Profit and Pleasure-Rosemary Hennessy 2002-06-01 Drawing on an international range of examples, from Che Guevarra to "The Crying Game," Profit and Pleasure leads the discussion of sexuality to a consideration of material reality and the substance of men and women's everyday lives.

Pleasure in Profit-Laura Moretti 2020-12-22 In the seventeenth century, Japanese popular prose flourished as waves of newly literate readers gained access to the printed word. Commercial publishers released vast numbers of titles in response to readers' hunger for books that promised them potent knowledge. However, traditional literary histories of this period position the writings of Ihara Saikaku at center stage, largely neglecting the breadth of popular prose. In the first comprehensive study of the birth of Japanese commercial publishing, Laura Moretti investigates the vibrant world of vernacular popular literature. She marshals new data on the magnitude of the seventeenth-century publishing business and highlights the diversity and porosity of its publishing genres. Moretti explores how booksellers sparked interest among readers across the spectrum of literacies and demonstrates how they tantalized consumers with vital ethical, religious, societal, and interpersonal knowledge. She recasts books as tools for knowledge making, arguing that popular prose engaged its audience cognitively as well as aesthetically and emotionally to satisfy a burgeoning curiosity about the world. Crucially, Moretti shows, readers experienced entertainment within the didactic, finding pleasure in the profit gained from acquiring knowledge by interacting with transformative literature. Drawing on a rich variety of archival materials to present a vivid portrait of seventeenth-century Japanese publishing, *Pleasure in Profit* also speaks to broader conversations about the category of the literary by offering a new view of popular prose that celebrates plurality.

Pleasure and Profit in Bible Study-Dwight Lyman Moody 1895

The Productive Writer-Sage Cohen 2010-12-02 Take Control of Your Writing Life! The creative process can be treacherous, even for the most experienced writer. Facing the blank page, staying inspired, sustaining momentum, managing competing priorities and coping with rejection are just a few of the challenges writers face regularly. The Productive Writer is your guide to learning the systems, strategies and psychology that can help you transform possibilities into probabilities in your writing life. You'll sharpen your productivity pencil by learning how to:

- Set clear goals—and achieve them
- Create a writing schedule that really works
- Discover what keeps you writing, revising, and submitting
- Carve out writing time amidst the demands of work and family
- Weed out habits and attitudes that are not serving you
- Organize your thinking, workspace, papers and files
- Increase your odds of publication and prosperity
- Use social media to build an author platform
- Get comfortable going public and promoting your writing
- Create a sustainable writing rhythm and lifestyle
- Accomplish what matters most to you

Create the writing life you most desire. The Productive Writer will help take you there.

Beyond Nature Writing-Karla Armbruster 2001 Ecocriticism, a field of study that has expanded dramatically over the past decade, has nevertheless remained--until recently--closely focused on critical analyses of nature writing and literature of wilderness. The authors push well beyond that established framework with this collection of essays by respected ecocritics and scholars from the literary and environmental arenas.

Cavies for Pleasure and Profit-Edwin Frederick William Deicke 1919

Pleasure and Profit; Or, Lessons on the Lord's Prayer, in a Series of Stories-Mrs. Manners 1865

Motives of Honor, Pleasure, and Profit-Lorena Seebach Walsh 2010 Lorena Walsh offers an enlightening history of plantation management in the Chesapeake colonies of Virginia and Maryland, ranging from the founding of Jamestown to the close of the Seven Years' War and the end of the "Golden Age" of colonial Chesapeake agriculture. She argues that, in the mid-17th century, planter elites deliberately chose to embrace slavery. Accounts of personal and family fortunes among the privileged minority and the less well documented accounts of the lives of the enslaved workers add a personal dimension to more concrete measures of planter success or failure.

Power, Pleasure, and Profit-David Wootton 2018-10-08 David Wootton guides us through four centuries of Western thought to show how new ideas about politics, ethics, and economics stepped into a gap opened up by religious conflict and the Scientific Revolution. As ideas about godliness and Aristotelian virtue faded, theories about the rational pursuit of power, pleasure, and profit moved to the fore.

Religion the properest means to Peace of Conscience, Honour, Profit, Pleasure, and Health: A sermon [on Isa. lviii. 21], etc-Thomas KNAGGS 1721

Writer's Plan-Carole Marsh 1989-10-01

The American Magazine- 1917

Memoirs of the Life of Martha Laurens Ramsay-Martha Laurens Ramsay 1812

This groundbreaking Companion surveys the many permutations of romance throughout the ages. Considers the literary and historical development of the romance genre from its classical origins to the present day Incorporates discussion of the changing readership of romance and of romance's special relation to women readers

Comprises 30 essays written by leading authorities on different periods and sub-genres Challenges the idea that the appeal of romance is exclusively escapist Draws on a wide range of specific and influential literary examples

Essay-writing for Schools a Practical Exposition of the Principles of this Form of Composition ... Designed to Meet the Requirements of the Public Examinations-Leslie Cope Cornford 1903

Game Farming for Profit and Pleasure-Clement B. Davis 2008-10 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when me say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Writing and Selling Short Stories-

Popular Science- 1960-09 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Freelance Writing On Health, Food and Gardens-Susie Kearley 2014-02-28 In 2011 Susie Kearley quit a 15-year marketing career to start up as a freelance writer in the middle of a recession. In this book, she shares how, in under two years, she went from being an aspirational rookie, to working for some of the biggest names in publishing. This book is inspirational. It provides valuable tips to get you started in writing for the health, food and gardening markets, and has wider relevance to other fields of journalism. Interviews with other writers - all working in the health, food and gardening markets - give superb insight into the highlights and challenges that each of them have faced in this field of work. The book features interviews with some well-known writers and with others who are still building their reputation, including: Amanda Hamilton, celebrity nutritionist and health writer; Jackie Lynch, nutritionist and health writer; Nick Baines, travel writer focusing on food topics; Sue Ashworth, food and cookery writer; John Negus, gardening writer; Helen Riches, garden designer and writer. Susie provides humorous accounts of the obstacles she faced, as well as tips on how to write a winning pitch, how to market yourself as a writer, and how to avoid legal issues. She provides anecdotes and personal insights that many freelance writers will relate to, on topics from getting paid, to quashing the myths of freelance writing. This book is a valuable resource for anyone wanting to be a successful freelance writer in the health, food, and gardening markets.

How to Gain Pleasure and Profit from Stamp Collecting-Henry Milton Ellis 1947

How to Recognize and Refinish Antiques for Pleasure and Profit-Jacquelyn Peake 1992 For weekend antiquers looking for bargains amid the dust and clutter of yard sales, auctions, flea markets, and secondhand shops, this invaluable guide shows you how to ferret out the best pieces and transform them into objects of beauty for your personal collection or for profitable resale.

The Writer-William Henry Hills 1967

How to Write Travel Articles... in One Weekend-Diana Cambridge 2006

Defending Literature in Early Modern England-Robert Matz 2000-07-27 Why was literature so often defended and defined in early modern England in terms of its ability to provide the Horatian ideal of both profit and pleasure? This book, first published in 2000, analyses Renaissance literary theory in the context of social transformations of the period, focusing on conflicting ideas about gentility that emerged as the English aristocracy evolved from a feudal warrior class to a civil elite. Through close readings centered on works by Thomas Elyot, Philip Sidney and Edmund Spenser, Matz argues that literature attempted to mediate a complex set of contradictory social expectations. His original study engages with important theoretical work such as Pierre Bourdieu's and offers a substantial critique of New Historicist theory. It challenges recent accounts of the power of Renaissance authorship, emphasizing the uncertain status of literature during this time of cultural change, and sheds light on why and how canonical works became canonical.

The Profit in Writing-Laurence R. D'Orsay 1934

The Travel Writer's Handbook-Jacqueline Harmon Butler 2012-04-10 Veteran travel writer Jacqueline Harmon Butler shows readers, one step at a time, how to research, write, and sell travel articles--but most importantly, she details what makes a travel article a winner. In this new edition, Butler updates her bestselling handbook for the 21st century with helpful tips on conducting Internet research, utilizing new advancements in digital photography and finding helpful applications on mobile phones. She also helps aspiring writers navigate the changing world of publishing by exploring blogging, new travel websites, and social media, all while discussing how best to expand your platform. She includes a brand new introduction to reflect the current state of the travel industry and the change in editors' needs. Butler covers all the nuts and bolts aspects of travel writing from pre-trip research, specific marketing strategies, and even includes 12 formats for travel articles with sure-fire appeal to editors and readers. She gives insightful and often humorous advice on pre- and post-trip topics like:

- How to target your market before you begin
- How to save time by doing background research before you leave
- How to write queries and get assignments in advance
- How to find new angles for overworked subjects
- What to take along--from video equipment and laptops to travel documents
- How to set up and conduct successful interviews
- How to take advantage of freebies and junkets without "selling out"
- How to sell what you write--and then sell it again

Modern Business Writing-Charles Harvey Raymond 1921

Talks on Writing English-Arlo Bates 2015-01-29 These talks were given in the autumn of 1894 as a course on Advanced English Composition in the Lowell Free Classes, and that they are now printed is largely due to the fact that they were so well received by those who then heard them. In preparing them, I consulted whatever books upon composition came to my hand. I examined some with profit, some with pleasure, and some, it must be confessed, not wholly without amusement, or even impatience. Doubtless, I owe something to many of these books; but I am not conscious of much obligation to any save the "Principles of Rhetoric," by Professor A. S. Hill, "English Composition," by Professor Barrett Wendell, and "English Prose," by Professor John Earle. I have conscientiously endeavored to make the lectures as practical as possible, stating as clearly as I could those things which would have been most helpful to me had I read and heeded them twenty years ago. The necessity of holding an audience made fitting some effort to render the talks entertaining; but I have never consciously said anything for the mere purpose of being amusing, and I have never been of the opinion that a book gains either in dignity or in usefulness by being dull. My purpose has throughout been sincerely serious, and if the book shall prove helpful, I shall have attained the object for which it was written.

An Introduction to Shakespeare's Poems-Peter Hyland 2002-10-30 An Introduction to Shakespeare's Poems provides a lively and informed examination of Shakespeare's non-dramatic poetry: the narrative poems Venus and Adonis and The Rape of Lucrece; the Sonnets; and various minor poems, including some only recently attributed to Shakespeare. Peter Hyland locates Shakespeare as a sceptical voice within the turbulent social context in which Elizabethan professional poets had to work, and relates his poems to the tastes, values and political pressures of his time. Hyland also explores how Shakespeare's poetry can be of interest to twenty-first century readers.

Essays in the Art of Writing (叢書)Robert Louis Stevenson 2011-10-15 Simple Sabotage Field Manual was authored byby The United States Office of Strategic Services and is a must for any student of strategy and sabotage.

Popular Science- 1967-01 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
