have been around during those first days of my full-time ministry when I was still looking to the world for affirmation. To truly understand that God is already knocked out about us, gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages." Small Ball-Don Geidel 2016-09-11 September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...
